Planning Board To Restudy Old Mason Zoning

Mayor Donald L. Gibbs has persuaded the Newton Planning Board to defer its planned adverse report on the change of zone for the old Mason School site, and to consider the matter further.

The Board of Aldermen formalized the action Monday night by referring the controversial matter back to the Planning Board, which agreed to further study.

Strong opposition from the Newton Centre Improvement Association has developed to proposals calling for erection of an 80-apartment building, with stores and offices on the first two floors, by the Turner Association. Mayor Gibbs has been authorized to sell lot of 66,466 square feet for \$177,000.

Last June the Aldermen voted the change in zone to Business "A" but following a second public hearing the Planning Board voted to disapprove it. The new hearing was held to clarify a defect in the original warrant, and the court action instituted by the Improvement Association.

Newton Young GOP Club To Meet Tonight

The Young Republican Club of Newton, at a general monthly meeting, tonight, Thursday, will present as its program of the evening the controversial film, "Operation Abolition." It will be shown at the Newton Community Center, 429 Cherry Street, next to the Chamber of Commerce Building, West Newton at 8:00 p.m.

Democratic Senator Richard Caples of Brighton will moderate during the presentation of the film; and an open discussion period, both pro and con, will follow.

The public is cordially invited to attend and refreshments will be served at the conclusion.

For any further information, please contact Mrs. Janice Slesinger at LA 7-7563 or Marlene Selb at WO 9-9183.

HONOR OFFICER CORNISH—William Mark, district commissioner, at left, looks on while Officer Earl Cornish, center, receives Boy Scout silver statuette from Scoutmaster Stan Schroter, of Troop 55, St. Bernard's parish.

Police Officer Honored For Service To Scouting

Officer Earl Cornish, of the Newton Police Department, was paid unusual honors by Troop 55, Boy Scouts of St. Bernard's parish, recently when he was presented a Boy Scout silver statuette for his outstanding contribution to scouting.

The presentation was made by William Mark, district commissioner, North District, Norumbega Council, at a Court of Honor held in St. Bernard's parish hall. Stan Schroter,

scoutmaster of Troop 55, presided at the meeting.

Officer Cornish, for many years a neighborhood commissioner, has given of much of his time and experience in assisting young boys and scouts in earning merit badges and in furthering their scouting proficiency.

A feature of the program was the presentation of merit badges to thirteen boys for scouting activities as follows: James Barberio, Tenderfoot; Richard Lucente, Tenderfoot; John Cupo, Tenderfoot; Robert Tennant, Tenderfoot.

Kevin Smith, Second Class; Jay Peekos, Second Class; Michael Mehan, Second Class.

Aldermen Vote Added \$25,000 For Incinerator

The Newton Board of Aldermen approved Monday night an appropriation of \$25,000 to increase the storage capacity of the Newton Incinerator. The funds will provide a new ramp and 500 cubic yards of storage space, which at present amounts to 400 cubic yards.

In addition, the Aldermen voted to permit 24-hour operation of the burners when necessary.

Willard S. Pratt, Director of Public Works, has recommended construction of a new incinerator and Chairman Charles H. Cosgrove of the Public Works Committee expressed the hope that the action by the Aldermen would be a forerunner toward the new facility.

Vast Project For Norumbega Is Approved Unanimously

A proposed \$35 million development at Norumbega Park, which would yield more than \$1 million in new taxes for the city, received a green light from the Newton Planning Board this week.

By a unanimous vote the Planning Board approved suggested changes in zoning for Norumbega which would make possible the vast project.

However, the Planning Board recommendations, if followed by the Board of Aldermen, would necessitate some revisions and modifications in the plans of the Newton Corporation, headed by developer Peter Kanavos, which would undertake the multi-million dollar development.

The matter is now before the Aldermanic Claims and Rules Committee and probably will be acted upon by the full Board of Aldermen a week from next Monday, May 15.

Plans of the Newton Corporation call for the erection of six modern 21-story build-

ings, two six-story executive office buildings and a 200-room suburban hotel which would contain a ballroom accommodating up to 500 persons for meetings, luncheons or banquets.

The report of the Planning Board unanimously endorsed zoning changes which would permit the construction of the six apartment buildings, the suburban hotel and one of the two office buildings.

A six-story office building on the northerly side of Commonwealth avenue would have to be eliminated from the

plans for the development under the Planning Board recommendation.

The Planning Board okayed a zoning change on that side of Commonwealth avenue to permit the construction of a suburban hotel but recommended that the rest of the area be zoned for high-rise apartment buildings.

Changes in the zoning of the section of Norumbega on the south side of Commonwealth avenue were approved to allow the construction of the six modern 21-story buildings.

Newton Doctor Honored As Outstanding Young Man by State Jaycees

Dr. Alan S. Cohen, 35, of 16 Pheasant road, Newtonville, has been selected as one of the four outstanding young men in the annual Massachusetts Junior Chamber of Commerce contest.

He was cited at a program sponsored Saturday night by the Peabody Jaycees chapter at the Salem Country Club in Peabody. Governor John A. Volpe was speaker. There were 30 candidates.

Purpose of the contest is to recognize four men between the ages of 21 and 35 who have distinguished themselves in their contributions to the community welfare in demonstrating leadership and achievement, plus personal and business progress.

Dr. Cohen is a physician and research scientist. He helped establish and is director of the arthritis section at the Massachusetts Memorial Hospital and is an assistant professor of medicine at the Boston University Medical School.

He has received numerous awards and research grants and his pioneer studies on the use of chloroquine in arthritis received national and international attention.

Dr. Cohen has been prominent in fund raising campaigns for Harvard College where he received his A.B. degree and Boston University where he was awarded his M.D. degree. He married the —STATE JAYCEES—

Volpe's Legislative Record Even Worse Than Furcolo's

BY JAMES G. COLBERT

One campaign statement on which Governor Volpe has not made good was his assertion that he could get along with a Democratic Legislature and could get things done. During his first four months in office — one sixth of his term — Volpe hasn't been able to persuade the Legislature to do anything of consequence.

His major messages, based on the plans he outlined in his inaugural address, have been either defeated or pigeon-holed as fast as he and his advisors could write them.

Up to the time this is written Volpe has had two of his bills enacted by the Legislature. One was a \$1.6 million emergency snow-removal appropriation which the law-makers had to approve if they wanted the highways plowed. The second measure allowed a deferment of tax payments by railroads.

There's nothing very remarkable about a Republican Governor being unable to muster much support from a Democratic Legislature, although Volpe is the first Governor who has had to work with a completely Democratic Legislature.

However, ex-Governor Herter managed to get most of his program through a Democratic House in 1955 and 1956, and Democratic Governors in the past have succeeded reasonably well in working with Republican Legislatures.

What is unusual about Volpe's bleak and dismal record in the Legislature is that when he was running

Mrgr. Kerr At Award Dinner For Boys' Club

The Newton Boys' Club Seventh Annual Awards Dinner will be held on Tuesday night (May 9) in the cafeteria of Our Lady's Church, Washington St. It was announced today by Dinner Chairman Philip F. Cacciatore. The affair will start at 7 p.m.

Over 100 Boys' Club members will receive trophies and awards for their outstanding achievements during the past year.

Former All-American guard at Boston College, Monsignor George V. Kerr, will be principal speaker at the dinner.

Fr. Kerr, now Pastor at St. Francis de Sales Church, Roxbury, was a member of the 1941 B. C. football team which won the national championship. He played in the Cotton and Sugar Bowls before his graduation in 1941.

Giles E. Mosher Jr., President of the Newton Boys' Club, will greet the dinner guests and Magr. Walter J. Furlong will give the invocation.

Carleton P. Merrill, a member of the Board of Directors, will be master of ceremonies.

Sgt. Quinn Heads List For Lieut.

The Civil Service list for promotion to lieutenant in the Newton Police Department is headed by Sgt. William F. Quinn of 1900 Washington St., Auburndale.

Chief Philip Purcell is expected to fill this vacancy soon, and this in turn will allow for the promotion of a patrolman to sergeant.

Topping the list in the examination for this office was Patrolman William C. Nally of 12 Bernard St., Newton Highlands. He ranked highest among eight eligibles.

\$22,000 Donated Here In 1961 Cancer Drive

William H. Rice, treasurer of the 1961 Cancer Crusade in Newton, announced this week that more than \$22,000 has been realized in this city to date, following the city-wide campaign of Tuesday, April 25.

Treasurer Rice pointed out that this amount represents over \$14,000 in the house-to-house collection and approximately \$8,000 in advance gifts.

On the night of the Crusade a group of young people worked with co-chairmen Chief Philip Purcell and E. Tyler Parkhurst, acting as a "flying squadron" to pick up money from captains and crusaders, and opening envelopes and recording the amounts of the gifts. These included Harvey Gilmour, Kenneth Grady, Brenda Lindemann, Stephanie Lowry, George Macnair, Karen McGee, Barbara and Gordon Parkhurst, John Redfern, and Judy Ross.

Petition For Fluoridation Referendum Lists 1,200

Petition forms bearing the signatures of nearly 1,200 registered Newton voters in favor of including a referendum on fluoridation of the city's water supply on next fall's election ballot have been filed at city hall, the Newton Citizens' Committee for Dental Health announced today.

The Petition Committee, which has been responsible for co-ordinating the work of the ward and precinct captains in the signature campaign, included: Mrs. Lionel Wells, Dr. Thomas F. A. Plaut, Mrs. Louis Pollen, Irving Fishman and Robert Tennant, co-chairmen of the committee.

Submission of the 1,200 signatures last Thursday to Newton City Clerk Monte Basbas, as the climax of an initial six-week effort by the Citizens' Committee to obtain the support of Newton voters for the referendum petition, represents only the first installment of the total number of signatures expected from the campaign, according to Mrs. Myron S. Simon, who filed the petitions for the Citizens' Committee.

Newton High Welcomes Over 100 Honor Society Students

Over 100 Newton High School students were inducted into the National Honor Society last Tuesday morning at the annual ceremony before an audience of faculty, parents, honor roll students and seniors admitted last year.

The National Honor Society is an organization represented by schools throughout the U.S. and 17 foreign lands. Membership is granted students chosen on the basis of character, service, leadership and scholarship.

The ceremony began with a selection by the Newton

High School orchestra under the direction of Donald March, and the procession of last year's members. Newton High School's National Honor Society president, Joel Selig, gave a brief account of the society's history and purpose, after which students, chosen from the previously elected members, spoke on the meaning of the four qualities for which the Society stands: character, service, leadership, and scholarship.

These students were Stephanie Krebs, Richard Lock—

"BUSINESSMEN, YOUR CLUB IS OPEN" — Said Eldred M. Peterson, president of the Newton YMCA, as he cut the ribbon to officially open the new Businessmen's Athletic Club at the "Y". At left is Warren J. Howe, chairman of the new club, and at right Rev. Harold A. Malmberg, who gave the invocation.

"Y" Businessmen's Club Opens With 100 Members

The Newton YMCA's Businessmen's Athletic Club opened recently with a brief and informal ceremony held at the YMCA building.

More than forty members of the new club were on hand as Eldred M. Peterson, president of the YMCA, cut the ribbon to officially open the facilities for member use.

The Rev. Harold A. Malmberg offered the invocation and Alex R. Miller, general secretary of the Y, extended a welcome to members and friends of the club.

Members of the nine-man governing council of the club headed by Chairman Warren J. Howe acted as official hosts during the evening.

At present the Businessmen's Athletic Club has a capacity membership of 100. Facilities include, steam room, special exercise room, locker area, showers, lounge and television room. It was announced this week that names are being accepted for a waiting list.

Claflin School PTA Fair To Be Held Saturday

The Claflin School PTA will hold its annual Benefit Bazaar at the school building, 465 Lowell Avenue, Newtonville, next Saturday, May 6th, from noon to four o'clock, rain or shine.

This year's benefit will be in the form of a Country Fair for all ages, pre-school to adult, according to Mrs. Samuel Brickman and Mrs. Melvin Hootstein, chairmen, who have been planning new features, with their workers, throughout the year. Among these innovations will be Polaroid Pictures by Howard Menitove; make-your-own sundaes out of a variety of ice creams and sauces; a cotton candy machine, as well as a large assortment of new merchandise for Mothers' Day.

Station wagons will be outside the school filled with flats of annuals and perennials for spring planting; certificates from local stores will be available as well as a large selection of items to buy covering a broad range from shoe laces, zippers, cosmetics, wearing apparel and shoes to caviar, and canned hams!

Other traditional features will be included such as the gypsy fortune teller, hot dog and tonic luncheon, the preschoolers' carousel, grabs, penny candy, make-up — always a favorite, cake sale and of course children's games. This year turtles instead of fish will be the prize for several of the many children's activities.

Working for the success of the Benefit have been: Tickets — Mrs. Henry Lambert; New Merchandise — Mrs. Paul Gorin, Mrs. Robert Fishkind, Mrs. Howard Menitove; Plants — Mrs. Sidney Lenson; Grabs — Mrs. Chester Wolfe; Lunch — Mrs. Charles White Jr., Mrs. Richard Feffer; Children's Games — Mr. Prescott Brown; Cake Sale — Mrs. Irving Finson.

Decorations — Mrs. Herbert Orent, Mrs. Sherman Waterman; make-up, Mrs. John Harter, Mrs. Richard Mechem, Mrs. John Nelson, Mrs. William Heine; fortune teller, Mrs. Philip Holstein; telephone, Mrs. Alvin Stone; flyers, Mrs. Frederick Fisher; publicity, Mrs. William R. Farrell.

Further help has been given by all room mothers under Mrs. Thomas Keleher, Mrs. Ray Huling and Mrs. Richard C. Hussellbee, as well as by members of the fourth, fifth and sixth grades who have sold tickets and made posters for the affair.

Serving as councillors to the Society from Newton are Dr. Walter O. Blanchard, Dr. Cotter, Dr. Dunphy, Dr. Gahn, Dr. Garcelon, Dr. Pilcher, Dr. Potter, Dr. Herbert A. Selenkow, and Dr. Stearns.

New councillors are Dr. R. Emerson Sylvester, Dr. Melvin L. Tynnor, and Dr. Charles A. Thompson.

Congregational Laymen's Dinner At Church May 10

A Laymen's Dinner, sponsored by the deacons of the Newton Highlands Congregational Church, will be held in the dining room of the church on Wednesday, May 10 at 6:30 p.m.

Guest speaker will be Dean William T. Alexander, of the College of Engineering at Northeastern University, who will discuss, "Glimpses Behind the Iron Curtain." The talk will be illustrated.

As president of the American Society for Engineering Education, Dean Alexander was sent to Russia as a member of a team to investigate engineering and technical education in the Soviet Union.

The Martha Guild girls, of the church, will serve a home-cooked dinner of baked ham and all the fixins as part of the evening's program.

Cabot School Square Dance To Be May 20

The Cabot School is presenting its annual Scholarship Square Dance on Saturday evening, May 20th, at 8:00 P.M. in the school auditorium. Proceeds go towards a college scholarship for a worthy Newton High School graduate who has been a former student at the Cabot School.

Earl Squire Davis and his orchestra will provide the music. A number of door prizes and refreshments are featured.

The square dance committee is headed by Mr. and Mrs. Charles Aronson and Mr. and Mrs. Gerald Manishin, co-chairmen. Mr. and Mrs. Murray Jacobson and Mr. and Mrs. Ted Ball are serving on the committee. The public is cordially invited to attend.

'Music Month' At Bowen School Lists Fine Events

May is "Music Month" at Bowen School. Many fine musical events have been planned for the children by the Creative Arts Committee of the Bowen P.T.A., in cooperation with James Ramley, Supervisor of Music for Newton Schools; Edward Clarke, Bowen principal; and the Bowen teachers.

On Monday afternoon, May 8, Bill Bonyun, the well-known folk singer from Sturbridge Village who makes history come alive through his songs, will visit all the classrooms, presenting for each a special program geared to the material the children are studying.

Interested parents and children are invited to attend an open meeting of the Bowen Music Club to be held in the school auditorium on Friday, May 12, from 12:30 to 1:30 p.m. The purpose of this club is to afford children who sing or play an instrument an opportunity to perform before an audience. The club meets once a month under the supervision of Mrs. Samuel Clifton.

On Tuesday, May 16, from 8:45 to 9:15 a.m., the Madrigal Singers, a special choral group composed of children from Newton High School, will entertain Grades IV, V and VI. This talented group is directed by Miss Geraldine Seaver, a music consultant for Newton Schools.

The Piano Class at Bowen School will present a demonstration program for interested parents and children on Friday, May 19, from 11:00 to 11:30 a.m., in the auditorium. Miss Marion Child Greene, class piano teacher for Newton Schools, conducts the class.

On Wednesday, May 24, from 2:00 to 2:30 p.m., the Bowen School Orchestra, conducted by George Napoli, will perform for interested parents and children, also in the auditorium.

Finally, on Friday afternoon, May 26, the Bowen Kindergarten and Grades I, II and III will participate in a Maypole Dance and Sing on the lawn of the Bowen playground. Parents of the participating children are especially urged to attend this colorful event, which is being organized by Mrs. Sally Yurchuck, Grade I teacher, and Mrs. Katharine Winters, Grade II teacher.

The Boston Symphony Orchestra has lent the Bowen School for display this month some musical instruments and

pictures of its recent trip to Japan. Also on display are art exhibits relating to music that were borrowed from the Museum of Fine Arts. The various classrooms have set up their own displays for Music Month.

Chairman of the Creative Arts Committee of the Bowen P.T.A. is Mrs. Alfred Bickelman. Members of her committee who have helped organize this fine series of musical experiences for the Bowen children are Mrs. Seymour Silver, Mrs. Henry Adelman, Mrs. Walter Lazar, Mrs. Irwin Schaffer, and two Bowen teachers, Mrs. Carolyn Fablen and Mrs. Katharine Winters.

Will You Be A Recruit?

The deadly reckoning of the Great Army of Highway Dead and Injured continues to grow. The new recruits are being signed up daily, on a city street, a stretch of highway, in the hospital and the morgue.

Sometimes they are victimized by a split second's mischance. But most often they have lost the battle against themselves, the endless application of care and control behind the wheel of a high-powered automobile. They are the vanquished in the senseless war of speed and recklessness.

More than 60,000,000 of our fellow Americans have joined the Great Army of Highway Dead and Injured since the automobile first appeared on the scene in this nation.

This is a silent, haunted army. No monuments are erected to it. No grim reminders mark the sleek beauty of the roads and highways which are its field of battle. A long, grinding skid-mark, a shattered pole or tree, a fleeting newspaper headline, perhaps mark the induction of the latest recruits. Then silence and suffering by friends and relatives.

The grim statistics seem to have no frightening influence on the heedless, the speed-crazed, the drunk, the addle-brained. Let's look at the awful record.

More than 27 percent of the drivers involved in fatal accidents in 1960 were under 25 years of age; there were 38,000 deaths and 3,078,000 injuries in motor accidents in 1960.

Eighty-five percent of the casualties in 1960 involved driver error; 85 percent of the vehicles involved in accidents last year were passenger cars; weekend accidents caused almost 15,000 deaths last year; speed caused almost 40 percent of the casualties; more than 80 percent of the casualties occurred on dry roads and in good weather; women drivers were involved in 18 percent of the personal injury accidents last year; more than 260,000 pedestrians were killed or injured last year; reckless driving and driving off the highway by cars out of control caused almost 600,000 casualties in 1960; carelessness and inattention are the chief causes of automobile accidents.

These are accurate compilations of death and destruction made by police and insurance officials. A sorry chronicle of monumental waste, needless suffering and death.

Slogans and pledges do not seem to change us. The ultimate decision rests with the individual behind the wheel. Recruiting time for the Great Army of Highway Dead and Injured is upon us. Every time you slide in behind the wheel of your automobile you are a prospect. It's up to you.

Political Highlights

(Continued from Page 1)

for the Governorship last fall he indicated in his campaign speeches that working with a Democratic Legislature would present no problem at all for him.

In fact, Volpe criticized former Governor Foster Furcolo for not being able to work more harmoniously with the Legislature. Ironically, Volpe's record in the Legislature has been even worse than that of Furcolo, whose big problem stemmed from the fact that he tried in three different years to obtain the passage of a sales tax.

Volpe campaigned as a businessman who could get things done. In four months he hasn't got anything done by the Legislature which is worthy of mention.

He told his listeners in his campaign speeches last October that he got along well with the Legislature when he was State Public Works Commissioner and that he could do the same as Governor.

A strong suspicion is beginning to grow that it was ex-Governor Hester and his aides, not Volpe, who swung the Democratic votes when they were needed for the passage of important measures during the Hester regime.

Volpe never held any elective office before assuming the Governorship at the start of this year. The hard fact is that his inexperience has shown on numerous occasions.

Whether Volpe has been poorly advised or has made his own mistakes is uncertain, but one thing which is sure is that plenty of mistakes have been made by his administration.

He has started fights which he couldn't possibly win. Maybe he wanted to show the public he was fighting for a principle. Perhaps he wanted to make himself a political martyr. Whatever his strategy, he weakened himself with the Legislature to the point where he didn't get anything of importance passed.

Volpe's advisors must have known that he had no chance of getting a bill through the House for the reorganization of the Metropolitan District Commission. If they didn't, he ought to fire them.

As a matter of fact, Volpe himself must have recognized the incongruity of asking a Democratic Legislature to adopt a reorganization bill which would have resulted in the ouster of a popular Democrat such as MDC Commissioner and former Lieutenant Governor Robert F. Murphy who served for years in the House of Representatives and was the Democratic leader of the body in 1953 and 1954.

An example of Volpe's inept

OUR READERS SAY

For Norumbega Project

Editor, Newton Graphic:

As a resident of Newton, living in Auburndale, I wish to express to you my real feeling regarding the rezoning of Norumbega Park.

It is my firm belief that this petition for change of zoning is not only necessary but is vital to the progressive development of our City. I went to the hearing at City Hall with an open mind and after the presentation by the Newton Corporation and the endorsement by our Chamber of Commerce, I was firmly convinced that our citizenry should take an affirmative attitude towards this change.

I took a walk this week-end around Norumbega Park and as a citizen I was appalled by the litter, the debris, the old buildings, and the all-around general conditions of this beautiful piece of property. How much nicer it would be to have the plans which were submitted at the hearing put into effect on that property.

I would like to make it clear at this time that I do not know the petitioner nor am I in a position to be granted any favors by endorsing this Real Estate Development.

Will this be a first for Newton or are we content to look backward rather than to the future? I hope that the Aldermen, in their wise judgment will consider all of the People instead of the few who always seem to object to progress.

Protests Increase

208 Auburn St.
Auburndale 66, Mass.
May 1, 1961

Editor The Newton Graphic

Dear Sir:

I wish to protest the current proposal to maintain a "stable" tax rate of \$59.60 in Newton this year by means of an across-the-board increase of \$800 in the assessment of private homes. This would mean that every homeowner's tax would increase approximately \$48.00. For the taxpayer whose home is assessed at \$5,000, this would mean a tax increase of 16%, the equivalent of a \$9.50 raise in the tax rate. For an assessment of \$10,000, the tax increase would be 8%, or \$4.80 added to the tax rate, and at \$20,000, 4% or \$2.40. By contrast, if the tax rate rises \$3.00, it is an increase of 5% on everyone's tax, a far more equitable arrangement. Also, it should be clearly stated, if it is the case, that it is necessary for taxes on business property to be lower than on homes, and

strategy was provided in his unsuccessful battle for the reorganization of the MTA and the ouster of the trustees of the system and tough-talking General Manager Thomas J. McLernon.

It became quickly apparent to everyone on Beacon Hill that there was no prospect whatever that Volpe's bill would be passed in the form in which he submitted it. His measure didn't even get out of the ways and means committee and reach the floor of the House for debate.

While Senate President John E. Powers was trying to work out details of a compromise MTA reorganization bill which might have had some chance of passage and which would have achieved part of Volpe's objectives, the Governor resubmitted his original measure to the Legislature, thereby setting himself up for a second defeat.

Boston's Mayor Collins also proposed a compromise MTA plan to the Governor behind which Collins estimated he could marshal at least 108 votes for Volpe to get. But Volpe insisted on standing on his own bill.

An incredible amount of confusion was created as the Governor sought to restore rail service on the Old Colony lines to the South Shore and Cape Cod, with one plan after another being thrown at bewildered legislators.

Volpe's record of legislative accomplishments may get better before the end of the year. It can't become much worse.

not hidden in an unfair assessment increase.

If Newton wants to maintain a stable tax rate, it must do so not by artificial raising of assessments, but by legitimately raising the amount of taxable property in the city. This can only be done by more careful consideration of those plans submitted for rezoning for apartment and business projects, and by long-range planning for the future of the city as a whole.

Ellen Feingold

Church Fair Here Will Aid Japanese Orphanage

The Grace Episcopal Church will conduct a fair on the church grounds, Eldredge and Church streets in Newton, on Saturday, May 13th, from 11 a.m. to 4 p.m.

The net proceeds of the Fair will be contributed to "Tokogakuen," a Japanese Orphanage in the city of Osaka, Japan. The Orphanage cares for approximately 150 poor and needy Japanese children between the ages of five and twenty who have either one or no living parents. It is presently directed by The Reverend John S. Kikawada, a young Japanese - American clergyman who received his Seminary training in this country.

Dr. John B. McKittrick, Mrs. Charles P. Olton, Miss Susan Ingersoll and Mr. Kenneth Kasarjian share the direction of the fair as chairmen. Other members of the parish on the general committee with their assignments are as follows: Mrs. Grovenor Calkins, Flower Table; Mrs. Duncan Edmands, Special Events; Mrs. Frank A. Post Office Dept. Announces Examinations

The board of U. S. Civil Service Examiners, U. S. Post Office, Boston 9, Massachusetts, today announced an open competitive examination for filling the positions of substitute clerk and substitute carrier in the Boston Post Office (Boston Postal District). This examination will close on May 11.

Postmaster Ephraim Martin, in calling the public's attention to this examination, stated

that the employment opportunities it represents are highly attractive. Both male and female eligibles will be considered for appointment to the substitute clerk positions. No experience is necessary. However, applicants must qualify on a written test.

Substitute clerks and substitute carriers start at \$2.10 an hour with annual increases up to a maximum of \$2.63 an hour. There are many excellent employee benefits such as paid vacation, sick leave, group life insurance and a group health insurance program.

Application forms for apply-

ing in this examination and copies of the announcement may be secured from the executive secretary, Board of U. S. Civil Service Examiners, Room 406, Post Office and Courthouse Building, Boston 9, Mass.; from the regional director, First U. S. Civil Service Region, Room 1002, Post Office and Courthouse Building, Boston 9, Mass.; or from any of the Branch Offices in the Boston Postal District. Applications must be received or postmarked not later than May 11.

Citizens Rights Association Forms To Fight Fluoridation

Medical, legal, moral and ethical objections to compulsory mass dental treatment through the public water supply were raised at a meeting of the Newton Citizens Rights Association held recently at their headquarters, 11 Highland avenue, Newtonville. Members elected officers and discussed ways and means of more effectively opposing the plan to fluoridate the city's water supply.

Among those who spoke against the fluoridation idea were the Rev. Thomas Reed, chairman of the Association, who pointed to recent defeats of fluoridation in referendums in Andover, Brookline, Burlington, Wrentham and Wellesley; and Mrs. Harry M. Brenner, 65 Clark street, Newton Centre, publicity director, who challenged a film promoting fluoridation that has been shown at meetings in this area. Mrs. Brenner stated that qualified physicians and dentists who are opposed to fluoridation will be utilized in the fight against the compulsory program.

In addition to the Rev. Reed and Mrs. Brenner, the Association elected the following officers: co-chairman, Mrs. Mathew Waldstein, 125 Waban, Newton; secretary, Michael J. Butler, 111 Grasmere, Newton; treasurer,

David P. Whelan, 1273 Walnut street, Newton Highlands; education director, Mrs. Eloise Dyer, 49 Pearl Street, Newton; and finance committee, Frank Saddler, 92 Beethoven, Newton, and George G. Broadhead, 15 Central Close, Newton.

The Rev. Reed stated that

the Newton Citizens Rights Association is a non-profit civic organization composed entirely of Newton residents dedicated to civic improvement through voluntary individual participation and prevention of undue government encroachment on human rights.

Newton Women On Committee For May Fair

Newton women are engaged in committee work preparing for the May Fair to be sponsored by the Ladies Philoptothos Society of the Greek Cathedral of New England on Saturday, May 6th in the auditorium of the cathedral, Parker and Ruggles Street, Boston, from 10 A.M. to 10 P.M. A Gentlemen's Auction will be held from 10 P.M. to 11 P.M.

tion of the six apartment buildings and one executive office building. It will take a two-thirds vote of the Board of Aldermen to adopt the zoning changes approved by the Planning Board, but a three-fourths vote would be needed to adopt zoning changes not endorsed by the Planning Board.

Meanwhile, members of the Auburndale Citizens Committee announced their support of the proposed \$35 million development. William E. Halliday, spokesman for the committee, declared the development would yield more than \$1 million a year in taxes, thus lightening the tax load for all other Newton citizens, and also would offer increased employment opportunities for residents of the city.

Two-Level Parking Area Is Planned
One of the features of the plan submitted by developer Kanavos would be two-level parking beneath the apartment buildings, the office building and the hotel.

The hotel would offer accommodations for many groups which now have to go outside the city to hold their affairs.

The development would have a pool and cabana area as well as a marina where boating enthusiasts could dock their craft.

No shopping centre would be included in the development.

Surface parking within the development would be held at a minimum, with 90 per cent of all parking for occupants beneath the buildings. These buildings would be landscaped in such a manner that it would not be possible to see the roofs of the garages.

A landscaped walkway would be created around the entire riverfront. The muddy swampy area at the island directly behind the Totem Pole would be cleaned up. Trees would be planted, and benches installed for the convenience of residents.

Roads in the development would be built by the Newton Corporation at no cost to the city. They also would be cleaned, plowed in winter and kept in repair by the developing firm, not by the city.

A little league field at Norumbega Park would be relocated at the developer's expense. Arrangements have been

Controversial Issues On Agenda At PTA Council Conference Here

With final plans being concluded, the Newton Council of Parent-Teacher-Associations conference "The Revolution in Education" to be held at Newton High School on May 18, looms as one of the most successful of its kind held in Massachusetts in many years.

Information on the fifth, sixth and seventh workshops was released today. A wide range of controversial issues will be covered in the seven workshops with many noted experts in education and related fields taking part.

The fifth Workshop is entitled: "Parents and School: What is the Parents' Role?" Several distinguished guests will attempt to shed light on this subject: Dr. Donald K.

Davidson, principal, Newton South High; Dr. George E. Gardner, director, Judge Baker, Guidance Center and Psychiatrist-in-Chief Children's Hospital Medical Center; Dr. Joseph G. Osborne, school physician, Newton South High; Dr. Thomas F. Plaut, instructor in Mental Health, Harvard School of Public Health; Psychologist, Community Mental Health Program; and Dr. James A. Wylie, professor of Education, Boston University. Moderator will be Mr. Paul M. Siskind.

The sixth Workshop will be: "How can we strengthen the links between elementary, secondary, college, and adult education?" Speakers are: Charles W. Dudley, director, Newton

Junior College; Dr. Malcolm S. Knowles, associate professor of education, Boston University; and general consultant in adult education; Dr. Barbara R. Solomon, director of Radcliffe Seminars and Women's Archives; Dr. Charles R. Keller will moderate. Dr. Keller is director of the John Hay Fellows Program, New York.

The seventh Workshop is: "How do educational systems function in other countries?" Guests will be: Bentsen-Enchill, professor of Law, Ghana Law School; Benjamin Lall of India, graduate student, B.U. School of Education; Richard V. Rapacz, instructor of education, B.U. School of Education, and an expert on Eastern and Western European educational systems; Francis Sasaningrat of Indonesia, graduate student, B.U. School of Education. Kurt Hertzfeld will be the moderator.

It should be noted that while the public is invited to attend the dinner at 6:30, the Workshops will also be open to all at 8 p.m. for a registration fee. For those wishing to inquire about dinner tickets, call Mrs. Helena Farrell at LA 7-3698.

JAMES H. REMLEY

Local Musician To Handle State Vermont Festival

Mr. James H. Remley, 73 Randlett Park, West Newton, internationally known choral and orchestra conductor, will be in Burlington, Vermont, Thursday, Friday and Saturday of this week, to direct the Vermont State Chorus in the 34th annual Vermont Music Festival.

This will be the ninth consecutive year in which Mr. Remley has appeared as the guest conductor of the 450 voice chorus accompanied by a 150 piece orchestra in this three day festival.

The chorus, orchestra and two bands, of 150 pieces each, are composed of vocalists and instrumentalists from junior and senior high schools from all parts of the State of Vermont and are selected on the basis of musicianship to represent their respective schools.

The festival is organized and conducted each year by the Headmasters Club of Vermont and the Vermont Music Educators Association and is under the auspices of the Lions Club of Burlington. The proceeds are used to provide scholarship help to twelve high school seniors chosen for advanced study and training in music.

Mr. Remley is widely known locally as director of the Music Department in the Newton Schools, of the Highland Glee Club, and of the Orphean Club of 250 girl students at Lasell Junior College.

Allen Sevigny and Bride Will Live In Chicago

Our Lady of Mercy Church in Belmont was the setting recently for the marriage of Miss Phyllis Ann Moore to Allen Joseph Sevigny.

The bride is the daughter of Mr. and Mrs. Lawrence W. Moore of Belmont. Mr. Sevigny is the son of Dr. and Mrs. Joseph L. Sevigny of 30 Highland avenue, Newtonville.

Pink and white flowers decorated the altar for the 11

o'clock nuptial mass at which the Rev. Edmund H. Griffin was celebrant. A reception was held at the Hotel Continental in Cambridge.

Elected by her father, the bride wore a gown fashioned of white Chantilly lace over satin. Her fitted bodice had a matching lace bertha. Her fingertip illusion veil was caught to a cap made of similar lace. Her flowers were white carnations and stephanotis.

Miss Lauretta Moore of Belmont was her sister's sole attendant.

Alfred J. Sevigny Jr., of Waban served as best man for his cousin, whose ushers were Robert H. Slamin of Waltham, another cousin of the bridegroom, and John M. Johnson of Belmont, brother-in-law of the bride.

The couple plan to live in Chicago.

The bride was graduated from the Simmons College School of Library Science.

Mr. Sevigny is a graduate of Clark University and the Simmons College School of Library Science.

Susanna Van Keuren, daughter of Mrs. James G. Lord of Bemis street, Newtonville, and Susan E. Clapper, daughter of Mrs. Harriet Clapper of Elliot avenue, West Newton, were on the honorary and general committees.

GABRIELE DRAYTON

Friends Honor Gabriele Drayton At Bridal Shower

A festive setting highlighted the kitchen shower given recently for Bride-elect Miss Gabriele Drayton at the home of her future matron of honor, Mrs. Robert Quinan of Newton Lower Falls.

Miss Drayton, fiancée of Mr. Gilbert Fryklund of Thompson street, Dedham, was the recipient of many lovely gifts at the affair.

Assisting the hostess at the event were bridesmaids-to-be Miss Gail Lancaster of Brookline and Mrs. Robert Hodson of Needham, as well as Junior Bridesmaid Miss Karen Fryklund of Dedham.

Miss Drayton is the daughter of Mr. and Mrs. Frederick Drayton of 38 Sunhill lane, Newton.

Approximately 25 guests were in attendance at the shower.

Home Reception Followed Daly - Sullivan Wedding

Gladioli, snapdragons and mums decorated the altar of St. Bernard's Church while the pews were caught with bouquets of carnations for the marriage there recently of Miss Gael Therese Sullivan to Timothy Bernard Daly.

Mr. and Mrs. T. Gregory Sullivan of 320 Chestnut street, West Newton, and North Scituate, and Mr. and Mrs. L. Sheldon Daly of Wellesley and North Scituate are the couple's parents.

The Rev. Bernard S. O'Kane celebrated the 11 o'clock nuptial mass. Robert F. Daly and David J. Daly, brothers of the bridegroom were altar boys. A reception followed at the home of the bride's parents.

Given away by her father, the bride's white delustered satin gown had a circle neckline appliqued with pearl and sequin encrusted Alencon lace and long tapered sleeves. Her full gathered skirt was styled in front with a princess panel, entraine.

Similar jewels formed the becoming crown caught with her elbow-length French illusion veil. A cascade of white orchids and stephanotis topped her prayer book.

Miss Regina Mary Sullivan of West Newton was her sister's maid of honor. Another sister, Miss Dorothy Sullivan of West Newton, Miss Mary Gertrude Daly of Wellesley, sister of the bridegroom, Miss Ellen T. Mahony of West New-

ton, and Miss Mary T. Kane of Brookline and Lake Forest, Ill., were her other attendants.

L. Sheldon Daly, Jr., of North Scituate served as best man. Ushering were William F. Daly of Wellesley, Gregory T. Sullivan of West Newton, Leo J. Winkel of Waltham, Allan R. Call of Jamaica Plain, Donald R. Sullivan of Newton and John D. Armstrong of Belmont.

The couple left for Bermuda. They plan to live in Allston.

The bride was graduated from Holy Cross Academy and Newton College of the Sacred Heart, class of 1960.

Mr. Daly is a graduate of St. Sebastian's Country Day School and Boston College.

REBECCA MARCUS

Rebecca Marcus, Harvey Finks Plan To Marry

The engagement of Miss Rebecca Ilene to Harvey Finks of Phoenix, Arizona, son of Mr. and Mrs. Joseph Finks of South Brookline, has been made known by her parents, Mr. and Mrs. Theodore Marcus of Newton Centre.

Miss Marcus is an alumna of the University of Vermont and the Hickox Secretarial School.

Mr. Marcus is a graduate of Syracuse University, the Boston University Law School, where he was senior editor of the Law Review, and the Harvard University Law School graduate division. He has served in the judge advocate department of the Air Force.

August's second Sunday, the 13th, is the date set for the wedding.

Newton Highlands Home for Robert Sims and Bride

The marriage of Miss Geraldine Claire Barretto to Robert Frank Sims took place on April's final Saturday, the 29th, at the Church of St. Francis De Sales in Charlestown.

The bride is the daughter of Mr. and Mrs. Maximiano Pedro Barretto of Charlestown. Her husband's parents are Mr. and Mrs. Frank O. Sims of 158 Roslindale avenue, Roslindale.

The Rev. Allan C. Campbell celebrated the 11 o'clock nuptial mass, performed the double-ring ceremony and read the Papal Blessing. The Rev. John Dunn was seated within the sanctuary. A reception followed at the Boston Yacht Club in Marblehead.

Given in marriage by her father, the bride wore an original gown designed of peau de soie. Her empire bodice had a portrait neckline and illusion sleeves marked with appliques of jeweled Alencon lace. Identical appliques marked her full skirt which terminated in a fan pleated cathedral train.

A French illusion full length veil fell from her jeweled princess crown. She carried a bouquet of cymbidium orchids, lilies of the valley, white roses and lvy.

Mrs. Bruce O'Brien of Newton Highlands was matron of honor. Miss Beatrice Doherty, the bridegroom's aunt, of Roslindale was honorary maid of honor.

The bridesmaids were Miss Lani Nakashima of Bel Air, Calif., Mrs. Barretto of Dover, sister-in-law of the bride, Mrs. William Whalan of Rockland, the bridegroom's sister, Mrs. James Welch of Hyde Park, another sister of the bridegroom, Miss Shirley Prue of Wrentham and Miss Mildred d. Valle of Natick.

John Eugene Barretto of Dover served as best man for his sister's bridegroom, Maximiano Pedro Barretto, 2nd, of Somerville, another brother of

MRS. ROBERT FRANK SIMS

the bride, Bruce O'Brien of Newton Highlands, William Conlon of Boston, Paolo D'Alessandro of Boston and Edward Gilmartin of North Quincy were the ushers.

The couple left for a Caribbean tour of Jamaica, the Virgin Islands, Haiti and Puerto Rico. When they return they will live in Newton Highlands.

The bride, who attended the Boston University School of Fine Arts, received both her bachelor's and master's degree from the New England Conservatory of Music. She is president of the Boston Alumnae chapter of Sigma Alpha Iota, a professional music fraternity for women, and is a member of the Catholic Daughters of America, Court John J. Williams. She is a well known opera singer.

The bridegroom, a graduate of the Northeastern University School of Engineering, attended the Massachusetts Institute of Technology. His fraternity is Pi Kappa Lambda, and he is a member of the Boston Yacht Club.

Women Voters Favor Long-Range Development Plan For This City

The League of Women Voters of Newton, in a letter sent to Mayor Gibbs, the city's twenty-four aldermen, City Clerk Monte Basbas, City Planner Downe, and members of the Planning Board, have taken a stand for an enlarged, full-time planning department, and a program of long-range planning to replace the present trend of spot-planning.

The Women Voters' organization also indicated a position favorable to organizing a Conservation Commission for the protection and development of the natural resources

of this community.

The letter explained that the local agenda item for the Newton League of Women Voters this year has been, "Zoning Principles and Practices as They Relate to the Future Growth and Development of Newton". The letter in part stated:

"The most significant item on which our members felt strongly was that our city clearly needs an enlarged, full-time planning department. Newton has grown rapidly, particularly during the last fifteen years, and it was felt that not enough land-use planning has been accomplished at the municipal level during this period. For example, in the years 1951-1959 there were thirty-seven separate zoning changes in Newton, a large percentage of which were along Boylston Street. This does not include changes which, for all practical purposes, result from variances, special exceptions and non-enforcement in the same period. A study of the maps indicating these changes plainly demonstrates a lack of long-range planning. All of our study units concluded that a master plan for the city is essential and that an enlarged planning department is needed to prepare a satisfactory plan. Such a plan would also establish a basis which would ultimately result in eliminating and stopping the spread of blighted conditions, improving and making more attractive both residential and business areas and yielding more revenue to merchants and taxes to the city. Some felt that this could be better done under the Urban Renewal Act with Federal Aid.

"It was agreed that, although we must recognize the human factors involved in stricter enforcement of the zoning ordinance, lack

of enforcement should not be continued. Such omission inevitably contributes to the downgrading of the neighborhood, while selective non-enforcement results in discriminations which produce undesirable hardships to the parties affected.

"There is a very strong citizen interest in the preservation of the remaining open spaces which are important in preserving the Garden City character of Newton. While it is undesirable, and probably even futile to attempt, to stifle the improvement and development of our community, we must not permit construction to go forward without coordinated and thoughtful planning on a city-wide basis which can lead only to the slums of tomorrow. In addition, we should take advantage of existing urban renewal legislation and financial assistance. Upgrading of several blighted areas should be encouraged. Historical areas should be preserved. Such actions would produce benefits for the entire city.

Very truly yours,
Evelyn Alintuck Berman
(Mrs. Herbert L. Berman)
Chairman, Zoning Resource Committee

Hadassah Of Oak Hill To Meet May 10

The Oak Hill Group of Hadassah will climax the season with a musical installation of officers on Wednesday, May 10th at Meadowbrook Junior High School, Newton Centre at 8:15 p.m. with Mrs. Joseph Soltz presiding and dedicated to Life Membership. The installing officer will be Mrs. Irving Uretsky, co-ordinating vice-president of Boston Hadassah; Mrs. David Karas will be the accompanist.

Elinore Greene, dramatist, will present a varied interpretation entitled "Little Theatre" Mrs. Greene is a graduate of Emerson College and member of the Margaret E. Richardson Concert and Lecture Management, and is associated with the Flora Frame Lecture Bureau as a dramatic interpreter.

Hostesses for the evening will be Mrs. Richard L. Rose, life membership chairman, and Mrs. Henry Adelman, program chairman.

Oak Hill To Register At School May 9

Parents of the Oak Hill School may register children for the September 1961 kindergarten classes on Tuesday, May 9, between 1:30 and 3:30 p.m.

All children who will be five years old on or before January 1, 1962 are eligible for registration.

Parents are requested to bring with them the child's birth certificate, verification of vaccination, and records of all immunizations.

Beethoven PTA Meets Monday

Beethoven School, Waban will hold a P.T.A. meeting on Monday evening, May 8th at eight p.m. in the school auditorium. The speaker will be Harry W. Dworkin, director of Children Service of the Jewish Family and Children Service.

Mr. Dworkin will discuss and present a film entitled "SHYNESS." This film portrays shyness in children, its causes and how through a greater understanding by parents and teachers, this problem may be dealt with.

The Beethoven School P.T.A. cordially invites all who are interested in this program to come to the school on May 8th. Following the film and discussion, refreshments will be served by the hospitality committee.

ALICE AGHABABIAN

\$400 Scholarships To Two Students By Woman's Club

Two talented, young Newton students, Alice Aghababian and Mary Elizabeth Eames, were named recipients of a \$400 scholarship each at the annual meeting of the Newton Centre Woman's Club held recently at the clubhouse.

Both girls, who will be graduated from Newton South High School in June, were honored at a luncheon preceding the meeting. Mrs. W. Donald Boyd, chairman of the Education Committee, made the introductions.

Miss Aghababian, of 13 Parker Avenue, Newton Centre, will attend Boston University School of Education in the fall. In high school she maintained a high scholastic average, and was active in extra curricular activities. She was co-editor of the year book, student office secretary, and a member of the civics committee, Leader corps, and social committee. Miss Aghababian also has been active in church work as a Sunday School teacher and as Education Director of the Somerville Chapter of the Armenian Youth Federation.

Miss Eames, 949 Chestnut Street, Newton Upper Falls, has been accepted at the Boston College of Business Education, where she will study to become a medical secretary. Miss Eames also has good scholastic standing. In high school she was a member of Outing Club, the Rally Committee, and Girl Scouts. Active in church work, she has served as vice-president and secretary of the Junior Catholic Daughters Court, and until recently has been employed at the Newton Wellesley Hospital as an aide.

At the annual meeting following the luncheon, the following officers were elected: Mrs. Leroy Faulkner, president; Mrs. Peter Janis, vice president; Mrs. Alfred Davenport, recording secretary; Mrs. Russell Harding, corresponding secretary; Mrs. Walter Morehouse, treasurer; Mrs. Albert Marshall, assistant treasurer.

Committee chairmen are as follows: Mrs. Earle Wood, devotions; Mrs. Lyman Beggs, hospitality; Mrs. George Samoylenka, ways and means; Mrs. Paul Leighton, membership; Mrs. Earl Ordway, missions; Miss Anne Bunker, remembrance; Mrs. Philip Stoner, transportation; Mrs. Anne Everett, mission sewing; Miss Jane Wyman, publicity and telephone; Mrs. George Davis, representative to Newton Council of Churches; Mrs. James Dunlap and Mrs. Peter Janis, program.

Auburndale Citizens Group Supports Norumbega Plan

Members of the Auburndale Citizens Committee today announced their support of a petition to rezone the Norumbega amusement centre in order to make possible the construction of a proposed \$35 million development by the Newton Corporation.

William E. Halliday of 222 Islington rd., Auburndale, chairman of the group and its spokesman, declared the committee had endorsed the project after studying all phases of the proposition, including the financial capabilities of Peter J. Kanavos, president of the Newton Corporation.

Halliday cited that the development not only would yield at least \$1 million in taxes each year for the city, thereby lightening the tax load for other Newton residents, but would also offer new employment opportunities for many Newtonites.

"Individually, we have been working quietly in the background," Halliday stated, "presenting the true facts to the

citizens who have volunteered their support of the Norumbega program. We have also been joined by more than 2000 residents and businessmen from every section of Newton. They feel that this magnificent \$35 million development will add immeasurably to the beauty of our Garden City while contributing more than \$1 million annually in tax revenue."

"Few residents of Newton realize," Halliday continued, "that Norumbega has been a privately owned amusement center for the past 60 years. It is not owned by the city or the state. With the continued decline of this type of entertainment facility, it is no longer a profitable enterprise and of a necessity must be discontinued."

"Currently, Norumbega pays \$18,000 a year in taxes. If the area is rezoned, however," Halliday emphasized, "it will yield the City of Newton over \$1,000,000 each year in property taxes, as well as additional hundreds of thousands in poll taxes, excise and personal property taxes."

"Furthermore the purchasing power of the individuals living or working in the new development will insure a tremendous increase in business for all Auburndale merchants, as well as other shopping centers throughout the city."

"We are also impressed by the fact that if the Board of Aldermen vote favorably for the rezoning of Norumbega, more than 2000 jobs will be created for Newton citizens. Not only will positions be open to Newton citizens during the period of construction of this great development, but permanent positions will also become available to them after it is completed — positions at the proposed new 200 unit suburban hotel, in the six modern apartment buildings, in two executive office buildings and in the maintenance of the surrounding property."

"Since the Newton Corporation and Mr. Kanavos engaged nationally recognized authorities in every phase of the program to study and evaluate the most appropriate and best use of the Norumbega land, it is impossible for people such as Mr. Jackson and Mr. Hillman to attack realistically the technical aspects of the program. Therefore, they have taken refuge in character maligning. Yet, they have not undertaken, as has this Committee or the Newton Chamber of Commerce, to check into the background of Mr. Kanavos. If they, as we did, had checked with a long list of institutions, nationally known insurance companies, mayors of large metropolitan cities, selectmen of several towns, industrial commissions, and prominent businessmen, they would have found, as we did, that he is a man of vision, imagination and foresight."

"Newton is indeed fortunate to have a man of his character undertake the developments of Norumbega — a man who has been recognized for his achievements in not only Greater Boston and Massachusetts, but who has also been praised nationally by such publications as the Wall Street Journal."

"Any interested Newton resident or businessmen," Halliday asserted, "should check personally with this Committee as to Mr. Kanavos' achievements and stature among the financial institutions or go directly to see his developments in Marlboro, Dedham, Virginia, Florida and other parts of the country."

"The recent allegations of Mr. Jackson that the Norumbega hearing on April 10 was packed by the Newton Corporation is entirely false. We have in our possession an entire list, with license plate numbers, of the proponents of the plan who attended the hearing. We also have a list of more than 500 Newton residents to whom invitations were sent to attend the hearing. Some of these included Newton residents who drove to the hearing in cars registered to their business firms outside the city."

"If the meeting was packed, it certainly was not done by the Newton Corporation. If the meeting was packed, it was packed by Newton residents who are interested in the construction of the Norumbega development which would yield the city \$1 million annually in taxes and by so doing lower the tax bills they must pay each year on their homes. Most Newton residents regard this added revenue as a matter of vital importance when the city's tax rate is mounting year by year because of increased cost of government."

"Even this year, the city is confronted with the prospect of a rise of \$3 to \$4 in the tax rate. The proposed development at Norumbega would provide enough revenue to prevent that increase and even lower that rate. This is one of the many reasons why we believe the development would be good for our city and our neighbors," Halliday concluded.

A MESSAGE OF VITAL IMPORTANCE

to every citizen interested in Newton's Future

The Auburndale Citizens Committee, wholeheartedly supporting the rezoning of Norumbega as proposed by the Newton Corporation, presents the following excerpts from an outstanding report made to the Newton Board of Aldermen by the Business and Development Committee of the Newton Chamber of Commerce.

Business Planning & Development Committee of the Newton Chamber of Commerce

CHAIRMAN

George L. White President, NEWTON-WALTHAM BANK
& TRUST COMPANY

VICE CHAIRMAN

Joseph C. Skinner Vice President, MEREDITH & GREW, INC.

COMMITTEE MEMBERS

Orville O. Clapper President, THE CLAPPER COMPANY
Rev. W. Seavey Joyce, S.J. Dean, COLLEGE OF BUSINESS ADMINISTRATION,
BOSTON COLLEGE
Giles E. Mosher, Jr. Manager, NEWTON-WALTHAM BANK
& TRUST COMPANY
Warren W. Oliver President, NEWTON CO-OPERATIVE BANK
Grenfell A. Swim Executive Vice President, GAMEWELL COMPANY
Richard J. White Vice President, RICHARD WHITE & SONS, INC.
John M. Wilson President, THE UCINITE COMPANY

SPECIFIC CONSIDERATIONS

This endorsement takes into account the following factors regarding the proponent's plan:

- The plan proposed appears to be of high caliber.
- Newton has an existing and expanding need for good quality apartment housing and hotels. The inclusion of office buildings in the project is not objectionable and, from the City's standpoint, will broaden the tax base.
- Located in the middle of the city, high rise apartments of the size proposed could be objectionable. However, the Norumbega location, on the fringe of Newton, is ideal for such structures.
- Particularly, we note with satisfaction the developer's proposal to preserve the natural beauty of the area by relegating to the underground the major part of the automobile parking.
- The traffic problem appears to have received serious attention from the developer and, since these apartments would presumably serve many people oriented outside Newton, the over-all traffic effect on Newton would be minimized.
- The financial contributions of this project to the city would be significant and would thereby assist in accomplishing needed tax base revenue source broadening.
- The provision in the plans for the maintenance of the Little League Ball Park will assist the city in providing for such true recreational needs.
- The inclusion of a walk around the perimeter of the area adds to the attractiveness and places additional scenic facilities at the disposal of the community.

Q. Why can't Norumbega be left as it is for continued use as a playground and recreational area?

A. NORUMBEGA HAS BEEN SOLD. It is not logical to envision the present continued use of the Park and its facilities. As a matter of fact this area has long since lost its recreational importance to Newton, and, through deterioration, already is considered by many in the neighborhood to be objectionable.

Q. Will the proposed project adversely affect property values in the area?

A. THE COMMITTEE FEELS THAT PROPERTY VALUES WILL BE ENHANCED. A project of this sort will do much to save the adjacent properties from being down-graded, for, if the present blight and deterioration of the area is allowed to continue, the impact on property values will be far more severe.

Q. How will this project affect Newton's tax situation?

A. THE TAX INCOME FROM NORUMBEGA PARK HAS BEEN APPROXIMATELY \$18,000 PER YEAR. THE PROPOSED PROJECT, WHEN COMPLETED, SHOULD CONSERVATIVELY CONTRIBUTE TO NEWTON'S TAX RELIEF NEARLY \$1,000,000 PER YEAR.

Q. Will the project complicate the area traffic problems?

A. It is the considered opinion of the Committee that the strategic location of the project, near Route 128, the present Toll Road and the proposed Toll Road Extension permits the conclusion that TRAFFIC PRESSURE ON NEWTON STREETS FROM ALL SOURCES WILL ACTUALLY LESSEN, THROUGH USE OF THE TOLL ROAD EXTENSION.

Q. Won't the project place a heavy load on our schools? Will new school construction or facilities be needed?

A. It should be noted that these apartments are designed as one, two and three bedroom apartments renting for from \$250 to \$750 per month, or an average of about \$450. Tenants are likely to be older adults with grown families. CERTAINLY OF ANY POSSIBLE USE OF THIS PROPERTY, WITH THE EXCEPTION OF INDUSTRIAL, NONE COULD HAVE SO LITTLE A COST EFFECT ON THE SCHOOL BUDGET.

As a public-minded citizen, you owe it to Newton's future to join with the Chamber of Commerce and the Auburndale Citizens Committee in voicing your approval of this magnificent \$35,000,000 program that will yield the city over \$1,000,000 in taxes annually.

CITY OF NEWTON, MASSACHUSETTS PURCHASING DEPARTMENT INVITATION FOR BIDS

Sealed proposals for the General Contract for Revisions to Heating & Ventilating System for the Existing Hyde Schools, Lincoln Street, Newton Highlands, Massachusetts, will be received at the Office of the Purchasing Agent, City Hall, Newton Centre, Massachusetts until 2:30 P.M., E.D.T., Thursday, May 25, 1961, and at that place and time publicly opened and read forthwith. All branches of the work will be included in the General Contract.

All proposals for the General Contract shall be sealed proposals made in duplicate upon forms furnished by the Purchasing Agent or by the Architect. One copy of the proposal shall be deposited with the Purchasing Agent and shall be accompanied by cash, or a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, for the sum of Five Thousand (\$5,000.00) Dollars, payable to and to become the property of the City of Newton as liquidated damages if the proposal is accepted and the bidder neglects or refuses to comply with the terms of the proposal. One copy of the proposal (without bid security) must be filed by the Bidder in the Office of the Comptroller of Accounts of Newton prior to the time stated for the opening of proposals.

Sub-bidders bidding on the work of the sub-trades shall submit their bids on forms provided by the Purchasing Agent or by the Architect. Bids shall be in sealed envelopes endorsed with the title of the work, division of the work for which bid is submitted, and the sub-bidder's name and business address. All such sub-bids shall be filed in the Office of the Purchasing Agent, City Hall, Newton Centre, not later than 2:30 P.M., E.D.T., Thursday, May 18, 1961, and at that place and time publicly opened and read forthwith.

A performance bond and also a labor and materials or payment bond with a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Mayor of Newton, each in the penal sum of the contract price, will be required of the successful General Bidder.

Bid forms, plans, specifications and contract documents may be obtained from Hubbard, Tracey and Blakeley, 177 State Street, Boston 9, Massachusetts, on or after 2:30 P.M., E.D.T., Monday, May 8, 1961, on deposit of \$25.00. Any bidder will be refunded his deposit upon returning the documents in good condition within fifteen (15) days after opening of bids.

Every sub-bid designated in Item 2 of the Bid Form for General Contractors shall be accompanied by cash, or a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Newton. The amounts of such bid deposits shall be as specified in the bidding documents.

Minimum wage rates are established for this project in accordance with G.L., Ch. 149, as amended, and are set forth in the contract documents.

The City reserves the right to waive any information and to reject any or all general bids if it is in the public interest to do so. The City also reserves the right to reject any sub-bids on any item or items in accordance with the provisions of G.L., Ch. 149, as amended.

T. J. FORDE
Purchasing Agent.

Deadly Reckoning

by Robert Day

EDITORIAL

Tragic Death Toll Mounts

The editorial "Will You Be a Recruit" and the accompanying cartoon, "Deadly Reckoning" by Robert Day which was published in The Graphic last Thursday elicited considerable reaction, all favorable, including a congratulatory note from Otis M. Whitney, Commissioner of Insurance for the Commonwealth of Massachusetts. The safety campaign continues today.

We are not concerned with the ages or the sex of the motor car drivers who have chalked up the frightful record of death and injury on our highways. But we are decidedly concerned with the awesome statistics.

Police and insurance spokesmen regrettably point out that each year these statistics show an increase in the ever-growing list of casualties. With the spring and summer weather upon us and the open roads beckoning, we can assume the worst.

The increase in injuries in 1960 was particularly staggering, up 7 percent over the previous year to a total of 3,078,000. Deaths increased by 1 percent over 1959 to a total of 38,000. More than 3,116,000 men, women and children were injured or killed. These unfortunates were just as dead and just as mangled whether the faulty driver, or drivers, were 18 or 58. This dreadful casualty list was compiled solely through a lack of concern for others, through negligence, carelessness and indifference.

This is indeed a chilling reckoning; the suffering and death of these 3,000,000 fellow Americans advanced no cause, served no purpose, taught no lesson, because the major causes of the tragedies remain unchanged.

Almost 80 percent of accidents causing death and injury are the direct result of violations of the rules of the road, excessive speed, driving on the wrong side of the road, failing to yield the right of way and reckless driving.

Our nation cannot afford this tremendous human and economic loss each year. Positive steps must be taken to put a halt to an annual tragic toll. It is not enough to wish that "something be done." It is up to all of us, teen agers and adults, as responsible citizens, to act together to see that something is done. It is not the car that is the killer but the human at the wheel.

Volpe Scored Big Victory In Long Old Colony Fight

Governor Volpe reached his political maturity during the prolonged Old Colony fight on Beacon Hill. For the first time since he assumed office he established himself as a strong leader, and in so doing he won his first real victory in the Legislature.

Volpe not only was able to muster nearly solid support from Republican legislators, but he also succeeded in digging deep into the Democratic ranks and coming out with substantial backing.

Whether this was a true test of Volpe's strength in the Legislature remains to be determined, for he received powerful help from the Boston daily news—HIGHLIGHTS—

Students Take Part In Fair Housing Event

High school students spoke their concern about prejudice and discrimination in school and community last Thursday night, in a special meeting of the Newton Fair Housing Practices Committee. Meeting in the High School auditorium in Newtonville, members and guests saw a movie entitled "Cast the First Stone," and shared in a panel discussion moderated by Edward V. Hickey of West Newton.

On the panel were two high school students, Patricia Deats and Alvin Allan; and two adults, William Jones and Irving Fishman, all of Newton. "What can we do about prejudice in our own community?" and, "Why aren't more people aware that this is a problem in Newton?" were the two questions most

\$17,000 Short Of Goal For Boys' Club Building Drive

The city-wide Building Fund drive of the Newton Boys' Club is operating under a full head of steam with better than \$22,380.12 of the \$40,000 goal reported at the recent finance committee meeting, according to an announcement from Chairman Norman E. MacNeil.

A balance of approximately \$17,000 still remains to be secured in order to meet the necessary funds needed to renovate the new and larger

quarters recently purchased by the club.

Many local groups, clubs and organizations have donated to the worthy cause and with a corps of dedicated volunteers on the job looking for donations, Chairman MacNeil has urged that every board member and worker complete the task at hand as soon as possible.

St. Jean's Roman Catholic Church building has been purchased by the Boys' Club and the current campaign is un-

derway to raise the money needed to renovate the structure to house the added facilities needed for the Club.

Giles E. Mosher, Jr., president of the Boys' Club, announced that the increased facilities will permit the club to accommodate as many as 1200 boys; present facilities handle a membership of 526 youngsters. A full-sized gymnasium, shower rooms and game room will be provided under the renovation plans.

Women Voters Told Of Arms Race Peril To World Peace

"The danger of war exists today independently of the arms race," warned Morton Hadperin of the Harvard Center of International Affairs, speaking at the annual meeting of the Newton League of Women Voters at Valles Steak House last Monday.

Sharing the speaking rostrum with Mr. Halperin, and continuing the discussion of arms control from another point of view, Dr. Paul Deats, Jr., associate professor of social Ethics at Boston University, stated that "the arms race itself will cause us more danger than the political situation it is supposed to protect us from." He went on to say that "such capabilities as we now have become incentives to war."

Dr. Deats warned that nuclear weapons as a deterrent to war are most dangerous. We must be kept at a pitch of hatred and suspicion to keep the system going, he said. He further stated that most of

our nuclear tactical weapons are of the Hiroshima size, simply not useful in situations such as Laos.

Mr. Halperin presented the case for arms control by a graphic description of present-day thermo-nuclear capabilities, and emphasized that the possibility of accidental war today is greatly enhanced by the vulnerability of our retaliatory forces, and our constant alertness to strike in minutes should there be even a suspicion of an enemy attack. He noted that the Soviet forces are on a similar hair-trigger alert.

Mrs. Leopold Beckwith, newly elected president, was chairman of the meeting Mrs. David

Planning Board Kills Needed Zoning Change

A proposed \$1,500,000 apartment building, planned for erection in Newton Centre, appeared to be in serious jeopardy today as a result of the action of the Planning Board in voting 3-1 against a zoning change necessary to clear the way for the new structure.

This means that the change in zoning can be put into effect only if it is authorized by a three-fourths vote of the members of the Board of Aldermen. A two-thirds vote of the Aldermanic Board would have been sufficient if the Planning Board had approved the change.

Mayor Donald L. Gibbs made it plain that he was both surprised and disappointed at the stand taken by the Planning Board but declined further comment on the matter for the present. It was the second time the Planning Board had recorded itself against the zoning change recommended by the Mayor.

When the Planning Board first turned down the petition, members of the Board of Aldermen returned it for further consideration and review. But a majority of the Planning Board remained firm in their stand and voted against it a second time.

The six-story apartment building, with stores on the ground floor, is slated to be built on the present site of the unused Mason School in Newton Centre which Mayor Gibbs has proposed be sold to the Turner Associates for \$177,000. The school would be torn down and the new building erected in its place.

While the surrounding property in Newton Centre is all zoned for business, the school site actually is not zoned for any purpose since it is city-owned property. Hence, it is

Parakeet Is Birdie That Got A Golfer

A Newton golfer, Fred Henshaw, of 458 Winchester Street, enjoyed a round of golf at the Charles River Country Club over the weekend and had a novel experience—a birdie got him. It was a cute little parakeet and he is still holding it while he seeks its owner.

Whamming out a good tee shot, Henshaw came up to the ball and thought it was alive and moving. It turned out to be the parakeet—gazing quizzically at the ball. He probably figured it to be a birdland space ship.

Golfer Henshaw can be contacted evenings at BI 4-3913 if anybody is missing a parakeet

Will Address 2 Conventions Simultaneously

On unusual event in American business will take place on Friday afternoon, May 26th, when Howard J. Richard of Newton will attempt to address simultaneously two conventions several thousand miles apart. While discussing the many complications of selling over a long-distance telephone with several hundred members of the Washington, D.C., Life Underwriters Association, he will be interviewed over a long-distance hookup by a speaker at the Denver, Colorado Sales Congress.

For many years Mr. Richard's average annual production through this medium has approximated \$5,000,000. Particularly intriguing to most members of his profession is the fact that he is able to service and to retain his clientele despite the difference that separates the salesman from his client and despite the fact that he has never even seen many of these people.

Mr. Richard was graduated from the Boston Latin School in 1931, from Harvard College in 1935 and from the American College of Life Underwriters in 1939. He resides at 71 Commonwealth Avenue, Chestnut Hill, with his wife, the former Roberta Welsman, and their four children, Rusty, Dusty, Jill and Jan.

Auburndale Improvement Society Studies Problems

The Auburndale Improvement Society has been reactivated recently to work for projects pertinent to the area and to interest residents in supporting any improvements for that neighborhood.

According to a release this week, the society has been working on a number of projects to improve the village, including the Grove street project, the establishment of improved methods of incineration to relieve the situation at the Pine street dump, as well as the Norumbega Park development and others.

A spokesman for the society pointed out that while the Norumbega development has been highly publicized it is not the only problem being studied by the organization for the improvement of Auburndale.

All residents of the area have been invited to join the society. Those wishing to join are asked to contact the secretary, Mrs. Mildred Wells, 41 Leslie Road, Auburndale.

Officers of the society are: David W. Jackson, president; Verne Williams and William Mark, vice presidents; Allard Valentine, treasurer; Mrs. Mildred Wells, secretary; Stoddard Bigelow, Kentaro Tsutsumi, Lois Young, Donald Kinnach, Edward Carey, Dr. R. E. Sylvester, Willard Bodge, and Payson LeBarron, directors.

necessary for the Aldermen to zone the land for "Business-A" use if the apartment building is to go up.

Although Mayor Gibbs said nothing beyond expressing his surprise and disappointment, other city officials were openly critical of the action of the Planning Board and said they were at a loss to understand the reasoning behind it.

They said that a zoning petition of exactly the same type as that recommended by Gibbs was approved by the Planning Board in 1959. Some of the present Planning Board members voted for the zoning change at that time, it was stated.

One of the reasons the Planning Board action came as a surprise was that the Mayor is merely seeking to place the Mason School site in the same zoning classification as adjoining land.

Whether Mayor Gibbs can muster a three-fourths vote in the Board of Aldermen in support of the proposition is uncertain.

Reports Due On Operation Williamsburg

The 36 young men and women of high school age who comprised "Operation Williamsburg" will deliver a report on their adventure on Sunday, May 21, at the Eliot Church, 474 Centre St., Newton.

"Operation Williamsburg" was the term adopted by the group to designate a sight seeing and inter-community visiting trip through the historic national shrines at Valley Forge, Gettysburg, Washington, D.C., and Williamsburg, Va., by the young people of the Eliot Congregational Church, the Grace Episcopal Church and the Newton Methodist Church.

Under the direction of Mr. and Mrs. Richard B. Salinger of Concord, the group raised \$1722 through paper drives, square dances, concerts, car washes, an original play, food sales and other industrious pursuits with which they financed their own "pilgrimage of understanding."

The group left by bus on April 15 with adult leaders Mr. and Mrs. Salinger, Rev. Arthur A. Rouner Jr., Minister of the Eliot Church, and Mrs. Constance Newall, Director of Religious Education at the Grace Church.

The young people who went on the trip were Jane Anderson, Nancy Anderson, Nancy Appleton, Alice Diman, Fred Davis, Margaret Diman, William Donald, Steven Fields, Richard Garon, Kenneth Gleason, John Draper, Pamela Lovell, Mark Lothrop, Linda Morgan, John Miller, Jon Taylor, Betsey Rich, Marion Theller, Faye Douglas, Bruce Gregory, Ted Henry, Dana Hokanson, James Horn, John Humphrey, Danny McAuliffe, Sidney Marston, Roger Newall, Susan Powers, Sandy Pratt, Wakeley Purple Philip Ruput, Jeanne Saindon, Victoria Seegiltz, Barbara Swanton, Linda Titus, Donald Vogelsang.

Building Drive Nears Finale

The Building Fund of St. John's Episcopal Church in Newtonville, now well over the 3-quarter mark, is expected to reach its final goal soon. The drive, to raise money for the construction of a new sacristy, powder room and youth activities room at the Church, started in April under the direction of Walter B. Chase, 41 Morrell St., Newtonville.

Mr. and Mrs. Chase will open their home tomorrow (Friday) evening to all the Building Fund workers at which time they hope the goal will be virtually achieved.

Public Affairs Summer Seminar Starts In July

Painting, cleaning up, even uprooting a stump at the Newton Community Center will engage the afternoon activities of Newton high school students enrolled in the new Tufts-Newton Summer Seminar in Public Affairs.

Mornings will be spent in the study of current public issues, particularly in relation to Newton, with members of the staff and special lecturers. Time for recreation and a degree of student government are parts of the Seminar. Students will receive full academic credit for twelfth grade social studies and, of course, for college entrances.

The seminar, an all-day program open to boys and girls who have completed the eleventh grade, will have its headquarters in the new wing of the Warren Junior High School from July 3 through August 11. Three members of the high school faculties—A. Donn Kesselheim, housemaster of Beals House; Wayne Altire, chairman of the Department of Social Studies; Bonnie Allen, teacher in the Department of English—are members of a staff headed by Dr. Franklin Patterson, Lincoln Filene professor of Civic Education, Tufts University, and director of the Tufts Civic Education Center.

Father's Night Held At School

Father's Night was held recently at the Mason-Rice School auditorium. A feature of the program was the music provided by the school orchestra under the direction of George A. Napoli. Mrs. Stewart Holmes, president, conducted the business meeting.

During the evening, parents visited with teachers in the various classrooms. Refreshments were served by hospitality committee members, Mrs. E. Goldman and Mrs. S. Shea. Dr. and Mrs. Hyman Alford are program chairmen.

Retired Men See N. Y. State Film

The Retired Men's Club of Newton plans a showing of a color motion picture of New York State—from Times Square to the St. Lawrence Seaway—at their next meeting on Thursday, May 18. The group will gather at 9:30 a.m. at the Newton Highlands Congregational Church.

The last club meeting set a record for attendance with 125 members present to hear Mrs. Dorothy Bates of Auburndale, describe with the aid of color slides the present-day scenes along the Old Oregon Trail to the Northwest.

Club President George A. Morley also announced the purchase of a new public address system to be used at all meetings.

Political Highlights

(Continued from Page 1)

papers in swinging Democratic lawmakers behind the move to establish rapid transit service to the South Shore.

At least for the present, however, Volpe's political stock has jumped substantially.

He refused to give up or stop fighting when the odds appeared rather heavily against him. He sent the same message to the Legislature three different times, and in the end his perseverance paid dividends, and he prevailed.

It was the first time in his administration that Volpe and his lieutenants have operated with any real degree of efficiency. Until a few days ago he appeared to be a lonely and bewildered Republican in a Democratic wilderness.

He changed that picture when he succeeded in obtaining the passage of a bill which former Governor Furcolo had been unable to get through a Democratic Legislature.

That doesn't mean Volpe is going to sweep on to a series of spectacular victories in the Democratic-nominated House and Senate. He isn't. But it does mean that his record is not a complete blank, and it may continue to improve.

Volpe's stature has increased in the eyes of the politicians who have a deep and abiding respect for a Governor who can make his weight felt.

In one sense it was surprising that Volpe had to fight so long and so hard to get something done that was obviously necessary, for there is no question as to the need for rail transportation between Boston and the South Shore.

On the other hand, past Governors tried hard to do the same thing and didn't succeed. It's also somewhat difficult to understand the stand taken by those House and Senate members who voted against having the State exercise its option to buy a railroad line which experts say is worth several times what the Commonwealth will pay for it.

In fact, the State already has spent more money buying time to decide whether it would exercise the option than it will pay for the Boston-Braintree branch of the Old Colony.

Now a question exists as to whether the Legislature will enact the bill sponsored by Governor Volpe to grant the New Haven \$5 million in tax relief over a four-year period in order to help save the road from going into bankruptcy. Volpe will be known in time to come as the Governor who served during a time of transportation crises in Massachusetts, and his future political career might well depend on how he met that challenge.

Foster Furcolo will be remembered as the Governor who fought long and hard but unsuccessfully for a sales tax and who accomplished great improvements in the mental hospitals of the State.

Christian A. Herter before him had a steady effect upon the government of the Commonwealth and had considerable success in bringing new business to Massachusetts.

The late Paul A. Dever launched Massachusetts on its great highway construction program, and the late Maurice J. Tobin and Leverett Saltonstall were wartime Governors, with Tobin placing important social legislation on the statute books.

Each Governor bears some kind of label that marks his administration apart from the others, and for Volpe it is the fact that he has been called upon to meet one transportation crisis after another.

He apparently has produced a long-delayed solution to the South Shore problem, but that is just one small part of the vast picture confronting him.

The New Haven Railroad is teetering on the edge of bankruptcy, and no one is quite sure of what will happen if it goes over the brink. The Bos-

ton & Maine is asking for the same tax concessions which the Governor is recommending be granted to the New Haven. The Boston & Albany probably will not be far behind in advancing a similar request.

A reassuring aspect to it all is that after four months in office Volpe has established himself as a fairly strong Governor. Even one major victory can make quite an impact on the political thinking on Beacon Hill.

Soviet Secrecy Vs. American Publicity

When preparations were being made for the history-making ride into space by Navy Commander Alan Shepard, there was widespread criticism of the advance publicity given the test.

"Why don't we do as the Russians do and talk about it after the flight is completed?" was the question heard on every side. If anything had gone wrong and the experiment had been unsuccessful, that criticism would have been louder and stronger.

When it proved successful, however, the advantage of doing it our way out in the open rather than the Russian way was quickly apparent.

One big difference between Shepard's pilot-controlled flight into space and the supposed space trip of Russian Yuri Gagarin is that the world knows Shepard made his flight because almost everyone saw him do it through the medium of television.

All that is really known about Yuri's feat is that the Russians claim he orbited the earth. Maybe he did, but the Soviet government didn't take the chance of announcing the test in advance and of letting the world watch by television as was done in the case of Shepard.

There probably is some basis for the feeling that at times the United States has looked bad in the eyes of the world because of scheduled rocket firings which fizzled, while the Russians publicized their successes and said nothing of their failures.

That, however, is the difference between the way things are done in a democracy and in a totalitarian state.

Kennedy Birthday Party Will Break All Records

New England's birthday party to President John F. Kennedy to be held at the Commonwealth Armory on the night of May 29 will probably be the biggest and most spectacular affair of its kind ever held in Massachusetts.

Even though this will be partly a Democratic fund raising event, some staunch Republicans will be in attendance, for the guest of honor, while a Democrat is also the President of the United States.

For example, Alvan T. Fuller, Jr., son of a former GOP Governor, is a vice chairman of the dinner committee.

OUR READERS SAY

Save Garden City

To the Editor, Newton Graphic:

It's Spring and the petitions are in bloom again. I refer to the petition on a zone variance coming up on May 23, 1961, at City Hall for 2 1/2 story office buildings on land at Grove Street that is zoned for single residence.

The developer bought it as such, evidently never intending to use it as such. This is the time for the proof of the pudding to be in the eating. The past month or so I have heard public officials, improvement societies, etc., telling of the danger of spot zoning and its implications.

Here is the perfect example, because Jordan Marsh exists on Grove Street it becomes the opening wedge to shove other business ventures in the area down the throats of the residents of Auburndale.

We are being drawn and quartered with toll roads, Rte. 128 relocation, and Norumbega there isn't much left. Don't let Newton, The Garden City become a Garbage City.

Praises Editorial

The Editor,
The Newton Graphic,
Dear Sir:

Please allow me to congratulate you on your editorial appearing in the May 4th edition of The Newton Graphic.

Hundreds of articles have been written on highway safety and I have read many of them.

I believe yours of May 4th was indeed the most effective that ever came to my attention.

Sincerely yours,
Otis M. Whitney,

Percentage of Death

Editor,
Newton Graphic,
Dear Sir:

The cartoon — "Deadly Reckoning" — which accompanied the editorial — "Will You Be A Reckless?" — last week appears to me to have done its share of deadly reckoning.

There is specific reference made to the "more than 27 percent of drivers involved in fatal accidents in 1960 (that) were under 25 years of age." Am I calculating incorrectly by finding 73 percent of drivers involved in fatal accidents in 1960 to be over 25?

If I am correct then let's really "look at the awful record" and the gross injustice carried out against drivers under 25 by various State senators, insurance companies, and newspapers.

Sincerely,
Edward Bogard
9 Warren Terrace,
Newton Centre, Mass.

Editor's Note—According to reliable insurance statistics, the overall record of young drivers improved last year. The breakdown for 45,800 fatal accidents in 1960 is as follows:

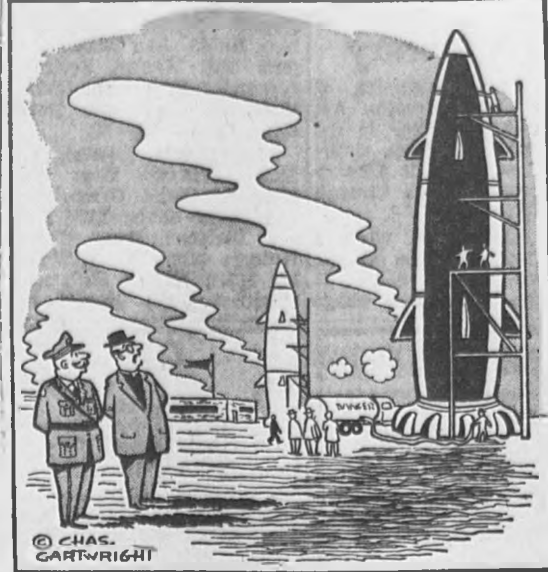

2,010 drivers under 18 years involved for 4.4 percent; 11,120 from 18 to 24 years for 24.2 percent; 30,140 from 25 to 64 years for 65.8 percent; and 2,520 from 65 and over, for 5.5 percent.

Boston Senior Ball Club Now Seeking Games

The crack South End Town Team, a senior baseball aggregation made up of ex-Boston High School stars, is looking for Saturday and Sunday games, either home or away.

The team has several open dates and is interested in scheduling games with senior and young adult clubs in this area. Interested team managers are asked to contact Mel King, South End House, 49 Rutland Street, Boston, or call him at KE 8-9323.

Headlights and Highlights From Newton High School

By FRANCES WITTY

Newton High School is returning to its normal routine after last Wednesday's successful Bermuda Day. Students wearing a tag and Bermuda shorts displayed their support of the N.H.S. foster child.

Maria Cazella, a young Italian apprentice dressmaker, is the N.H.S. foster child. This year, N.H.S. students have heard little about the child. Hopefully, the letters from Maria will receive more publicity in the future.

At Friday's meeting of the Associates Council, Pete Sahlin, president, announced the results of the recent spring election. The 1961-62 Associates Council officers are: Richard Salter, president; John Watts, vice-president; Jayne Maloof, secretary; Peter Resnick, treasurer.

Officers of the class of 1962 are: Kenny Smith, president; David Andrews, first vice-president; Susan Anderson, second vice-president; Sonny Gratto, secretary; Karen Manners, treasurer. Senior Representatives to the Associates Council are Pamela Huberman, Janet Merrill, Allan Ryan, and Robert Spinner.

The newly elected Junior Class officers are: Tom Mechem, president; John Rosenberg, vice-president; Annette Kasabian, secretary; Sue Ferguson, treasurer. Ginny Hagelstein, John Manners and Jim Shane are the representatives-elect to the Associates Council.

Last week, the final PTSA meeting of this school year

College Club Life Members Party May 13

Mrs. Irving Geltman, of Newton Highlands, chairman of the Life Membership Party of Jewish Women's College Club, has announced that the event, open to life members only, will be held at the home of Mrs. Saul Fechter, 16 Royal Road, Brookline, on Saturday, May 13, at 2:30 o'clock.

Mrs. Bernard Zonderman, of Newton, will give a book review of "The Second Crucifixion" by Maurice Samuel. Hostesses for the afternoon will be Mrs. Fechter, Mrs. Geltman, Mrs. Simeon Allen and Mrs. J. M. Levenson.

Symphony Youth Concert Series Aided in Newton

Three Newton women are on committees supporting the Saturday morning Youth Concert Series at Symphony Hall. Mrs. I. Helman and Mrs. N. Blaiski are Newton ticket chairmen. They are assisted by the Creative Arts Committee of the P.T.A. Council. Mrs. Julian Sobin is a member of the general committee.

The concerts, sold out for the past two years, are conducted by Harry Ellis Dickson who leads sixty members of the Boston Symphony Orchestra in two series of three concerts each. The first series is scheduled for Nov. 4, Jan. 6 and Mar. 3. The second series for Nov. 11, Jan. 13 and Mar. 10.

GOP Women Plan Bridge, Canasta Parties

Dozens of Newton homes will be opened for bridge, canasta and scrabble parties next week as the Newton Women's Republican Club kicks off a fund-raising drive for the Club's 1961 projects.

The parties will be held on different days and at different hours to assure maximum attendance. Prizes for each table will be supplied by the Club and refreshments will be served by each of the hostesses.

Everyone is invited and reservations may be made by calling any of the following:

Mrs. Carleton F. Merrill, 15 Newtonville Ave., Newton, BI 4-2421; Mrs. Richard H. Lee, 107 Mt. Vernon St., Newtonville, LA 7-0284; Mrs. Alfred O. TOUGH ON PITCHER — The most tantalizing curves of a baseball pitching ace could hardly match up with the ones behind the bat as this pretty foursome rehearses for a skit at the annual Spring Meeting of Greater Boston Association for Retarded Children. Left to right, Mrs. Abby Frank, Mrs. Lois Levites, Mrs. Sally Swartz and Mrs. Carol Kendall.

Retarded Children Benefit From Annual Meet May 17

The Friends of the Greater Boston Association for Retarded Children, the state's largest women's voluntary organization on behalf of mentally retarded children, will stage its annual Spring Meeting, Wednesday afternoon, May 17th at the Pine Brook Country Club.

Over one thousand Greater Boston women including many from Newton, are expected at the annual event to be highlighted by a "Petit Musicales" produced by Lee Daniels and performed by members of the Friends of BARC.

Guest speaker will be Dr. Thomas A. Kelley, BARC president. A program feature will be showing of the documentary film "Tuesday's Child."

Spearheading the luncheon are Mrs. Hugh D. Stone, general chairman, Mrs. Robert Goodman, musicale chairman, and Mrs. Arthur Handler, chairman of the drawing, all of Newton; Mrs. Robert Weller of Brookline, scenic designer and Mrs. Shirley Finkel of Newton, choreographer; and Mrs. Irving Groper of Chestnut Hill, president of the Friends.

The Spring Meeting is one of a series of year round events sponsored by the Friends of BARC, a fund-raising and service auxiliary of the Greater Boston Association for Retarded Children.

The Friends completely subsidize the BARC Vocational Adjustment Center which conducts classes for teen-age and young adult retardates in extensive new quarters at 1108 Boylston Street.

In addition, members of the Friends assist in BARC's nursery, recreational and social training classes.

St. Elizabeth's Guild Selects '61-'62 Leaders

St. Elizabeth's Guild of St. John's Episcopal Church, Newtonville, held its annual meeting at the home of Mrs. Clyde V. Hicks in Natick last week where the group elected the following officers for the coming season:

President, Mrs. Eaton Webster; Vice-President, Mrs. James McMahon; Recording Secretary, Mrs. Wesley Restall; Corresponding Secretary, Mrs. Elmer King; Treasurer, Mrs. William S. Baker.

On her election Mrs. Webster appointed Mrs. Riley Hampton in charge of devotions, and Mrs. Stanley Griswold chairman of membership and hospitality.

Responsible for the monthly program will be the Mesdames John Knoblock, Harold Rice, E. Lee Gamble, Walter B. Chase, Stanley Griswold, Clyde V. Hicks, Wesley Restall and Morrell F. Goodwin.

Memorial School Holds Registration For Fall

Memorial School, Newton Centre, will hold registration for September kindergarten classes on Tuesday, May 16, from 1:30 to 3:30 p.m., according to an announcement by Principal Olive F. Eldridge.

All children who will be five years old on or before January 1, 1962, are eligible. Parents should bring the child's birth certificate and vaccination and immunization records.

University Women Hold Spring Session at Tufts

Mrs. Raymon W. Eldridge, of Newton Highlands, president of the Massachusetts Society for the University Education of Women, presided at

the Spring Meeting of the Society last Saturday, at the Bouve-Boston School on the Tufts University campus.

Dr. Minnie L. Lynn, Director of the School, and immediate past president of the American Association for Health, Physical Education and Recreation, spoke on "All Learning in Transition."

The Society has, since 1876, helped young women to secure a college education by giving loans and scholarships; student receiving aid this year are at Boston University, the University of Massachusetts, Tufts, Simmons and Radcliffe.

Other Newton residents interested in the success of the meeting were Mrs. George R. Brett of Waban and Mrs. C. A. Jordan of West Newton, Directors; Miss Mary K. Taylor of West Newton, Life Member; Miss Inez M. Atwater of Auburndale; Miss Katherine Bacon of Newton Highlands; Mrs. Frank E. Barton of West Newton; Mrs. A. Howell Brewster of Newton.

Also, Mrs. William Fitts Carlson of Newton Centre; Mrs. Harry W. Dunning of Waban; Mrs. Fred T. Field of Newton Highlands; Miss Beverly L. Hallan of Auburndale; Miss Ethel Ham of Newtonville; Mrs. Vinton O. Harkness of Waban; Mrs. Delbert L. Jackson of Newton.

And, Mrs. A. A. Jordan, Mrs. Gordon Joslin and Mrs. Edwin L. Kautz of West Newton; Miss Holly B. Lee of Newtonville; Mrs. Elmore I. MacPhie, Miss Ruth Paul and Mrs. Norman J. Peskin, Sr., of West Newton; Mrs. James H. Rogers of Waban; Mrs. Francis A. Rugg of Newton Highlands; Mrs. Lucius E. Thayer of Newton, and Mrs. Shields Warren of West Newton.

Presides Over Spring Meeting At Washington

Harvey C. Krentzman, president of Advanced Management Associates, 39 Old Colony Road, Chestnut Hill, will preside at the spring meeting in Washington, D.C., Friday and Saturday of the Association of Management Consultants.

On Saturday morning he will conduct a session on "Small Business Management Teaching and the Consultant."

Mr. Krentzman established and directs the Northeastern University workshop for owners and managers of small businesses. It was the first of its kind in the nation.

He was a founder of the Association in 1959. It was formed as a non-profit organization to assure professional performance by management consultants to industry and business.

Mozart Festival Plans Shaping

Among the many Newtonians concerned with the growth of the activities of The Mozart Festival Orchestra, are Mr. and Mrs. Lawrence Belden of 130 Ridge Street, Mrs. Doris Rabinowitz of Bow Road, and Dr. Karl Geiringer of 14 Park Place.

To help celebrate the recent incorporation as a nonprofit organization, Mr. and Mrs. Belden gave a dinner party for conductor Baird Hastings and Mrs. Hastings.

The Artistic Committee of The Mozart Festival Orchestra is arranging for the organization to present an all-day colloquium dealing with various elements of eighteenth century style.

Persons interested in learning more of the wide scope of activities of the Mozart Festival Orchestra are invited to write to The Mozartium on the Quay, 51 Commercial Wharf, Boston 10.

FBI Training School Classes At City Hall

The War Memorial Wing at Newton City Hall is being used this week for the fourth Session of the Investigative Training Schools for Law Enforcement officers of Massachusetts conducted by the FBI. The session began Monday and ends tomorrow.

Accommodations at Newton City Hall were made available by Mayor Donald L. Gibbs and Police Chief Philip Purcell handled the arrangements. Included among areas of discussion are police records, reports, searching techniques, evidence, interviews and statements, development and utilization of informants, preparation of cases for trials and investigative direction.

Local Students Have Roles In College Musical

Richard J. Blue, 18 Kendall Terrace, Newton, will play the male comedy lead in the Silver Masque musical production of "Good News" at Northeastern University's Alumni Auditorium Friday and Saturday nights, May 26 and 27, at 8:30 p. m.

The Silver Masque is the student dramatic society at Northeastern, and is affiliated with Alpha Psi Omega, the national dramatic honor fraternity.

Blue will play the part of Bobby Randall, happy-go-lucky college student in the era of the "roaring twenties."

Married to the former Mary C. Ayres, Blue is a senior English major in Northeastern's College of Liberal Arts, one of the University's seven schools and colleges.

He is employed on his co-operative educational assignment as an interviewer with Rogers & Sands Employment Service, Boston.

Blue is also President of the Silver Masque and a member of Phi Beta Alpha fraternity, one of the ten Greek letter fraternities at Northeastern operating a program of service to social and community organization, in addition to being active in University affairs.

Also appearing in the musical, will be Henrietta McKee, 1840 Centre Street, Newton, a 1959 graduate of Northeastern, and a winner of the 1961 New England District Chatham Hall Opera Workshop Scholarship Auditions.

Thirty-Three Experts To Be Featured At PTA Conference

One of the outstanding events in educational circles in New England this spring will be the Newton PTA Council Conference to be held at Newton South High School next Thursday, May 18.

Entitled "The Revolution in Education" it will feature thirty-three experts in education from the United States and foreign institutions taking part in seven workshops.

Three prominent speakers also will set the tone for the evening in dinner addresses. The workshop will concern

themselves with these topics: (1) How should public education be financed? (2) How can we attract, develop and keep good teachers? (3) Can education bridge the gap between society and the sciences? (4) Changing techniques: Is the method of presentation the key to understanding? (5) Parents and school: What is the parents' role? (6) How can we strengthen the links between elementary, secondary, college and adult education? (7) How do educational systems function in other countries?

These workshops are open to all members of the public in Newton and the entire metropolitan area. Final registration will be on the night of the conference between 8:00-8:15 p.m. Those wishing to attend the dinner at 8:30 p.m. as well as asked to contact Mrs. William Farrell, 39 Grove Hill Park, Newtonville. Woman's Union Elects Officers

Officers for 1961-62 were elected at the annual business meeting of the Woman's Union of the First Baptist Church in Newton, Newton Centre, last week. Elected were:

President — Mrs. James H. Burns.

1st Vice-President — Mrs. Leland Maxwell.

2nd Vice-President — Miss Esther Winslow.

3rd Vice-President — Mrs. H. Francis Jonsberg.

4th Vice-President — Mrs. Wilfred Esty.

Recording Secretary — Mrs. Alexander Wallace, Jr.

Corresponding Secretary — Mrs. Wallace W. Morse.

Treasurer — Miss Marion Wheeler.

Auditor — Miss Margaret Davis.

Directors elected were:

Mrs. Dexter Whittinghill — Representative to the Woman's Auxiliary of the New England Baptist Hospital.

Mrs. Gifford Hartwell — Representative to the Woman's Auxiliary of the Baptist Home of Massachusetts.

Mrs. W. Donald Boyd — Representative to the United Church Women of Newton.

Twenty-seven other women were named to committee chairs and circle leaderships.

After the luncheon, Mrs. Ralph A. Sherwood led the devotion and dedication service of new officers.

The Andover-Newton Drama Society, under the direction of Rev. Vincent de Gregoris, presented "The Prodigal Son".

In addition to Rev. de Gregoris, players were Mrs. de Gregoris, Reginald Martin and Larry Baker.

The leading male role of Eugene will be portrayed by a newcomer to the group, Michael Kagan, a 17 year old high school student who has performed not only in school plays, but with the Loeb Drama Center at Harvard and the Ogunquit Playhouse. Mrs. Josephine Lane who was outstanding in the production of "Tender Trap" will take the part of Eliza Gant.

Three men fresh from the excellent production of "Stalag 17" last fall are: Jerome Gershman who also starred as Stanley in "Streetcar Named Desire", Gabe Shapiro, well known in non-professional groups locally, and Arnold Barron who will play Hugh in his second appearance with the Country Players.

Handling the important female roles will be Mrs. Harriet Wilson, who besides acting has just completed a fabulous job of directing Temple Mishkan Tefilla's Forum Folies of 1961, "Bean Town, U.S.A.", Mrs. Betty Thorne, who as Helen will once more turn in another good portrayal, and Mrs. Eleanor Zaffron, a new and capable member. All is under the direction of Jerry Hermanson.

Tickets are being sold by members of ORT and Histradut or will be available at the door for 8:30 curtain.

The assessment for this type of house has created a new field for the assessors," according to the report. "The long-established concepts of obsolescence and depreciation are not being reflected in sales prices."

The report cited that the city's real estate assessments have jumped 70 per cent since the end of World War II. There was an increase of \$108 million in assessments during the past 15-year period, chiefly due to some 6,000 new dwellings constructed. The demand for new homes has been limited only by scarcity of land.

Orangemen Cop League Lead With 12-2 Win

Newton High School roared into the Suburban League lead Monday with a solid 12-2 victory over Cambridge Latin. The win set the Orangemen a half-game ahead of Brockton as the Shoemakers were dropping a surprise decision to Brookline. Newton now boasts an 8-2 record against Brockton's season total of 7-2.

Late last week the Orangemen picked up wins over Brookline (11-6) and Newton South (6-1).

Newton South's Lions had a poor week last week with the aforementioned loss to their inter-city rivals and the short end of a 5-1 decision to Brockton. This week started off in a more promising fashion though, with the Lions clinching a 3-1 win over Rindge Tech on Monday.

Pythians Name Sidney Small

Sidney T. Small of 77 Halcyon Rd., Newton, was named publicity chairman for the annual convention of the Grand Lodge Knights of Pythias at the Hotel Somerset, May 10-11.

Grand Chancellor Samuel Gaffer, a former assistant attorney general, made the announcement at a recent meeting. Mr. Small is Grand Officer of the Knights of Pythias.

Highlight of the two-day conclave will be a public speaking contest for high school students. The contestants, sponsored by the various lodges throughout the state, will vie for the opportunity to compete in the sectional finals in July and the national finals at Miami, Fla., in August. The eventual winner will receive a college scholarship.

Registration of members, nomination of officers and business meetings were held opening day followed by a banquet for all Pythian members in the evening. More than 1000 are expected to attend.

Church Young People Make Washington Trip

Among several Newton groups making recent trips to Washington, D. C. for sightseeing tours was one comprising young people from the Central Congregational Church.

Congressman Laurence Curtis played host to the young people and posed with them for a picture. They enjoyed the sights of the Capital City and viewed legislative bodies in session.

Mr. and Mrs. Chandler Butler, Mr. and Mrs. Crawford

were in charge of the group which included: John Lucas, Charles Perry, Carol Howes, Jeff Heath, David Andrews, Robert Gibbs, Mary Lou Edman, Elaine Kasaban, Alfred Mills, Judy Conquest, Annette Kasaban, Wallace Lucas, Clifford MacKay, Marle Griswold, William Gath, Tom Tanner, Lynn Riggs, Deborah Davis, Allan Butler, Norma Perry, Ginny Morgan, and Bruce Taylor.

Mr. Smith was the husband of Luise Sinclair Smith who died in 1950. He is survived by a daughter, Mrs. Henry S. C. Cummings of Newton Centre, three grandsons and seven great-grandchildren.

For 70 years he was associated with the Lowell Wrench Co. of Worcester and had been its president for the past nine years. He was founder of the Newton Archers and served for 26 years as an officer of the National Archery Association. For 25 years he conducted archery mail matches in which 100 colleges and over 1,000 archers participated annually.

Substitute Teachers Hold 9th Annual Dinner Meeting

Members of the Newton Substitute Teachers Association held their ninth annual dinner meeting at the Woodlawn Country Club recently. Robert Holmes, distinguished poet, was the guest speaker.

Mr. Holmes is president of the New England Poetry Club and of Boston's Phi Beta Kappa Associates. He is professor of poetry at Tufts University.

Mrs. Rose Dashefsky, president of the association, welcomed the unusually large number of members and friends, including guests from the Newton School Committee, and club officers.

Mrs. Ruth Ring, chairman of the program committee, introduced the guest speaker, Mr. Holmes, who discussed today's poems and poets, and read selections from two of his latest books, "Writing Poetry" and "The Fortune Teller."

Dinner music was furnished by a string trio furnished by Donald March, supervisor of instrumental music at Newton High School. President Mrs. Dashefsky and her committee planned the details of the dinner meeting.

Westwood Gun Club Plans Active Year

The Westwood Gun Club off Route 109 Medfield, near the Dover line, will hold a meeting on Sunday (May 14) at 2:30 p.m. for all who may be interested in trap or rifle shooting. Anybody, either as a prospective beginner or experienced competitor may attend. Pistol and archery have already had their meetings, but non-members who lean toward these activities will be welcomed at the clubhouse on Saturday morning, May 13.

The Westwood Club has a complete program for the shooting and field sports, from air rifle to Olympic shooting, including Junior Corps and Hunter Safety. An excellent social program rounds out the picture, with sports movies, dances, banquets, barbecues and clambakes. Further information may be had by calling Don or Arlene Berry at EL 9-2298, or Gay and Ethel Townsend, FA 5-0059.

Oak Hill Park Association To Present Revue

The members of the Oak Hill Park Association will present "Matilda's Follies" at Memorial School for three nights, Wednesday, May 10, Friday, May 12 and Saturday, May 13, at 8:30 o'clock.

This is an original musical revue written by Peter Powers, produced by Beverly and Peter Powers and Phyllis and Frank Sawyer. It is under the direction of Edward Sostak. The choreographer is Selma Freed and the choral director is Natalie Fader.

"INTERNATIONAL GROUP" MEETS—Daniel Marvin, standing, is describing native handicraft from Thailand to members of the "International Group" at recent meeting. Students in photo, seated, first row, David Mook, Girair Demerdjian, Rosalie Phillips, Faith Farre, Harriet Bickelman, representing International Girl Scouts; second row, Jean Berman, Renee Reed, Jane Lovelock, Diane Balcom; third row, Cathy Riu, Gail Esquivel, Nelly Gill, Lorna Laughland (partly hidden), Susan Leary; fourth row, Marcia Mardone, Eileen Millane; alongside, Nesmith Ankeny, Don Golosacco, Soren Olsen, Elio Volante, Varoujan Demerdjian, Paul Epi and Joe Racalbutto.

26 Students Who Have Studied Abroad Form Unique Club Here

Group" has been formed at Weeks Junior High School with its members, twenty-six students who have studied in foreign countries, agreeing that "it's a small world after all."

The idea of the student club was conceived by Miss Mary Hines, of the Weeks faculty, who decided that the boys and girls would derive considerable benefit from holding meetings and swapping experiences, and highlights, of their lives in several overseas nations.

The first gathering of the youngsters met with complete success and regularly scheduled meetings are now the order of the group.

Members of the "International Group" include: David Mook, Girair and Varoujan Demerdjian, Nesmith Ankeny, Don Colasacco, Rosalie Phillips, Faith Farre, Harriet Bickelman, Jean Berman, Renee Reed, Soren Olsen, Elio Volante, Jane Lovelock, Diane Balcom, Paul Epi, Joe Racalbutto, Cathy Riu, Gail Esquivel, Lorna Laughland, Daniel Marvin, Marcia Mardone, Eileen Millane, Nelly Gill and Hermine Yagmourian.

Some of the students are native Americans whose parents lived abroad as missionaries, students, armed services or government personnel and exchange teachers; others are foreign born whose parents have settled in the United States or are students, teachers or in the diplomatic service.

At a recent meeting of the International Group, Daniel Marvin showed slides and told of some of his experiences while his father was a missionary in Thailand. He described the means of transportation in different areas; ox-carts are commonly used in some areas; in others, travel is principally by water or bicycles.

Public transportation is by train and bus. Buses have wooden bodies built by the Thais and chassis imported from the United States. The trains have wood burning engines.

In Bangkok, a city of canals, people live on houseboats and shop at floating markets. While mothers keep house

aboard houseboats, they keep their young children tied to their ankles to keep them from falling overboard. Because of floods, school vacations last from the middle of March through the middle of May.

Daniel displayed some native handicraft, including an elephant hand carved by Thai victims of leprosy. With government aid, lepers are being taught useful skills previously thought impossible because of deformities caused by the disease.

Members of the International Group attended school in England, Denmark, Austria, Morocco, France, India, Spain, Italy, Norway, South Africa, Greece, Lebanon, Sweden, the Philippine Islands, Switzerland, Thailand, and Sicily.

Rotarians Hear Newton-Wellesley Hospital Director

William S. Brines, Director of the Newton-Wellesley Hospital, addressed the noon meeting of the Newton Rotary Club on the impact of government on the cost of community hospital care last Monday.

In his talk he described some of the areas in which lack of government help has contributed to high hospital costs "in an era when many look to government as a means to hold down hospital costs."

He cited nursing and training problems, payrolls, reimbursement of costs and described minutely the community hospital set-up as opposed to the government operated institution.

"Music Week" Marked By Carr School PTA

In observance of "Music Week", the Carr PTA enjoyed a program highlighted by Bill Bonyan's entertainment of the children last Wednesday morning and the parents at that evening's PTA meeting.

Folklorist, Bonyan declared that "folk melodies are elemental and the most natural way of expressing oneself, also by far the best way of expressing an idea." It is for this very reason that they can easily be tied in with our youngsters' studies. Furthermore, "ballads come from the heart," said Mr. Bonyan.

J. Kenneth LaFlamme, Carr School principal, Mrs. Wise and Mrs. Rosenblum of the Program Committee, Mrs. Aronson and Mrs. Libon of the Creative Arts Committee, also those versatile Carr School teachers helped turn Music Week at Carr into a spectacular and thrilling pageant.

Preceding Mr. Bonyan's performance was a brief business meeting at which Robert S. Burkhardt, Carr PTA president introduced the Commissioner of the Norumbega Boy Scout Council who came to the meeting in order to present the Cub Pack charter to Eugene Salamoff, the Carr cub-pack's scout master.

Also, Mrs. Aronson of Creative Arts Committee was asked to depict the Creative Arts Center's 4 week summer program fostering four major interests, namely Art, Dance, Drama and Music.

The evening was climaxed by a social hour at which refreshments were served by Mrs. Greenside and Mrs. McKenna. The largest attendance prize went to Mrs. O'Reilly's second grade class.

Students Will Model Clothes At College Show

Twenty-seven students will model clothes made during the year in the home economics course at annual Spring fashion show at Lasell Junior College on Tuesday, May 23, at 11:30 a.m.

Theme of the fashion show will be "Show Stoppers." The general public is invited to attend the show which will be held in Winslow Hall on the college campus in Newton.

Four colorful scenes will be used for backgrounds for the models. These include "South Pacific" for sports clothes, "Carousel" for casual and afternoon attire, "Leone's" for dinner fashions, and "My Fair Lady" for formal and evening styles.

A committee of 16 students is busy with the details for the production of the show. Miss Barbara Ballet, home economics dept. instructor, and Miss Margaret Wether, dramatics instructor, are co-ordinating the show.

Laurel MacDougall, daughter of Mr. and Mrs. Collin F. MacDougall, 27 Timson Path, Newton Centre, is a member of staging and props committee.

Dance Parties Finish Season

A series of parties will close the second semester of the social dance program sponsored by the Newton Recreation Department. The classes, conducted in the City's eleven elementary schools, are part of the Neighborhood Center Program and stress not only the teaching of dancing but also the training of boys and girls in the essentials of social etiquette, manners, poise and grace.

Parents and teachers of the 500 children enrolled in the program have been invited to attend the parties. All will start at 3:30 p.m. except for the Emerson School fifth grade class which will start at 2:15. The parties will be held on the following dates:

Newton Chorus Spring Concert Sunday, May 21

The annual spring concert of the Newton Chorus will be held on Sunday, May 21, at 4 o'clock in the auditorium of Newton South High School on Brandeis Road, Newton Centre.

The Chorus, assisted by the Newton High School A Cappella Choir, will present a varied program, including selections by Bach, Morak, and Randall Thompson.

A feature of the program will be orchestral music by members of the orchestra of the combined high schools. Patricia Humphrey of the senior class will be the soloist in Haydn's Piano Concerto. The program will include one of the Brandenburg Concerti, in which Christina Olton will play the violin, Jane Kaplan the piano, and June Marie Trapp the flute.

The Chorus will be directed by Geraldine Seaver of the High School Music Department, and accompanied by Dorothy C. Williams and Dorothy Fisher. The orchestra will be conducted by Frances Steiner, Director of Music at Newton South High School.

Women Voters- (Continued from Page 1)

B. Cooper, program chairman, introduced the speakers.

At the pre-luncheon meeting, league members voted for the adoption of three items on the local current agenda. The first item chaired by Mrs. Herbert L. Berman, reads "Zoning — support of improved methods of zoning administration and long range planning in Newton." The second item, chaired by Mrs. Melvin Gordon, is entitled "Library — support of measures to strengthen library service in Newton." Mrs. Douglas Reynolds heads the committee on the third item "Newton Junior College — problems and possibilities."

The slate of officers presented by the nominating committee was accepted as follows: President — Mrs. Leopold Beckwith; First Vice-President — Mrs. David B. Cooper; Second Vice-President — Mrs. Harold Stein; Recording Secretary — Mrs. Proctor Houghton; Directors for two years — Mrs. Stanley Backer, Mrs. Henry Gesmer, Mrs. Melvin Gordon, Mrs. Lester Radio; Director for one year — Mrs. Herbert Berman.

In conclusion a vote of thanks was directed to Mrs. Stanley J. Ebb, Annual meeting chairman; Mrs. David B. Cooper, program chairman; Mrs. Harold M. Luck, cake sale; and Mrs. Irwin Shafer, Invitation design.

Social Action Day Held Today At Temple Here

Social Action Day will be held at Temple Shalom in Newton today, Thursday, May 11.

Principal speaker at the social hall tonight at 8:15 will be Albert Vorspan, director of the Commission on Social Action for the Union of American Hebrew Congregations.

He will address the congregation at large and present the culmination of today's activities.

Mr. Vorspan will join with Rabbi Murray I. Rothman, spiritual director of Temple Shalom, and Frank Bronstein, chairman of the Social Action Committee, in conducting workshops and counseling and formalizing a Social program for the temple.

He attended the University of Minnesota, graduated from New York University and pursued graduate studies at the New School for Social Research. He was assistant national co-ordinator of the National Community Relations Advisory Council for six years, and conducted a field study for the UAHC on the impact of the segregation controversy upon the Southern Jew. He also served as a consultant to the Citizens Committee of Levittown, Pa., during the community crisis which developed when the first Negroes moved into that community.

College Parents To Attend First Annual Week-end

Four local residents will attend Emerson College's First Annual Parents' Week-end, May 12-14. They are:

Mr. and Mrs. William C. Custer, of 275 Lowell Avenue, Newtonville, whose son, Nathan, is a broadcasting major.

Mr. and Mrs. John L. Hynes, of 9 Saxton Road, Newton Highlands, whose son, Edward, also is a broadcasting major.

Mr. and Mrs. Henry Shapiro, of 106 Sargent Street, Newton, whose daughter, Elaine, is a speech therapy major.

Mr. and Mrs. Max Borkum, of 159 Ward Street, Newton Centre, whose daughter, Paula, is also a speech therapy major.

Auburndale Group Backs Planning Board Vote On Vast Norumbega Project

The Auburndale Citizens Committee today issued a statement warmly commending the Newton Planning Board's unanimous vote of approval for the proposed \$35 million Norumbega Park development which would yield the city more than \$1 million a year in new taxes.

Committee Chairman William E. Halliday declared the citizens of Newton "are justly proud of the wise decision rendered by the Newton Planning Board regarding the rezoning of the Norumbega Amusement Centre."

Halliday said the Board's decision "was based on a sound analysis of Newton's current and future growth problems."

"With the exploding population figures projected for the next 10 years, the problem of providing adequate housing, hotel and office facilities for residents is acute," Halliday stated.

"It is a problem facing all metropolitan areas of Boston. Technicians in professional planning circles agree that the situation must be met by well-designed, thoroughly studied concepts for higher density housing in order to preserve the greatest amount of open spaces for public enjoyment."

"In making their decision, the Planning Board members also took into consideration the location of Norumbega, adjoining a vast road network comprising the Massachusetts Turnpike, the Extension, Route 128 and Commonwealth Avenue, Route 30," Halliday continued.

Traffic can be funnelled in and out of the development very easily, eliminating the possibility of congestion if the area were situated in a central location in the city.

"Newton need not take its hat off to any city or town in the entire country, regardless of size," Mr. Halliday stated, "where its schools, recreational facilities, public services, civic officials, or public-spirited citizens are concerned. Where we are lacking, however, is in municipal financing. In Newton we have the highest tax rate per capita for any city in the Commonwealth of Massachusetts, except Boston. Our nearest competition is \$35 below us."

"Newton also has the highest bonded debt of any city in Massachusetts. In other words, we are taxed higher as individuals than any other man, woman or child in the state, and we owe more money than anyone else in the Commonwealth, so all the benefits we are getting we are paying for and paying for very dearly," he said.

"And what is the present outlook for the future? This year the Board of Aldermen

cut the budget by almost a half million dollars of "necessary expenses" in order to limit the tax increase to \$3 or \$4 per thousand. Mayor Gibbs would not sign the budget, and no doubt these items will be restored next year creating an added tax increase and the necessity of reassessments," Halliday asserted.

"Also facing Newton is the prospect of a \$4,500,000 loss from the tax roll of property to be taken by the Toll Road Extension and another \$1,500,000 in relief assessments. Where is the city going to get these fantastic sums of money to replace these losses if they don't approve the \$35,000,000 Norumbega program and similar proposals currently being presented for consideration?"

"Mr. Jackson and others have expressed their willingness to absorb the added hundreds of dollars each year necessitated by increased government costs, but they do not speak for, or represent, the majority of the 92,000 residents of Newton."

"Each and every Newton citizen has a moral obligation to make his choice known. And each citizen has the right to expect and obtain the optimum services and facilities for his tax dollar."

"We feel," Mr. Halliday concluded, "that the Newton Planning Board has rendered an incomparable service to every citizen in Newton by approving, with certain modifications, the entire Norumbega Program. The development not only will yield over \$1,000,000 in tax revenue yearly, it will provide over 2,000 jobs for Newton citizens and create a tremendous economic growth for the entire city."

John W. McLeod New Chairman of Youth Committee

John W. McLeod of 9 Kerr Path, Newton Centre, principal of the Warren Junior High School, has been named the new chairman of the Newton Youth Advisory Committee and Clerk of the Community Council Governing Board according to an announcement today by Dr. Donald E. Bowen, president of the Newton Community Council.

Mr. McLeod, who has represented the Newton Community Center on the Youth Committee, brings 20 years experience as a teacher, coach, counselor and high school principal to his new post. He has been in the Newton school system for the past 11 years.

Hamilton School Fair World Tour

Parents of Hamilton School students enjoyed a world tour within the confines of the school classrooms last week as the children presented a social studies fair. The tour included stops in Mexico, Rome and Pioneer America as the youngsters demonstrated their knowledge of these widely-differing areas. The students also presented a musical program in the school auditorium which was correlated with the social studies theme of the evening.

Newell Club To Install Officers

The annual meeting and 12:30 luncheon of the Newell Club will be held at the home of Mrs. Henry C. Jones, 34 Ruthven Road, Newton, today, Thursday, May 11th.

A short business meeting and installation of new officers, will be followed by a bridge party with White Elephant prizes.

The club sponsored a party for the Peabody Home for Crippled Children last Monday. Gilbert Merrill of Science Park Museum entertained the children, who also were served refreshments.

IT'S A FACT - NOT FICTION!

Many false statements about the Norumbega Program as proposed by the Newton Corporation have been published in the past weeks. The Auburndale Citizens Committee would like to take this opportunity to bring the true facts before the public.

FICTION:

The opponents have claimed the development will yield only \$450,000 in taxes.

FACT:

The \$35,000,000 Norumbega Program as proposed by the Newton Corporation, "which has won the Planning Board's nod of approval," will net the city over \$1,000,000 in taxes yearly. All utilities, including water, gas, electricity, sewerage, and all roads, property maintenance services such as snow plowing, will be paid for by the developer.

FICTION:

Publicity releases emanating from the opposition refer to an apartment, hotel, office building and shopping center complex.

FACT:

Included in the \$35,000,000 Norumbega Program are six apartment buildings, two executive office buildings and a 200-unit suburban hotel. There will be no shopping center. Your aldermen will verify this fact!

FICTION:

The height of the apartment building at Norumbega has been likened to the John Hancock Building, which is 571 feet high!

FACT:

The height of the tallest building in the Norumbega Program is 190 feet.

FICTION:

It has been claimed that the apartment buildings will, in effect, cover 100% of the residential land. This is not only false, it is ridiculous!

FACT:

Newton law regulates the amount of open space in relation to dwelling units and under no condition would allow more than 20% land coverage.

The luxury apartments at Norumbega will occupy only 5% of the proposed residential F zone. The remaining 95% will remain as attractive open space maintained for the public at the developer's expense.

FICTION:

Pseudo-experts among the opposition (who have no market analysis experience) have said it would be impossible to rent these luxury apartments in Newton.

FACT:

A market analysis was made by firms engaged by the developer to determine the rentability and rental schedule of the proposed Norumbega Program. The study indicated substantial availability of prospective tenants for luxury apartments ranging from \$250 to \$550, and definitely a small segment of the market that could afford \$1,000 monthly for a 4-bedroom penthouse.

Since the program has been announced, the developer has received countless inquiries relative to the availability of

these apartments. Prospective tenants include many life-long residents of Newton, semi-retired business executives, well-to-do senior citizens who desire luxury accommodations with a minimum of responsibility... 60 such requests have come from Weston alone!

FICTION:

The hue and cry among the opposition is "the beauty of Norumbega is being destroyed"... (Is a hot dog stand beautiful? Is a dilapidated old building scenic? Is a rubbish covered midway picturesque?)

FACT:

The beautiful open space of the proposed Norumbega, will be open forever to Newton citizens, **FREE OF CHARGE**, 12 months of the year! It is not logical that Norumbega Amusement Center can continue to be operated at a loss; therefore, it will, of a necessity, have to be discontinued. However, a handsome landscaped walkway will be built along the Charles River with winding footpaths and convenient benches for the public. Picturesque bridges to the little recreation island will provide a scenic touch.

The rambling walkway will continue to the pool and cabana area of the hotel and to the secluded marina that will be available to boating enthusiasts from all over Newton.

The Little League field **WILL BE RETAINED**, relocated and rebuilt in a safer location on the site, all at the developer's cost.

The entire area, consisting of about 40 acres, has been designed by master planners and will be maintained, at the developer's expense, by a staff of expert landscape gardeners throughout the year.

FICTION:

In trying to mislead the public, the opposition has referred to a 2,000 car parking garage.

FACT:

To further retain the open space of Norumbega and create a truly luxurious surrounding, the developer has housed 90% of all resident parking in underground garages below the buildings. On the surface, these areas will all be landscaped with velvety green lawns, formal gardens and secluded tree-shaded settings.

The major portion of the parking for the hotel and office buildings will also be underground. There is no "above-the-ground" garage whatsoever.

FICTION:

The opposition has stated that there is no guarantee that the Newton Corporation will build the program as outlined.

FACT:

There are many safeguards the City of Newton will take to insure that the developer will build exactly what is proposed. Some, as in the case of open space, are already written into the Newton laws; others, as deemed necessary, will be imposed on the developer as building restrictions.

As a public-minded citizen, you owe it to Newton's future to join with the Chamber of Commerce and the Auburndale Citizens Committee in voicing your approval of this magnificent \$35,000,000 program that will yield the city over \$1,000,000 in taxes annually.

By Your Congressman LAURENCE CURTIS • 10th District, Mass.

WASHINGTON, May 10—When members of Congress recently attended a formal Congressional reception given by the President and Mrs. Kennedy, it was quickly apparent that the White House was under new management. Gone was the old receiving line which stretched back and forth across the length of the East Room and slowly advanced at the appointed hour to shake hands with the President. This year the arriving guests were not herded into the East Room, but mingled at once in all the public rooms.

The President and his wife moved around together from room to room shaking hands with their guests. This procedure involved a certain amount of crowding around them, but nearly everyone got a chance to shake hands. Most members liked the new procedure. The President and his wife were gracious and handsome hosts.

The interior of the White House is fresh and sparkling since its \$6 million rebuilding at the end of the Truman administration. One of the most attractive portraits is of Mrs. Calvin Coolidge with a large white dog, given a place of prominence as she was the wife of the last President from Massachusetts.

A Soviet official who attended a banquet of young people at which I was present a few weeks ago, received the most enthusiastic applause as the head table guests were introduced. Does the glamor of a Russian man-in-space make some young people forget the realities of the present struggle of liberty against tyranny?

In addressing them I said: "The Soviet bloc nations use

Let's Not Lose It!

When a vast development such as that planned for Norumbega Park is first proposed, there is a tendency on the part of many persons to oppose it because it represents change.

But the time inevitably comes when Newton must ask itself how far it can or should go in resisting change when that change means progress and whether it can afford to sit still and maintain the status quo while time passes it by.

Everything isn't black or white as far as the Norumbega project is concerned. Arguments both for and against the development have been advanced by sincere, well-meaning people who believe their ideas are best for the city.

To an observer striving to reach an objective and impartial appraisal, however, it seems that the advantages which would accrue to Newton from this suggested development far outweigh any disadvantages.

There are those who would like to keep Norumbega Park as it now is. Whether that actually would be a good idea is open to question, but there is no question that it cannot be done, as every well-informed municipal official realizes. Some kind of private development will be erected at Norumbega.

It is extremely doubtful that any plan for the development of Norumbega Park will be presented which would do as much for Newton as the one now pending before the Board of Aldermen.

This contemplated \$35 million development would yield more than \$1 million a year in new taxes. Newton needs that new revenue, for its tax rate has been steadily climbing and seems certain to continue to climb.

The Norumbega project would broaden the city's tax base and lessen the amount of taxes every Newton

Congressman Morse Will Appear On Newton Panel

Congressman Bradford Morse, of Lowell, freshman Republican incumbent from the Fifth District who succeeded the late and beloved Edith Nourse Rogers, will be a panel participant in "Capitol Report" to be featured at the annual meeting of the Newton Republican Club, Wednesday evening, May 24, at the Waban Neighborhood Club in Newton.

Edward C. Uehlein, president of the club, announces that several committees have been appointed to assure the success of the evening program, which will be open to the general public without charge.

Prominent political figures will be starred as panel members to highlight events on Beacon Hill and in Washington. Participants in the panel besides Congressman Morse are Senator Eugene Farnam and Senator Philip Graham. Jerry Williams, radio and TV personality, will serve as moderator. Following the panel discussion, there will be a question and answer period for the audience's participation.

St. Jean's Marks Golden Jubilee

A Solemn Pontifical Mass and a banquet attended by 250 persons highlighted the close of the golden jubilee observance of St. Jean L'Evangéliste Church in Newton.

The Most Rev. Thomas J. Riley, D.D., Auxiliary Bishop of Boston, sung the Pontifical Mass on Sunday afternoon. Prominent clergymen assisted Bishop Riley in celebrating the mass, and others were seated in the sanctuary during the service.

Legislators Forced To Pay For Own Procrastination

Members of the State Legislature were forced to pay the price of their own procrastination when they found themselves in the position where they had to enact a railroad subsidy bill in order to protect the State's option to purchase the Boston-Braintree line of the Old Colony.

As Senate President John E. Powers charged, the subsidy proposal is a fantastic measure which places a premium on mismanagement. Two months ago, it appeared there was no chance whatsoever that the bill would be passed.

Legislator after legislator declared they would not vote to grant public assistance to the New Haven Railroad while it is under its present management.

Yet, circumstances took a turn which caused a number of law-makers to swallow their words and vote for a bill they had denounced. The reason they were placed in this embarrassing predicament was that they failed last year to face up to the Old Colony problem and meet it.

Seven Workshops, Panels Of Experts Feature PTA Conference Tonight

FRANCIS KEPPEL

HASKELL FREEDMAN

DR. CHARLES BROWN

New England educators will center their attention on Newton tonight when the long-anticipated Newton Council of Parent-Teacher-Associations Conference, "The Revolution in Education" is held at Newton High School.

Dinner will be held at 6:30 o'clock with seven workshops, covering a score of controversial subjects, scheduled to start at 8 o'clock.

Principal speakers at the dinner will be Dr. Charles Brown, superintendent of schools in Newton; Haskell Freedman, chairman of the Newton School Committee, and Dean Francis Keppel, of the Harvard School of Education.

The theme, "Revolution in Education" will explore timely questions of finance, science, the means of retaining qualified teachers, as well as other problems pertinent to the maintenance of our educational systems today.

Workshops to be held tonight are as follows: 1. How Should Public Education Be Financed? — 2. How Can We Attract, Develop, and Keep Good Teachers? — 3. Can Education Bridge the Gap Between Society and the Sciences? — 4. Changing Techniques: Is the Method of Presentation the Key to Understanding? — 5. Parents and Schools: What Is the Parents' Role? — 6. How Can We Strengthen the Links Between Elementary, Secondary, College and Adult Education? — 7. How Do Educational Systems Function in Our Country?

Distinguished educators will sit on the panels in these workshops.

Women Voters Gives Views On City Rezoning

Mr. Leopold Beckwith, Mrs. Herbert Berman, Mrs. Joel Leighton, and Mrs. Isidor Slotnik of the Newton League of Women Voters conferred with Mayor Gibbs last week on areas of League consensus on zoning.

The mayor was interested in the Newton League's strong feeling in favor of a master plan for Newton, administered by an enlarged full-time planning department. Mrs. Berman, speaking for the League, pointed out that the lack of a master plan experts random pressures on those concerned with zoning in the city. Mrs. Berman added that the actions taken in this area by the Aldermen, Planning and Zoning Boards have a long-lasting effect on Newton and must be lived with and paid for out

Coveted Trophies And Awards To Youngsters At Boys' Club Dinner

Right Rev. George V. Kerr, pastor of St. Francis de Sales Church in Roxbury, chaplain of the Mass. House of Representatives, and a former All-American football star at Boston College, was the principal speaker at the Seventh Annual Award Dinner of the Newton Boys' Club held at Our Lady's High School cafeteria recently.

More than 260 boys, their parents, Boys' Club board members and guests attended the dinner. Right Rev. Walter J. Furlong, member of the board of directors, gave the invocation. Rev. Robert Goldedge, pastor of the Church of the Messiah in Auburndale, gave the benediction.

Other speakers at the dinner included, Giles E. Mosher, Jr., president of the Newton Boys' Club, Carleton P. Merrill, member of the board of directors, who acted as master of ceremonies; and Philip F. Cacciatore, chairman of the Award Dinner Committee, who presided.

Outstanding Awards of the Year were given as follows: Newton Boys' Club Mother's Trophy, Best Camper, to Michael Hirsch; Our Lady's Parish Trophy, Most Progress, to Mario Santonastaso; Newton Lodge of Elks Trophy, Athletic, to Francis Tabaldi; Newton Kiwanis Club Trophy, Sportsmanship, to Kevin Hough; Newton Rotary Club Trophy, Outstanding Boys Clubber, to Thomas Notortomasao.

National Boys Club Week Awards were given to Weightlifting Champions, Joseph Schipani, junior; Richard Iodice, intermediate; Harold Ober, senior.

Aldermen Yield To School Board In Travel Fight

Members of the Newton Board of Aldermen have learned the hard way that they cannot reduce the school department budget.

Under the terms of a Supreme Court order the city fathers this week appropriated \$1100 to pay the travelling expenses of three School Committee members who journeyed to San Francisco in 1959 to attend a convention of School Boards.

The Aldermen also were obliged to appropriate an

\$63 Figure Seen Here Represents \$3.40 Hike

A \$3.40 increase in Newton's tax rate loomed today as a result of a decision by the Board of Assessors to abandon its plan for an \$800 boost in the assessments on all homes in the city which are more than five years old. That would raise this year's tax rate to a record-high \$63. Last year's figure was \$59.60.

The proposed across-the-board increase in the tax assessments was scrapped by the Aldermanic Board after

Finance Committee Chairman

Earle D. Wood blasted it at

Monday night's meeting of

the Board of Aldermen and

announced that his committee

unanimously disapproved of

it.

While Wood emphasized

that the contemplated action

was entirely within the dis-

cretion of the Assessors and

that the Aldermen have no

jurisdiction over it, the As-

sessors apparently decided

they did not want to become

involved in a public row on

the matter.

Members of the Board of

Assessors headed by Chair-

man Edward A. Fahey con-

ferred with Mayor Donald L.

Gibbs before discarding their

plan. Gibbs, it is understood,

left the decision entirely up

to the Assessors. Technically,

he has no control over their

actions once they are ap-

pointed.

The \$800 jump in the as-

sessments on most Newton

homes would have pre-

vented any rise in the tax

rate and would have held

the rate at last year's

\$59.60 level.

Business places and homes

built within the past five

years would have been

exempt from the increase in

assessments. Commercial es-

tablishments in Newton for

the most part already are

over-assessed, in the opinion

of experts, and high value-

Telephone Pioneers To Mark 50th Anniversary

Two Newton men, J. Frank Kavanagh and Robert T. Westermarck, are committee members planning for the 50th Anniversary General Assembly meeting of the Telephone Pioneers of America to be held in Boston in September.

Mr. Kavanagh who resides at 72 Plainfield Street, Waban, is assistant chairman of

the entertainment committee. Mr. Westermarck, of 255 Jackson Street, Newton, is assistant treasurer of the general committee.

Both men are associated with the New England Telephone and Telegraph Company. Mr. Kavanagh as directory sales promotion supervisor, and Mr. Westermarck as general statistician.

The Telephone Pioneers in coming to Boston for their association's golden anniversary will be returning to the city of its founding. Delegates will attend from throughout the United States and Canada.

Single Parents Committee Plan Party May 21st

A committee of Newton members is working actively towards the success of the cocktail party and dance on Sunday, May 21, in the Jewel Room of the Hotel Bostonian, 1138 Boylston Street, at 7:30 p.m., sponsored by "Parents Without Partners, Inc."

Mrs. Evelyn Frank is chairman of the committee in Newton; she is being assisted by Mrs. Bert Owlick.

Mrs. Frank pointed out this week that "Parents Without Partners, Inc." is a non-profit organization devoted entirely to the interests of single parents, through divorce, separation or death, and their children.

The organization, notably successful throughout the United States, is now in New England having been incorporated in this area in September 1960.

Those interested in the organization and its aims, are invited to attend the event on May 21 at Hotel Bostonian.

Grand Opening For Countryside Pharmacy Today

The Countryside Pharmacy, Inc., is celebrating its grand opening today (Thursday) its sparkling new building at 98 Winchester St. (corner of Dedham St.), Newton Highlands.

Manager Theodore Ross of Needham, has announced free prizes for all visitors today and open registration today, tomorrow and Saturday for the grand door prize.

Manager Ross, a registered pharmacist in Chestnut Hill, for many years, has invited the public to view this modern pharmacy which is completely equipped to the last detail. Complete stocks, including many rare chemicals and drugs and the latest products of dependable manufacturers, line the shelves and a complete line of sick-room supplies has been instituted.

The new store also boasts an attractive fountain, a full line of baby needs, quality cosmetics, greeting cards and other notions.

The pharmacy will be open from 8 a.m. to 9:30 p.m. with a registered pharmacist on duty at all times. Free parking and free delivery are other popular features of the new store.

Aldermen Block Nursing Home

An application for the right to establish a 58-patient nursing home at Centre and Wesley Sts., Newton, was rejected by the Board of Aldermen Monday night. The petition was filed by the Colonial Park Nursing Home, Inc. Chairman Harry H. Ham of the Aldermanic Claims and Rules Committee told his colleagues that several aldermen opposed the move and that Planning Consultant Charles Downe had expressed the belief that the area is too congested for a nursing home.

property-owner would have to pay. That should be interesting news in a year when every property-owner in the city may receive a larger tax bill than a year ago.

It would provide employment for Newton residents, would add to the general prosperity of the entire city and would offer many conveniences, including hotel facilities where meetings and banquets could be held.

To be sure, the character of Norumbega Park will be changed, but it's going to be changed anyway. In many respects this change would be for the better. And a park area will be maintained at the expense of the developer for the use and enjoyment of Newtonites.

The suggested development will yield Newton much and cost it nothing. Even the streets within the development will be built, maintained, cleaned and plowed by the developer, not by the city.

The Planning Board has unanimously approved the zoning changes necessary to make possible the proposed project. Its decision appears to be a completely sound one and in the city's interest.

This is the kind of development which many other Massachusetts cities are clamoring to get. If the Mayor and Board of Aldermen do not sanction the zoning changes to permit its construction, you may be sure that other communities will be quickly beckoning to Peter Kanavos and his associates.

A coldly realistic question is whether Newton can afford to let this project get away. The coldly realistic answer seems to be "No."

Political Highlights

(Continued from Page 1)

In the opinion of many Beacon Hill observers, Governor Volpe's plan for picking up the Old Colony option and establishing rapid transit service between Boston and the South Shore, was a sound proposition since the highways no longer can handle the tremendous volume of travel in that area.

The Governor's recommendation for tax relief for the New Haven Railroad, which has been run into the ground by its present management, was at best a controversial proposal. The bill finally drafted by the Senate Ways and Means Committee making the Boston & Maine eligible for the same relief was even more vulnerable to criticism and attack.

Many legislators were surprised and stunned when Federal Judge Robert P. Anderson, who had granted several extensions of the Old Colony option, took the position that the option could not be saved unless the subsidy bill also was enacted.

While some sharp attacks were leveled at the jurist during the stormy debate in the House on the tax-relief measure, what he apparently meant was that the New Haven would go into bankruptcy if the subsidy bill were not approved and that in such an event the option would automatically be lost.

Instead of blasting the judge for the unpleasant predicament in which they found themselves, the law-makers should have blamed the procrastination in their own legislative chambers.

If the Old Colony option had been exercised last year or the year before, as it should have been, the State would have purchased the Boston-Braintree line long ago, service would now be in operation on it, and the question of whether the New Haven went into bankruptcy would be an academic one.

But the Legislature delayed and procrastinated, putting off an action that could have been taken in 1960 or 1959. Then this month a majority of the law-makers suddenly woke up to the fact that the option was so valuable and vital it had to be exercised at any price. The tax-relief law was part of the price which had to be paid.

Even with the enactment of the subsidy bill, which is only a stop-gap measure, there is no assurance that the New Haven still will not go bankrupt, for the tax relief the road is getting does not offset its estimated losses. However, it may be saved from bankruptcy long enough for the State to exercise its option and begin operations on the Old Colony.

Scores Auburndale Renewal Project

Editor, Newton Graphic:

Urban renewal — Sure, in blighted areas.

Spot zoning — A proven example of one of yesterday's mistakes.

With reference to a parcel of land on Grove Street in Auburndale, namely Section 43, Block 46, Lots 7, 8 and 10, in a Single Residence C district, there is a public hearing before the Zoning Board of Appeals in the Aldermanic Chamber, Newton City Hall, on May 23 at 7:45 p.m. The matter of a petition for variance of zoning requirements to erect three office buildings on the above mentioned property—this property now zoned for single residence in a residential neighborhood—will be heard by the Board.

Apparently societies for the minority speak for the majority. More specifically, the Auburndale Improvement Society which favors office buildings on this site. The site, incidentally, is located between two elementary schools in an already heavily-traveled road. Obviously, this society cannot see the forest for the trees.

Although we've been falsely led to believe this is the case, people have not lost their common sense nor human decency.

Of prime importance to the entire populace of the City of Newton is the fact that this hearing is a "test case!"

The Zoning Code rightfully falls under the jurisdiction of the Aldermanic Body, an elected group. Here we have the Board of Appeals, an autonomous body, not elected but appointed, being sought to change zoning laws by allowing office buildings in a residential zone. The precedent that could be established if this action is fulfilled will place each and every one of us in the City of Newton at the mercy of a selected group of individuals under whom we would have no rights as citizens in a free society.

Garden Club Opposes

Editor, Newton Graphic,

Dear Sir:

The Newton Highlands Garden Club at its most recent regular meeting unanimously passed the following resolution concerning the proposed rezoning of the 41 acre Norumbega tract for six 21-story apartment buildings, an office building, etc.

"Resolved that the Newton Highlands Garden Club expresses its strong disapproval of the scheme to change zoning laws to allow skyscraper apartments at Norumbega."

We urge the city to look into the possibility of developing the land as a city park."

It would be most unfortunate for Newton to allow this kind of metropolitan development of what can be a most beautiful part of our beloved Charles River. The Newton Chamber of Commerce has issued a brochure of the proposed development which confirms me in the belief that the rezoning would bring in at least a dozen unsightly buildings. They talk of a million dollars in taxes, lower tax rates to everyone. How about all kinds of additional services required, police, fire, water, etc. and very probably a new five million dollar high school for the population explosion which would doubtless occur among the hundreds of new tenants?

Other important considerations against it are: 1: It would either impair or nullify the power to broadcast of our finest New England radio station, WCRB, finest in its broadcasts of excellent music, and without a single "singing commercial," save the mark! 2: It would doubtless destroy the value of the Duck Feeding station across the river, to which 50,000 visitors come a year.

Very truly yours,
William Northrup Morse
(Chairman Conservation Committee, Newton Highlands Garden Club.)

Goldfine Guilty Plea Saved Many Red Faces

When gift-giving industrial tycoon Bernard Goldfine pleaded guilty to tax-evasion charges, a lot of prominent

public figures in all sections of New England must have heaved a long sigh of relief.

They were the politicians whose names would have been brought out as beneficiaries of Goldfine's largesse if the case had gone to trial. Goldfine's plea prevented a good many red faces.

Window on Washington

by Your Congressman LAURENCE CURTIS - 10th District, Mass.

WASHINGTON, May 18 — "Colonialism" is another deceptive communist slogan used to create prejudice against Western countries. Communists consequently refer to them as "imperialist nations." Premier Khrushchev even raised the issue of colonialism in his efforts to wreck the session of the United Nations General Assembly in New York last fall.

The man who ordered the Hungarian revolution throtled, the head of the greatest colonial empire of the present day, spoke as the champion of anti-colonialism. The Soviet colonial empire included non-Russian states nominally independent, but in fact captive: Poland, East Germany, Hungary, Czechoslovakia, Rumania, Albania, Bulgaria, and North Korea.

Meanwhile, the free world powers have granted independence to millions of people, including twenty or more new nations which have recently joined the United Nations. The falsity of the Soviet charge of colonialism must be exposed. In a recent speech to the House, I said:

"Whenever Mr. Khrushchev or any of his spokesmen reproach free world nations for colonialism, let us in answer refer to the 100 million people in eastern Europe who are not and never were Russians but are held in bondage today by communist tyranny. Let us not only answer back, let us take the initiative and give these people in bondage reason to keep up their hopes."

The United States is now conducting negotiations with the Russians in Geneva, seeking agreement upon a treaty banning nuclear tests and providing for impartial inspections so that the ban will be verifiable.

Both countries agreed to suspend tests pending the negotiations, but that was over two and a half years ago. Russia has been accused of a "monumental stall." The present moratorium, containing no provisions for verification, is not satisfactory. Underground tests could undoubtedly be conducted without detection.

Not only has little progress been made at Geneva, but a new difficulty has arisen, as a result of the Russian demand that the proposed administrator of the Inspection Commission be replaced by a triumvirate, representing the United States, the Soviet Union, and a neutral nation, which should act only with unanimity. In other words, they demand another Soviet veto. This would make meaningless any inspection or impartial investigation.

A ten nation conference on broader aspects of disarmament is planned for about August 1, 1961, in Geneva. Participating are five Western and five Eastern nations, but the Soviet Union is now demanding the addition of five neutral nations. It seems likely that

Meeting Looks At Top Problems

The annual meeting of the Oak Hill District Improvement Association, scheduled for Wednesday evening, May 31, at 8 p.m. at the Newton South High School, is attracting city-wide interest because of its timely program.

The meeting, which is open to all Newton residents, will feature a panel discussion of the subject, "Newton At The Crossroads." Participants will include Former Mayor Howard Whitmore, Jr.; Representative Lorenz F. Muther, Jr.; Alderman Franklin N. Flasehner; and Robert G. Davidson, of the Planning Board.

In recent months, various sections of the city have been faced with critical questions relating to the use of large tracts of land. The purpose of this meeting is to bring together all citizens of Newton who are concerned with the future use of land in the city; to discuss mutual problems; and to develop ways of working together to meet these problems.

The election of officers and board members of the association will also take place.

Women's Club In Planning Meeting For Trip June 1st

Last Thursday, at the home of Mrs. John Arthur Samuelson, the Art Seminars group of the Newton Highlands Women's Club had a planning meeting and luncheon to discuss the forthcoming trip of the club to Fruitlands in Harvard, Mass., June 1. Members wishing to take this trip will meet at the Workshop at 1 o'clock.

Plans were also made to meet with new members of the Art Group of the Newton Highlands Women's Club. A morning coffee, served by the Seminars Group, at the home of Mrs. Samuelson will be held at 10 a.m. May 23. At this time programs and future trips for the Art Group will be planned.

Mrs. Samuelson was presented with a small gift in token of the fine leadership she has given. The club has been pleased with this last season's art displays. Those present were — Mrs. Robert Cunningham, Mrs. Edwin N. Johnson, Mrs. Henry W. Nelson, Mrs. Carl M. Penny, Mrs. Lester Smith, Mrs. John Arthur Samuelson.

Several shots were fired in the 75-mile-an-hour chase down Washington and Beacon sts., Newton, before the 17-year-old driver attempted to cut through a filling station yard at Beacon and Walnut sts. where he struck a pole. After a short foot chase during which additional warning shots were fired, the police officers managed to collar the youth.

Two other youths who were in the car were released after police were satisfied that they were merely hitchhikers and had no knowledge of the theft or of their companion's escape status.

The youth was held for appearance in Dedham District Court.

of the tax dollar whether or not the decisions turn out to be wise. The quantity of the petitions and the effects of the decisions that must be made are so important, that long-range well-considered planning is badly needed.

Mayor Gibbs learned that League members had discussed the possibility of achieving a master plan under the Urban Renewal Act with Federal Aid. Under such a plan the Federal Government would pay two thirds or three quarters of the cost and the city would pay the remainder. If the city were to decide against using urban renewal, Newton would still have the benefit of having studied its needs and worked out its long range goals.

If the city were to go ahead with such a study, it was pointed out, that any normal municipal improvement, such as a new school building, firehouse or library, which would benefit an urban renewal area could be considered part of the city's share. The League ladies also raised the possibility of widening our tax base through urban renewal as well as stricter enforcement of our zoning laws the need for a Conservation Commission and the preservation of open spaces.

Wood Assails \$800 Assessment

Alderman Wood assailed the proposed flat \$800 assessment increase on most dwellings as a type of assessing which is "not adequate or proper." He maintained it would establish "a fictitious tax rate not showing the true status of the city's financial structure."

"The Assessors justified their action by various approaches, but the committee unanimously felt that it was a poor approach even though we recognize that some assessments are out of line," Wood declared.

Actually, the Assessors had taken no official action on the matter. But the plan for raising assessments was under serious consideration and undoubtedly would have been put into effect except for the broadside from the Aldermen.

At their meeting Monday night the Aldermen turned down a recommendation by Mayor Gibbs that \$900,000 be appropriated from surplus funds and instead appropriated \$894,000. That action came as something of a surprise because the Aldermen last year took \$900,000 from surplus funds.

Had the Mayor's recommendation been approved, this year's tax rate would be \$82.60. The fact that the Aldermen appropriated \$800,000 instead of \$900,000 from the surplus funds added 40 cents to the tax rate.

Alderman Joseph G. Bradley and Paul S. Rich spearheaded a fight for the appropriation of \$907,000 proposed by the Mayor, with Rich asserting that he favored the use of this amount from the surplus since he felt the owners of less pretentious homes would be hurt by the \$800 increase in assessments.

Bradley's motion was defeated 15-5. Joining Bradley and Rich in support of it were Aldermen Melvin J. Dangle, John P. McCarthy and Charles H. Morang.

A subsequent motion to appropriate the \$800,000 was adopted by a 17-3 vote. The trio who insisted that only \$700,000 should be appropriated were Aldermanic President Wendell R. Bauckman and Aldermen Warren A. Sutherland and William P. Ripley. Bauckman said he voted as he did because he felt the \$200,000 should be used to avert borrowing for necessary public improvements instead of being spent for current expenses.

"The 17 city fathers who voted for the appropriation of the \$800,000 were Aldermen Winslow C. Auryansen, Adelaide B. Bul, Joseph G. Bradley, Charles H. Cosgrove, Melvin J. Dangle, Franklin N. Flaschner, William M. Glovsky, Harry H. Ham, Charles Holly, Charles F. Hovey, John P. McCarthy, Carleton P. Merrill, Charles H. Morang, John F. Nixon, W. Hardy Prentice, Paul L. Rich and Earle D. Wood.

Confirmation Class Largest At Temple Here

This year's Confirmation Class of Temple Shalom of Newton is the largest in its history, numbering 57. Confirmation Exercises will be held on Saturday, May 20, at 7:45 p. m. Rabbi Murray I. Rothman, spiritual leader of Temple Shalom, will speak on the "Book of Job."

The Confirmation Year not only rounds out the children's years of religious study and gives them a total perspective of Judaism, but it also brings the parents of the confirmands into active participation. The parents attended 4 evening seminars conducted by Mr. and Mrs. Jackson Parker, teachers of the Confirmation Class, to discuss the same material covered by their children. Two supper meetings were held in conjunction with the children at which a panel of parents and children discussed the questions "Should There Be Requirements for Temple Membership?" and "Why Do We Send Our Children To Religious School?"

Starting in February, the Class met every Tuesday afternoon with Rabbi Rothman to discuss in an informal atmosphere the many questions that arise in a child's mind. In conjunction with the year's study, last Fall the Class visited Truro Synagogue, in Newport, R. I., which is the oldest synagogue in the country, and this Spring went to New York City where they visited the House of Living Judaism and attended Sabbath Services at Temple Emanuel in addition to some social activity. The social highlight of the year was the Confirmation Dance held last Saturday to be climaxed by Confirmation Exercises this Saturday. Mrs. Aaron Rosenberg has been the adult advisor to the Confirmation Class this year.

Miss Bentley, the daughter of Dr. and Mrs. F. W. Bentley, Jr., 42 Hilltop St., Newton, is a graduate of Newton High School. She is majoring in English literature, and doing honors work on Henry James, on the topic of gold and money imagery in his writings. She spent freshman year at Pennsylvania State University, where she was a member of the women's chorus and Alpha Lambda Delta, the freshman women's honorary sorority. She has been a member of the Mount Holyoke Glee Club Junior and senior years. Miss Bentley plans to attend the Columbia School of Library Service in the fall.

Miss Bowers, the daughter of Dr. and Mrs. L. W. Bowers, 20 Trinity Terrace, Newton Centre, is a graduate of Newton High School. As a freshman, she was a member of Judicial Board, the judicial branch of student government, and as a sophomore, she was treasurer of her class. She is a member of the Water Ballet Corps. Miss Bowers is majoring in psychology.

Miss Higgins, the daughter of Dr. and Mrs. F. Higgins, 151 Fairway Road, Chestnut Hill, is a graduate of Holy Cross Academy in Brookline. She is majoring in English, and received the Kathryn Gray McFarland prize for creative writing her junior year.

Miss Norton, the daughter of Mrs. E. G. Norton, 343 Highland Ave., West Newton, and the late Mr. Norton, is a graduate of Dana Hall in Wellesley. She is majoring in economics.

Miss Small, the daughter of Dr. and Mrs. A. S. Small, 48 Holman Road, Auburndale, is a graduate of Newton High School. She is majoring in physiology.

Edmond Dyett and Nathan T. Sidley of West Newton, Mrs. Eleanor Smith of Newton, and Martin Gardner of Newtonville will sing with the Chorus pro Musica under the direction of Alfred Nash Patterson in a free concert on Tuesday evening (May 23) at 8:30. This concert, which will be sung in Trinity Church, Copley Square Boston, will close out the Chorus pro Musica season.

AWARD TO A YOUNG WINNER — Justin D. Horan, Chamber of Commerce executive director and member of the Rotary Club, presents trophy to outstanding boy, Thomas Nototomoso, at Newton Boys' Club Award Dinner. Glee Clubbers To Compete At Quincy Contest

The Highland Glee Club of Newton will travel to the North Quincy High School on Saturday of this week to compete with other glee clubs from various parts of New England in the 41st annual contest conducted by the New England Federation of Men's Glee Clubs.

The Wollaston Glee Club of Quincy which is celebrating its 60th anniversary will be host to the contest which will be held in the evening by a concert in the evening by the combined clubs.

In the competition each club sings two numbers, and under the direction of James H. Remley the Highland Club will offer the composition of Kopylov-Housky titled, "Heavenly Light" as their first number. The second number, in a lighter vein, will be the ever popular and humorous sea chanty "Old Man Noah" arranged for the Yale Glee Club Series by Marshall Bartholomew.

The contest which starts at 12:30 p. m. and the concert in the evening are open to the public and a few tickets are still available through Mr. George W. Wright, president of the Highland Club, at 25 Moreland Ave., Newton Centre. Telephone LA 7-2167.

Local Trackmen 3rd in Class A At State Relays

The Newton High School track men grabbed third place in Class A at the State Relays in Belmont last Saturday, finishing with seven points behind Boston Trade (10 points) and Boston English (9½ points).

Although the Tigers failed to win a first in any of the four events, they did score points in three. Second in the 440 and third in the two-mile and the 880, Newton was only three-tenths of a second behind the winner, Trade, in the 440. Both Trade and Newton beat the old State record for the event with times of 44.5 and 44.8.

Reunion Group Meets May 20

Newton members of the Class of 1936, Roxbury Memorial High School for Girls, will hold a reunion committee meeting at the home of Mrs. Lillian Miller Ableman, 38 Kirkwood Road, Brighton, on Saturday, May 20 at 1:30 p. m.

Auto Drivers — There are 72 million licensed auto drivers in the U.S.

David Williams

Compton Award Winner at MIT

David L. Williams, senior at the Massachusetts Institute of Technology, has received a Karl T. Compton Prize at the M.I.T. Awards Convocation. The Compton Prizes are among the highest honors awarded annually at M.I.T. and this year went to six seniors and three activities for "outstanding contributions in promoting high standards of achievement and good citizenship within the M.I.T. community."

David is the son of Mr. and Mrs. Thomas E. Williams, 35 Madison Avenue, Newtonville. He is majoring in chemistry.

Specifically cited for "his outstanding success in developing campus activities for the non-resident," he served this year as president of the Non-Resident Student Association, the M.I.T. organization of commuters and apartment dwellers, and as vice president of that organization the previous year.

As president of NRSA, David was a primary force in the establishment of the organization on the M.I.T. campus and in bringing non-resident students into active participation in Institute life.

Compton Prize winners are selected by the Faculty Committee on Student Environment. The prizes were established in honor of the late Karl Taylor Compton, president of M.I.T. from 1930 to 1949.

David also was a member of the freshman lightweight crew team and has participated actively in Intramural athletics.

Upon graduation in June, he will assume a graduate teaching assistantship in chemistry at the University of Vermont.

Valtz Will Go To Switzerland — The Harvard Graduate School of Business Administration announces that Robert Curtin Valtz, son of Mr. and Mrs. James J. Valtz of Newton Centre, has been appointed a Research Associate for one year at Imde School in Lausanne, Switzerland, as part of his doctoral program.

Valtz graduated from Harvard University cum laude in 1958 where he majored in French Literature. While at Harvard, he was manager of the student - controlled and owned radio station WHRB for two years. He is graduating from the Business School in June and will commence his work in Switzerland in August.

Crop Area — Almost two acres of farm crops are required today to feed one adult, the department of agriculture estimates.

Scouts Brave Bad Weather, Hold Roundup

Undaunted by the rain, 103 Boy Scouts from 18 patrols of troops in the South District of Norumbega Council participated in the annual Spring Roundup at Weeks Junior High School playground last weekend.

Competing by patrols, the boys erected their campsites and took part in varied scoutcraft, camping and cooking tests on Saturday and Sunday.

Members of the Order of the Arrow Musketaquid Lodge demonstrated Indian Lore and conducted the campfire program Saturday night.

Jewish and Protestant church services were held at the school on Sunday morning and all boys of Catholic faith attended Mass at Sacred Heart Church in Newton Centre.

Sunday afternoon Star Scout George Collins and First Class Scout Robert Elder, both of Troop 19, demonstrated their skill at flying gasoline-engine powered model airplanes they had built while working for their Aviation merit badge.

Chief Judge Oscar Obert made the following awards: A Award: Troop 8, Panther and Bear Patrols; Troop 9, Minuteman, Soaring Eagle and Vampire Patrols; Troop 19, Lucky Seven and Bat Patrols.

B Award: Troop 5, Panther and Flaming Arrow Patrols; Troop 8, Hawk Patrol; Troop 19, Rebel Patrol; Troop 25, Whipping Fox Patrol; Troop 72, Flying Eagle Patrol.

Local Residents Sing In Concert — Mrs. Charles Woodbury of Newton Highlands, Gustave Umbsen of Newton, and Mrs. Leonard Whitney of West Newton, will be among the 140 singers on the stage of Cary Memorial Hall, Lexington, on Saturday and Sunday evenings (May 20, 21) as the Lexington Choral Society presents Beethoven's "Missa Solennis."

Capacity crowds are expected to the admission-free event and tickets may be obtained from any member of the Society. Telephone orders may be called in to Mrs. Paul Harris at VO 2-2602.

Waban Men Get College Posts

Two Dartmouth College alumni from Waban have been elected officers in the college's Class Officers Association.

They are Wilbur W. Bullen, Class of 1922, president of the Class Chairmen & Presidents Association, and Thomas E. Shirley, Class of 1918, member-at-large of the executive committee, Class Secretaries Association.

Before becoming class chairman he had been memorial fund chairman and secretary for his class. He has also been a member of Dartmouth's Alumni Council.

He is vice-president and director of the Newton YMCA, director of the Newton Red Cross Chapter and Community Chest and treasurer and director of the Douglas A. Thom Clinic for Children, Inc.

Mr. Shirley has been secretary of his class for the past three years. He is manager of the wire communications department of the First Boston Corp. Before joining the firm in 1935 he was associated with the First National Bank of Boston and American Telephone & Telegraph Co.

He was elected president of the Newton-Wellesley (Mass.) Hospital in 1957 and has also been president of the Newton Community Chest and Waban Neighborhood Club.

REGIONAL WINNER — Herbert A. Abramson, left, president of Silver Lake Motors of Newton, New England Regional winner of the "Save a Life Through Safe Motoring" contest sponsored by the Dodge Division of Chrysler Motors Corp., receives plaque from Clement A. Riley, registrar of Motor Vehicles. Mr. Abramson won the award for selling more safety seat belts than any other New England Dodge Dealer and also for his safer driving campaign.

church for its work over the past half century and extended the city's greetings to St. Jean's parishioners.

The Rev. Sylvio W. Barrette, pastor of St. Jean's, traced the history of the church from its start 50 years ago when a small group of persons of French descent, interested in establishing their own church, obtained the land for it under the leadership of the late Rev. Joseph E. Robichaud who served for 35 years as its pastor.

A rectory was erected in 1921, a parish school in 1925, and a new church was completed just a year ago. Father Barrette recalled in his talk. The second pastor of St. Jean's in its 50-year history, Father Barrette has served in that capacity for the past 15 years.

The Rt. Rev. Walter J. Furlong, pastor of the Church of Our Lady, the mother church from which St. Jean's grew, extended his greetings to St. Jean's parishioners.

Graduating members of the 8th grade at St. Jean's School were among the guests at the banquet. J. Edward Theriault was the toastmaster.

The committee in charge of the affair included Mr. Theriault, chairman; Mrs. Joseph A. Vachon, co-chairman; Conrad Larose, vice chairman; Fernand Boudreau, secretary; William Marchand, treasurer; William Comeau, John Blakney, Mrs. Maurice Cormier, Mrs. Edwin Davol, William Sifford, Father Barrette and the Rev. Donald A. Brissette of St. Jean's.

Ushers at both the Mass

and the banquet were Stephen Surratt, William Marchand, Alex Jassett, Napoleon St. George, Allan MacCormack and William J. Sifford.

additional \$275 which represented a 25 per cent penalty assessed on the city by the Supreme Court for violating the law.

Actually, the penalty appropriation was only a legal slap on the wrist to the Aldermen because under the law the \$275 must go into the 1960 school budget and will automatically be turned back to the city.

Thus, the \$275 penalty appropriation merely represented a bookkeeping transaction.

Monday night's action, however, ended a dispute on whether the Aldermen have a right to regulate out-of-state travel by School Committee members. The Supreme Court found that they do not.

It all started when three School Committee members

put in a bill for their traveling expenses, and the Aldermen refused to pay it.

The School Committee took the matter into the Superior Court where they won. The Aldermen appealed the case to the Supreme Court which also found in favor of the School Board.

The \$1975 appropriation was voted by the Aldermen without comment Monday night on the recommendation of City Solicitor Matt B. Jones who tried the case in both the Superior and Supreme Courts.

Solicitor Jones also advised the Aldermen that a restriction they imposed this year on school department funds for out-of-state travel is illegal.

Brookline Girl Is Bride of Mr. Ronald Santarpio

Now making their home at 62 Foster street, Brighton are Mr. Ronald Santarpio and his bride, the former Miss Judith Austin.

The bride is the daughter of Mr. and Mrs. Gordon Austin of Brookline. Mr. Santarpio is the son of Mr. and Mrs. Romeo Santarpio of 121 Withington road, Newtonville.

St. Paul's Episcopal Church in Brookline was the scene of the 4:30 o'clock double-ring service. The Rev. Gordon C. Austin was the officiating clergyman. A reception followed at the Marridor in Framingham.

Given in marriage by her father, the bride wore a gown fashioned of taffeta and Alencon lace marked with sequins and pearls. Her fingertip illusion veil was fastened to a jeweled crown. She carried her Rainbow Bible with orchids.

Mrs. Barbara Richter of Brookline was matron of honor. Miss Martha Sue Cox of West Palm Beach, Fla., Miss Margaret Cremin of Dorchester were the bridesmaids, while the junior bridesmaids included Miss Connie Spacco of Dorchester cousin of the bridegroom, and Miss Barbara Snyder of Middletown, Conn.

Best man duties were performed by Alexander Brett Shepherd of Auburndale, Ernest Vitagliano of Jamaica Plain, Peter Richter of Brookline and Stephen Santarpio of Newtonville, brother of the bridegroom, were the ushers. Miami Beach, Fla., was the honeymoon destination of the couple.

The bride is a graduate of the Academie Moderne in Boston.

Mr. Santarpio is an alumnus of Newton Junior College, the Massachusetts Military Academy and the Industrial Technology in Boston.

Lois Fleischer Engaged To Wed Franklin Mann

Announcement from Mr. and Mrs. Nathan Leo Fleischer of 23 Richmond road, Newton, makes known the engagement of their daughter, Miss Lois Ellen Fleischer, to Franklin Mann. He is the son of Mr. and Mrs. Archibald Mann of Marblehead.

Miss Fleischer attended Bryn Mawr College. Mr. Mann prepared at Tabor Academy for the University of Pennsylvania, where he is a member of the class of 1961.

ROBERTA GRETSKY

July Bridal for Roberta Gretsky Dr. David Glazer

Mr. and Mrs. Hyman J. Gretsky of 442 Waban avenue, Waban, announce the engagement of their daughter, Miss Roberta Barbara Gretsky, to Dr. David M. Glazer. He is the son of Mr. and Mrs. Michael Glazer of Wellesely.

Miss Gretsky was graduated from the School of Education Boston University where she expects to receive her master's degree next month. A member of the National Honor Society, Phi Lambda Theta, she is teaching school in Quincy.

Dr. Glazer is a graduate of the University of Southern California and the University of California Medical School. An orthopaedic surgeon, he is a member of the orthopaedic residency program at the Children's Medical Center. His honor societies are: Phi Beta Kappa, Phi Kappa Phi, Alpha Epsilon Delta and Phi Eta Sigma.

A July 29th wedding is planned.

Escorted by her father, the bride's traditional gown of pole de sole was marked with Rose Point lace and seed pearls.

Her illusion veil was edged with needle point made from her mother's wedding gown. Her flowers were white orchids, Eucharis lilies and stephanotis.

Mrs. Robert Michael McGarty of Ipswich was matron of honor for her sister-in-law. Bridesmaids included Miss Patricia Dean of Manchester, Mrs. Barry R. McDonough of Chestnut Hill, Miss Barbara Brine of West Newton and Miss Kathleen Kirk of Newton.

Miss McGarty-Mr. Madden Exchange Marriage Vows

St. Bernard's Church in West Newton was the setting on Saturday, May 13th, for the marriage of Miss Michelle Marie McGarty to Robert Twining Madden.

Dr. and Mrs. Michael Edmund McGarty of 26 Dartmouth street, West Newton, and Mr. and Mrs. James L. Madden of Short Hills, N.J., are the couple's parents.

The Rev. Aclved Wall, OSB, celebrated the 12:30 o'clock nuptial mass and the bride's cousin, the Rev. Bernard McGarty officiated at the marriage ceremony. A reception was held at the Brae Burn Country Club in West Newton.

The couple left on a trip to Florida and Nassau. They will live in New York City.

A graduate of the Convent of the Sacred Heart at Noroton, Ct., and Newton College of the Sacred Heart, the bride made her debut at the Gotham Ball in 1954. She belongs to the Ace of Clubs.

Mr. Madden was graduated from Portsmouth Priory, Princeton University, where he was a member of the Cap and Gown Club and the University of Indiana Law School.

Highland Garden Club Meets Tues.

The annual meeting of the Newton Highlands Garden Club has been scheduled for next Tuesday (May 23) at 8 p.m. at the home of Mrs. John F. Jenkins, 65 Duncklee St., Newton Highlands.

The Club's nominating chairman, Mrs. Hubert S. Dennie, will present the new list of officers to the membership. Refreshments will be served by the hostess with Mrs. Albert A. Morse and Miss Clara Dillaway assisting.

Newton Centre Garden Club to Meet in Waltham

The Gore House in Waltham is scheduled to be the meeting place for the Newton Centre Garden Club's annual meeting on Tuesday, May 23. Retiring president Mrs. W. Walker Cowles will conduct the business meeting.

Dessert and coffee will be served at 1 p.m. by hospitality chairman Mrs. Elvyn K. Mentzer with assistance from co-chairmen Mrs. Alden K. Sanderson and the committee. A tour of the beautiful old house, decorated with arrangements by the members, will conclude the meeting.

Mula of Waltham, Mrs. Lydia Bellantoni of Belmont Hill and Mrs. Judith Parker of West Newton.

Eugene Parker of West Newton served as best man for his brother. Ushering were Charles J. Mula of Waltham, Wallace Parker of Franklin, another brother of the bridegroom, and Robert Kinlin of Framingham.

The couple left on a trip to Jamaica. They plan to live at 30 Barnes street, Belmont.

The bride was graduated from Our Lady Help of Christians High School, class of 1953, and Bryant Stratton College, class of 1958. She belongs to Chi-Rho and the entertaining unit of the USO volunteer workers.

Mr. Parker, an alumnus of the Waltham schools, is a member of the class of 1961 at Northeastern University. He works as an engineer for the Telephone Company.

For example, no matter how much I try to anticipate the first hot spell it never does much good. I always send out a post card early in April to remind my air conditioning customers to have their machines serviced for the season. About five percent respond immediately and the rest wait to deluge us with calls on the first hot day.

So if you are still among that large group of procrastinators, please attend to your air conditioning needs before the next hot spell. And, of course, if you are contemplating a new installation, now is the time to act. We have a Federal Air Conditioner to meet any office or household need - from single rooms to central systems. Presents His Exclusive BODY WAVE \$10.00

The Body Wave is a form of permanent waving used on hair that either has a little natural wave or hair that waves easily.

It does not add appreciably to the amount of wave already in the hair, but gives such strength and resiliency to the wave as to make the hair seem naturally wavy and remarkably easy to put up.

It is for hair to which the ordinary permanent wave (however soft) gives too much curl.

Lee Loumos Says

Are you a procrastinator? Do you have a guilty feeling about it — think it is a rare failing? Well, relax you will be happy to know that the overwhelming majority of people do procrastinate.

For example, no matter how much I try to anticipate the first hot spell it never does much good. I always send out a post card early in April to remind my air conditioning customers to have their machines serviced for the season. About five percent respond immediately and the rest wait to deluge us with calls on the first hot day.

So if you are still among that large group of procrastinators, please attend to your air conditioning needs before the next hot spell. And, of course, if you are contemplating a new installation, now is the time to act. We have a Federal Air Conditioner to meet any office or household need - from single rooms to central systems. Just phone Bigelow 4-7240 for our free engineering survey.

Young 'Cellist Is Soloist At "Pops Night" June 2

The 17th Annual "Newton High School Night" at Pops will be held on Friday, June 2, at Symphony Hall, Boston, with Arthur Fiedler conducting the Boston Pops Orchestra.

Stephen Custer, a senior at Newton High School, will be cello soloist with the orchestra, in the intermezzo, from the "Lala Cello Concerto."

A student at the All Newton Music School, he has studied cello for 8 years with Edna Tuckerman and Robert Ripley of the Boston Symphony Orchestra. He has also had four summers of cello and theory study at the New England Music Camp, Oakland, Maine, and one summer as a student of Leonard Rose at Meadowmount School of Music, Westport, New York.

Stephen has been principal cello in the Newton High School Symphony Orchestra, the New England Music Camp Symphony, the All Newton Music School Orchestra, three times in the Northeast District Orchestra, and three times in the Mass. All State Orchestra, as well as for the past two seasons in the Greater Boston Youth Symphony.

He has been soloist with the New England Music Camp Orchestra and the Greater Boston Youth Symphony. He recently performed the Brahms "E Minor Sonata" for violin and cello, and Piano for the Chromatic Club of Boston. As a culmination of his year's study of Advanced Theory at Newton

HANDSHAKE FOR NEW CHAIRMAN—William A. Lincoln, third from left, the new finance committee chairman of the Newton G.O.P. City Committee, receives congratulations from Carleton P. Merrill, City Committee chairman, third from right. Looking on, left to right, Mrs. Edith B. Deming, secretary G.O.P. City Committee; Douglas C. Danner, of the State Committee; Mrs. Barbara F. Schulman, also of the G.O.P. State Committee; and Robert Tennant, vice chairman, City Committee.

Forbes Praised As Lincoln Is Named GOP Chairman

Carleton P. Merrill, chairman of the Newton Republican City Committee, announced this week that William A. Lincoln, 340 Hammond St., Chestnut Hill has been appointed chairman of the Newton Republican Finance Committee.

The new chairman succeeds Wallace F. Forbes of West Newton who as chairman of the 1960 Finance Committee raised over \$30,000 during that drive. This accomplishment put Newton over its assigned quota and placed the city in second place for money raised, for the G. O. P., of all the cities and towns in Massachusetts.

In accepting the chairmanship of the Finance Committee, Mr. Lincoln paid tribute to the accomplishment of the outgoing chairman, Mr. Forbes, and issued the following statement of acceptance to this new position.

"There is no community in Massachusetts in a stronger position than Newton to help restore good government to this Commonwealth. I say this for two reasons. First is that Newton is the most powerful Republican community in Massachusetts, and the second is that only an aroused, vigorous, efficient Republican Party can accomplish the awesome task of replacing the many unprincipled hirelings now in public service with people who understand that they must be, first of all, public servants."

"An important fact about Newton is that more than half of its voters are Independents. In the last election, more than two thirds of these Independents voted Republican. We need these good people in the Republican Party. We want them to join with us, help build our strength into a force which can spur the restoration of responsibility and effectiveness to the government of the once-proud state of Massachusetts," Mr. Lincoln concluded.

Headlights and Highlights From Newton South High

By JUDY BURAKOFF

As the end of the school year approaches, preparations are being made for school activities next year. Laura Corwin has been announced as the editor of the yearbook, "Regulus," while Gordon Alpert is the business manager. Barbara Baker and Dave Gilbert have been chosen to co-edit the handbook which will be published in the fall for the benefit of the new students. Newton South High will have its own newspaper next year. It will be called "The Nebular." Jane Hogan will be the editor.

Last week the Literary magazine, "Reflections," was distributed to the students. One of the selections in the magazine was "Salt Days" written by Carol Cohen, Helmsley Award Winner from Newton South High School.

The results of the school elections were "announced" last week. Those elected were: Robert Kenney, president of the Associate Council; Lynne Friedman, vice president; Barbara Goodner, secretary; and Carl Warsawse treasurer.

The Senior Class officers are: president, Robert Swett; first vice president John Farrell; second vice president, Laurie Weisman; secretary, Penny Allen; treasurer, Ken Anderson; associate council representatives, Laura Corwin, Gerald Bernstein, Leslie Arnold, and Jeanne Wynne.

The Junior Class officers are: president, Michael Segal; vice president Bruce MacLean; secretary, Elaine Levitt; treasurer, Jeanne Friedman; associate council representatives, Jon Dana, Peggy MacPhee, and Pam Chonin.

In the last issue of the Newtonite, Sue Glickman was chosen as Senior Standout. She is second vice president of the senior class. The last day of school for seniors will be June 6. Graduation will take place at 3:30 p.m. on June 10. Newton High School and Newton South School will hold a joint prom at the Totem Pole.

2 Newton South Boys Win Award In Chemistry

Two Newton South High School students won honorable mention awards at M.I.T. last week where 250 professional chemists and chemical engineers of the Northeastern Section of the American Chemical Society gathered to honor young chemistry students from Massachusetts and New Hampshire high schools.

Randall Alfred of 48 Newbury St., and Jeffrey Fine of 2088 Washington St., both Newton, were among the top 27 of over 650 students who took the competitive examination in 150 high schools.

Lobster Supper Next Thursday

The 20th annual lobster supper will be served next Thursday evening, May 25, at St. Paul's Episcopal Church, Newton Highlands.

Mrs. Herbert N. Odell, who has been chairman, will again head up the committee for the event which started in 1939 as a private luncheon in her home.

The church will hold its annual meeting and election of officers following the supper.

Miss Ruth H. Burgess

Loved Teacher Retires After Half Century At Mason—Rice School

Miss Ruth H. Burgess will be honored for completing a half century of elementary school teaching at a reception at 8 p.m. next Tuesday evening (May 23) at the Mason-Rice School in Newton Centre.

Miss Burgess will retire this June from the school where she served on the faculty as a sixth grade teacher since 1922, and now is head teacher.

Mathematics has been Miss Burgess's special field for the past ten years, but the generations of pupils who have been in her classes know that her favorite subject is "children." Using what she calls "the common sense approach," softly tempered with love, she has also taught art, English, and science at various times.

No mother of a sixth grader going winter camping from Mason-Rice to Peterborough or Camp Union in Greenfield, N.H., has ever worried because they knew Miss Burgess was going winter camping too. Doctors, lawyers, engineers, priests, writers, and many many housewives and businessmen have learned the fundamental school subjects from Miss Burgess, but with characteristic balance, she won't name her "most famous pupil."

"I do think we consider the needs of the individual child more than ever today," Miss Burgess says, though it may be suspected each child in her classes have had her personal attention ever since 1911 when she started teaching in Dartmouth, Mass.

She attended the Newton Schools, graduated from Framingham State College, and taught in Braintree, Sharon, and Chelsea before returning to Newton to teach under Samuel B. Paul for her first 17 years at Mason-Rice, and subsequently with Miss Ruth E. Dority as principal.

Miss Burgess has been one of the leaders in the A.T.A. mathematics classes, Newton's own advanced program in recent years. She has served on the citywide elementary committee on instruction and has been president of the Newton Grade Teachers Club.

P.T.A. activities, considered impressively new in some parts of the country, are a familiar story to Miss Burgess who was active in the P.T.A. predecessor, the Newton Centre School Association which was organized the year before she came to Mason-Rice.

With a lively family of sisters, nieces and nephews at home at 23 Eden Avenue, West Newton, Miss Burgess expects a busy retirement in the home where she was born. Her family has lived in the friendly house near the Davis School for several generations. One sister recently retired after teaching in Waltham 47 years; two sisters are associated with Babson Institute, and a married sister and her family are included in the present generation.

Three out of five drivers involved in fatal accidents are violating one or more traffic laws, warns the Automobile Legal Association.

KENNETH L. WEYLER

Newton Cadet Awarded ROTC Honors at MIT

Cadet Kenneth L. Weyler, son of Mr. and Mrs. Michael C. Weyler, 44 Pembroke Street, Newton, a member of the Air Force ROTC at Mass. Institute of Technology, has been awarded the Professor of Air Science Medal and the Convalr Aviation Award at M.I.T.

The Professor of Air Science Medal is awarded annually to the outstanding Air Force ROTC student in the sophomore class. Cadet Weyler received the Convalr Award as the outstanding student selected for the Air Force ROTC advanced course in a category leading to flight training.

He is a 1959 graduate of Newton High School and is majoring in chemical engineering at MIT. He is a member of the Air Force ROTC drill team and is the executive officer of the Zeamer Squadron of the Arnold Air Society.

Congregational Church Retreat To Be Saturday

The annual retreat of the Newton Highlands Congregational Church will be held at the Framingham Conference Center on Saturday, May 20th.

All church boards, committees and officers will participate in this session, one of the most important events in the church calendar.

The morning session will start at 9:45. Luncheon will be served at 12:30, after which the groups will continue their discussion. The retreat will adjourn at 3 o'clock.

Carol R. Berman, daughter of Mr. and Mrs. Benjamin Berman of 15 Shuman Circle, Oak Hill, was a member of the technical production staff for the Ithaca College presentation of "Guys and Dolls" presented for six nights at the College Theater on the Ithaca, N.Y., campus. She is enrolled in the department of drama at Ithaca.

14 Police Car Trade Approved

The Newton Purchasing Department has announced the awarding of contracts to lowest bidders under which 13 police cars will be turned in for nine new cruisers and four station wagons. In addition the chief's 1956 car is to be turned in for a new Lincoln.

Station wagons and six cruisers will be light blue while three of the new Plymouths from the West Newton Motor Mart will be black for the use of inspectors.

The new cars will cost \$38,417.83, but there is an allowance of \$22,566.01 trade in on the 1960 Fords, for a net cost of \$15,851.82. The cost of the chief's car will be \$2168.55.

The Purchasing Department also announced the purchase of compacts for the Water Department, Fire Department, Recreation Department, Health Department and Engineering Department.

Newton Tax Rate Fixed at \$62.80

The official 1961 tax rate in Newton has been set at \$62.80, or \$3.20 higher than the rate in 1960.

Newton's Board of Assessors announced the new rate last Friday following approval by the Commissioner of Corporations and Taxations at the State House.

The city's total valuation of real property, \$281,385,800, is the fourth largest of any city in the state.

Probe Series Of Dwelling Breaks Here

Breaks in four Newton homes, theft of \$600 from an office, and use of a truck to steal 42 spruce planks were under investigation this week by the Newton Police Department.

These robberies came as police checked the stories of four children arrested in two separate theft cases. Arrested were a 12-year-old Newton Lower Falls boy and his 14-year-old brother apprehended for ripping a bag from a woman's shoulder in Norumbega Park; the other case involved a 13-year-old South Boston girl.

Atty. Gen. Moved Swiftly To Suspend Own Assistant

By JAMES G. COLBERT
Former Boston Post Political Editor

Attorney General Edward J. McCormack, Jr., wasted no time in suspending one of his assistants and relieving him of all duties when it was disclosed that a business associate of the aide's had been employed as an appraiser by the State Waterways Division where the Assistant Attorney General had been assigned. Some State House observers felt that McCormack acted with precipitate speed since it appeared that the Assistant Attorney General had nothing to do with the appointment of his associate and did not share in the appraisal fee.

McCormack, however, has been making numerous speeches about conflicts of interest in public life. When a question was raised by Representative Francis W. Perry, Duxbury Republican, concerning a member of his own staff, he practiced what he had been preaching.

He called in the assistant, obtained the facts from him and told him he was suspended until an investigation had been completed. That all happened within two hours after Perry had questioned the propriety of having a person associated with an Assistant Attorney

PROUD FATHER OF HAPPY SONS — Meyer F. Englander, center, senior partner of Boston law firm bearing his name, congratulates his two sons, Elliot J. Englander, left, and Richard J. Englander, right, both of Newton, after they were sworn in recently as members of the bar of the U. S. Supreme Court in Washington.

Chief Justice Extends Congratulations

Proud Lawyer Dad Sees Two Sons Sworn In At U. S. Supreme Court

Meyer F. Englander veteran, noted lawyer, senior partner of Englander & Englander Boston law firm, enjoyed a most satisfying and proud experience recently when his two sons, Richard L. Englander, and Elliot J. Englander, both Newton residents, were sworn in as members of the bar of the U. S. Supreme Court in Washington.

The senior Englander received the warm, personal congratulations of Chief Justice Earl Warren, of the Su-

preme Court, for having two such gifted lawyer sons. Meyer Englander, a resident of Milton, also practices before the U. S. Supreme Court. He is active in Mass. Masonic circles, is a life member of Alepo Temple Boston, and is a charter member and director of Temple Shalom, Milton. He also is a charter and honorary member of Zebubabel Lodge A.F. & A.M. of Dorchester. He is the husband of the former Betty Snyder.

Richard L. Englander, his

wife the former Judith Shaw, and their two children, Audrey Michelle and Leslie Joy, reside at 46 Spiers road, Newton Centre.

He is a graduate of the Milton public schools, Thayer High School, and Harvard University. —PROUD LAWYER—

Quinn Promoted To Lieutenant Of Newton Police

The new Lieutenant's insignia in the Newton Police Department is being worn by ex-Sgt. William F. Quinn, 32, of 1900 Washington St., Newton Lower Falls, who was appointed last week by Chief Philip Purcell.

Lt. Quinn was appointed to the department on Nov. 13, 1952, and was made sergeant May 5, 1958.

Chief Purcell also advanced Patrolman William C. Nally of 12 Bernard St., Newton Highlands to sergeant. He was appointed a patrolman Aug. 27, 1953.

Each topped his Civil Service examination list for promotion.

Chief Purcell also appointed Donald P. Fitzsimmons, 30, of 86 Albert Rd., Auburndale, as a patrolman. He has two brothers on the force, Patrolman William M. and Paul J. Fitzsimmons.

Parade, Exercises To Mark Memorial Day

Newton will pay a devout and grateful tribute in Memorial Day exercises next Tuesday to those who have given their lives on battle-grounds around the world as part of the price paid for the freedom which is this nation's most cherished possession.

A big parade will start at 10:30 on the holiday morning, with the famed U.S. Marine Corps from Quantico, Va., one of the musical units in the line of march.

U. S. Senator Saltonstall, Congressman Laurence Curtis, Mayor Donald L. Gibbs

and ex-Mayor Howard Whitmore, Jr., will be among the public figures who will take part in the traditional rites at the GAR Memorial and the Veterans' Lot in the Newton Cemetery.

The measured tread of marching feet, the muffled

beat of drums, the stirring notes of taps, the sharp bursts from the rifles of firing squads will sound again in reverent homage to the men who went off to fight their country's wars — and didn't return.

Tuesday's impressive and solemn ceremonies will honor the memory of those who fought and died on the flanks of Bunker Hill and the stony sides of Gettysburg's Round Top, those who perished in the bitter cold of Valley Forge, and those who met death near the frigid Yalu River.

As the sad strains of taps echo across the green for those who fell at Normandy, in the Battle of the Bulge, at Guadalcanal and Okinawa, who met flaming death in flask-filled skies over Germany and France — for all those who paid with their lives to help keep America free.

Behind the bands and the massed colors of patriotic organizations, veterans of two world wars as well as the fighting in Korea will march

REV. SISTER ROSENDA

Sister Rosenda Gets Paris Study Fulbright Award

Rev. Sister Rosenda, CSJ, of the Sacred Heart High School, Newton Centre, has received a Fulbright Award for the academic year 1961-62 in the study of French literature and language at the University of Paris, Faculte des Lettres.

The award, authorized by the U.S. Government, was announced this week. Sister Rosenda is a second time holder of a Fulbright grant.

She was a grantee in the summer seminar Fulbright group of 1960 and ranked second among twenty-four teachers sent to study at the Sorbonne.

Her former studies include: Regis College, B.A., Boston College, M.A., graduate work at Western Reserve University, and courses at Wellesley College.

At present, Sister Rosenda is enrolled at the Ecole Franciscaine, Middlebury College. She is the daughter of Mrs. Elizabeth Goode Gill of West Newton.

Father Melville Celebrates First Mass Here On June 18

The Rev. Arthur G. Melville, M.M., of Newton Centre, will be ordained a priest of the Catholic Foreign Mission Society of America, on Saturday, June 10, at Maryknoll Seminary in New York.

He will be assigned to missionary work in Guatemala where his brother, the Rev. Thomas R. Melville, M.M., also a Maryknoll missionary, is stationed.

Father Melville the son of Mr. and Mrs. Arthur G. Melville, of 245 Cypress Street, Newton Centre, will celebrate his first Solemn Mass on Sunday, June 18, at 11:30 a.m. in the Sacred Heart Church, Newton Centre.

It will be a day of great joy for both their priestly sons will participate in the solemn services, Father Thomas Melville coming to Newton to assist as deacon at the celebration of his brother's First Solemn Mass.

An uncle of the newly ordained priest, the Rev. William A. Long, pastor of St. Michael's Church, North Andover, will be the assistant priest; the Rev. Dermot Doherty, C.P., of St. Gabriel's Monastery, Brighton, a cousin of the ordained, will be the sub-deacon; and Rev. Arthur Barry, of Maryknoll, master of ceremonies. The Most Rev. Eric J. MacKenzie, pastor of the Sacred Heart Church, will deliver the sermon.

A reception for the newly ordained priest will be held at Newton Center Woman's Club, 1280 Centre Street, Newton Centre, from 1 to 4 p.m.

Father Melville attended Sacred Heart Grammar School and graduated from Boston College High School. He also attended Boston College for one year before entering Maryknoll in 1952 to begin studies for the foreign mission priest.

REV. ARTHUR MELVILLE

Prof. Thresher Ends 25 Years On MIT Faculty

Professor B. Alden Thresher, of 667 Chestnut St., Waban, director of admissions at M.I.T. for 25 years, is among eight members of the faculty to retire at the end of June with the title of Professor Emeritus.

Prof. Thresher has earned national recognition for enlarging the scope of admissions work, specifically in his emphasis of educational guidance. He is a former chairman of the College Examination Board. He received a certificate of appreciation from the government after World War II when he aided in procurement of scientific and technical specialists for the armed forces.

Mrs. Thresher has served as a state representative from Newton and as a member of the legislature was a member of the House Ways and Means Committee.

Gibbs Weighs Merits Of Federal Renewal Survey

Mayor Donald L. Gibbs declared today that there is merit in a proposal that the federal government undertake, and largely finance, a community renewal survey of Newton.

"No community stands still and I am sure that such an analysis of our city would show some areas for improvement," the Mayor stated.

"After such analysis and the receipt of plans, a city then could file for assistance in putting such plans into execution,

if it saw fit, but would not be required to do so."

The estimated cost of such a plan would be \$1 per capita, but this would be determined by the depth of the survey.

Plans for such a survey were discussed recently by Mayor Gibbs and representative groups concerned with city planning. It would be made by the Housing and Home Finance Agency of the Federal Urban Renewal Administration. Another conference may be held in the future, following which the mayor may recommend that the survey be taken.

Newton was termed eligible to receive two-thirds cost of such a renewal survey in view of the approval by the Federal Housing Authority of the city's "workable program" developed to qualify for Old Age Housing Assistance.

Chairman J. Howard Loughman of the Planning Board, President Wendell R. Bauckman of the Board of Aldermen, Chairman William Carmen of the Newton Housing Authority and President Grenfell A. Swim of the Chamber of Commerce were in the group which

Cite Grove St. Traffic Flow

The Newton School Committee voted Monday night to point out to the Zoning Board of Appeals the added traffic hazard on Grove St., which would result should a two- and a-half story office building be constructed in the Auburndale.

However the School Committee did not take a stand on the merits of granting a zoning variance for the proposed building. The Committee pointed out that more cars would endanger children who attend the Williams School unless additional measures are taken. The street already handles a heavy flow of traffic from the Jordan Marsh warehouse and the MTA station.

Dandelions vanish, grass grows greener

Nothing can do more to turn a self-respecting lawn into a shambles than a bumper crop of dandelions like we're having right now.

BONUS* makes short work of these persistent pests. Knocks out other ugly weeds, too—like plantain, buckhorn.

At the same time, BONUS feeds grass a steady, protein-building diet. Result? Greener, thicker, stronger turf, unmarred by weeds.

Nice work for just half an hour. But that's all it takes to treat 5000 sq ft with double-duty BONUS and the precise Scotts Spreader. The time for BONUS is now!

A reception will follow the concert, at which time refreshments will be served.

Newton Hurler Pitches Eli Win

Newton's Bob Kelly allowed only three hits as he hurled his Yale varsity teammates to a 1 to 0 victory over the Harvard baseball team at Cambridge last Saturday.

The Eli sophomore set the first 11 batters down in order and got credit for his seventh victory in eight starts this year. He pitched his way out of a bases-loaded situation in the seventh inning. In the ninth inning he threw to the plate to nip a Harvard runner who tried to score from third in a squeeze play.

Meadowbrook PTA Olympics, And Election

More than 200 parents attended the recent Meadowbrook Olympics held at the school. Paul Wilbur and Miss Eileen Reardon, physical instructors, led approximately 100 students of all grades at the Meadowbrook Junior High School in an impressive physical fitness demonstration.

Upon completion of that part of the program, the audience then repaired to the auditorium where President James Morganthal presided over the election of officers for the 1961-1962 term. The slate presented by the nominating committee and voted on by the assembly is as follows:

President, David Krongard; first vice president, Joseph Oppenheim; second vice president, Thomas White; treasurer, John J. Hennessey; assistant treasurer, Maurice Blum; corresponding secretary, Mrs. Bernard Todran;

recording secretary, Mrs. Norman Gold.

Immediately following the business portion of the program, there was a panel discussion on fluoridation, followed by a question and answer period. The first speaker, Dr. Jack Bloom, associate professor of oral pathology and periodontology, chairman of the section of Oral pathology, Department of Stomatology, Boston University School of Medicine, related the events which led to the discovery that fluoride is a nutritional element necessary for the formation of teeth, with maximum resistance to decay.

Dr. Harry Phillips, director of the Newton Health Department, then presented evidence to show that fluoridation of the public water supply is the most effective and the least expensive means of providing the public with the necessary

level of fluorides. In addition, he presented the medical proof that this procedure has had no adverse effect on the general health.

The third speaker, Dr. D. Giddon, instructor in psychology at Brandeis and research fellow at Harvard School of Dental Medicine, pointed out to the group that in communities where fluoridation had been voted in on a public referendum, it had never been subsequently voted out.

David L. Fitzgerald, son of Mr. and Mrs. R. Leigh Fitzgerald of 150 College Rd., Waban, is a candidate for the BA degree from Princeton University. He is an Art major track team. Miss Hope Fitzgerald will return home next week from Western College, Oxford, Ohio.

Temple Couples Club Dance To Be Held Sunday

At a committee meeting held recently at the home of Mr. and Mrs. Ralph Kahn, chairmen, plans were formulated for a dance to be held in honor of the Bas Mitzvah of Israel, by the Married Couples' Club of Temple B'Nai Moshe, Sunday night, May 28, at Temple B'Nai Moshe, 1845 Commonwealth ave., Brighton.

Music will be provided by George "Tito" Schwartz orchestra, with Lenny Sudman as M.C. There will be several door prizes. This affair is open to the general public, bachelors and bachelorettes, as well as married couples.

This is the main fund raising event of the year by this organization and promises to be an enjoyable evening. The entire proceeds will be turned

over to the Temple. For further information please call Mr. and Mrs. Ralph Kahn at LO 6-7144 or Mr. and Mrs. Murray Brooks at AL 4-6239.

Countryside PTA Meets To Name Officers

The last general meeting of the Countryside School PTA was held on Wednesday, May 24. The speaker, Dr. Harry T. Phillips, director of Public Health, City of Newton, spoke on "Do We Really Believe That Prevention Is Better Than Cure?"

The following members of the PTA were elected for a one-year term: President, Mr. and Mrs. Marvin Joslow; first vice president, Dr. and Mrs. Phillip Noguee; second vice president, Mr. and Mrs. Lawrence Lapidus; treasurer, Dr. and Mrs. Phillip Richmond; recording secretary, Mr. and Mrs. Martin Alpert. Committee chairmen will be announced at a later date.

Prior to the general meeting there was an open house in the classrooms and a recital by the school orchestra, conducted by Mr. DiNapoli. After the election of officers and the very interesting speaker, refreshments were served.

Miss Barbara Reed, daughter of Mr. and Mrs. Warren G. Reed, 20 Manitoba Rd., Waban, has been elected a Key Girl at Colby Junior College, New London, N.H. She recently was elected president of Colby Dormitory for the 1961-62 year.

MARGARET LINTON

Margaret Linton And Doctor Plan June Wedding

The engagement of Miss Margaret Louise Linton to Dr. Paul Kretschmar, son of Mr. and Mrs. Paul O. Kretschmar of Eureka, South Dakota, has been made known by her parents, Dr. and Mrs. Robert R. Linton of West Newton. Miss Linton was graduated from Mount Holyoke College, class of 1955, and the Columbia University School of Occupational Therapy. She is now working at the University of Oregon Medical School Hospital, Portland, Oregon. Dr. Kretschmar, an alumnus of the University of South Dakota, was graduated from the University of Illinois College of Medicine. Having recently completed a fellowship at the Mayo Clinic in Rochester, Minnesota, he is now practicing medicine in Vancouver, Wash. A June wedding is planned.

The bride is the daughter of Mr. and Mrs. Samuel Morgan Ferguson of 205 Dorset road, Waban. Mr. Hodgson is the grandson of Mrs. Ernest Hodgson of Weston.

The Rev. Howard R. Dunbar officiated at the 4 o'clock candlelight service. The Mauds Club in Wellesley Hills was the setting for the reception.

Given away by her father, the bride's ice blue satin gown had a portrait neckline marked with beaded Chantilly lace. Her fitted bodice had short sleeves and a full skirt designed with a chapel-length train.

Her Belgian lace mantilla was caught up with a regency crown. Her Colonial bouquet was fashioned of Bouvardia and valley lilies.

The bride's sister, Miss Susanne Ferguson of Waban, was honor maid. Bridesmaids included Miss Marie Giordano of West Newton, Miss Noreen Galvin of Newton Centre, Miss Jane MacIntosh of West Barnstable and Mrs. James B. Ferguson of East Hartford, Ct., sister-in-law of the bride.

Honorary bridesmaids were Mrs. Francis Alle Orr-Downey of California and Mrs. Michael J. Nash 3rd, of Edgewood, Md. Dr. Onni Kangas of West Newton served as best man for his brother-in-law. Usher were Peter Fowler of West-on, James B. Ferguson of East Hartford, Ct., brother of the bride, Charles Hoffman of Wellesley Hills, Thomas M. Crabbe of Tuckahoe, N.Y., Leonard Jacobson of Newton Centre as well as Warren Luby and William Monaghan, both of Wellesley Hills.

Puerto Rico was the honeymoon destination of the Hodgsons, who plan to live in West Newton.

The bride was graduated from Lasell Junior College, class of 1959.

Dr. Hodgson prepared at the Hackley School in Tarrytown, N.Y., for Northeastern University, where he is a member

Pretty May Wedding Unites Miss Kehoe-Mr. Delaney

The altar of the Holy Name Church, West Roxbury, was decorated with white gladioli, carnations, snapdragons and stock for the marriage there on Saturday, May 20th, of Miss Marjorie Anne Kehoe to Gerald Thomas Delaney, at which the Papal Blessing was read.

Blessing Was Read

The bride, whose home was at 37 Russett road, West Roxbury, is the daughter of the late Mr. and Mrs. Christopher Kehoe. Mr. Delaney is the son of Mr. and Mrs. James Edmund Delaney of 18 Traverse street, Newton.

The Rev. Owen Doyle, C.P., came from Jamaica, Long Island, N. Y. to celebrate the 11 o'clock nuptial mass for his niece. A reception took place at the Louis XIV ballroom at the Hotel Somerset in Boston.

Given away by her brother,

Mr. Richard Christopher Kehoe, the bride wore a princess gown of pure silk peau de sole made with a portrait neckline and elbow-length sleeves. Appliques of peau d'ange lace encrusted with seed pearls marked her bodice and skirt which had a modified fullness and terminated in a chapel-length train.

Fastened to a matching lace cap was her elbow-length silk illusion veil. She carried a bouquet of orchids and stephanotis.

A bevy of pretty attendants preceded the bride altarward. Mrs. James Stranberg of West Roxbury was her sister's matron of honor. Mrs. John Bushey of Westwood, Mrs. Edmund Collins of Newton, sister of the bridegroom, Mrs. Edmund Kehoe of Dedham, Mrs. Mary Josephine Killmain and Miss Celest Hughes, both of West Roxbury and Miss Janice Shuman of Newton were her other attendants.

The best man was David Delaney of Bristol, Tennessee, brother of the bridegroom. Sharing usher duties were Edmund Collins of Newton, Robert Grant of Marlboro, Edward Hannon of Swampscott, Edmund Kehoe of Dedham, brother of the bride, Anthony Sparta of Marlboro, James Stranberg of West Roxbury and James Delaney of Tokeo.

Now in Bermuda on the honeymoon, the couple plan to live in West Roxbury.

Mrs. Delaney attended the Academy of Notre Dame and the Wyndham School.

The bridegroom is an alumnus of Boston College.

Kyer-Roy Wedding at St. Philip Neri Church

After a trip to Atlantic City, Mr. William John Kyer (Marcelle Roy) of 422 Chestnut street, Waban plan to live at 64 Oxford street Cambridge.

The couple exchanged vows at a 10 o'clock nuptial mass in St. Philip Neri Church, here. The Rev. John L. Parsons was the officiating clergyman. A reception was held at the home of Mr. and Mrs. E. Arden Kirschner of Waban.

The bride, daughter of Mr. Joseph T. Roy of Isle Perrot, Quebec, Canada, and the late Mrs. Roy, was given away by her father. She wore a princess gown made of white peau de sole, entraine. Her fingertip illusion veil was fastened to a matching peau de sole crown. Her flowers were white orchids and stephanotis.

Miss Pauline Le Borgne of Britny, France, was maid of honor. Miss Helene Montagne

of Weston and Miss Margaret York of Malden were her other attendants.

Norman Reimers of Cambridge served as best man for Mr. Kyer, whose ushers were, Charles Robeski of Bridge-water and Demase Roy of Quebec, Canada, brother of the bride.

Mr. Kyer, son of Mrs. Bernard W. Kyer of Toledo, Ohio, works as an IBM accountant at Harvard University.

Newton TB Association Holds Committee Meeting

Mrs. Barbara Kimball and Mrs. Maud R. Kemp have been named as the representatives of the Newton Tuberculosis and Health Association at the Newton Community Chest and Council, according to an announcement this week from Mr. J. Ellis Bowen, president of the association. They were selected at the recent executive committee of the association.

It also announced that Mrs. Chester Wilson will continue as representative on the Citizens' Advisory Committee of the Newton Home Care Program.

Mr. J. Ellis Bowen and Mrs. John D. Fox have been elected Representative Directors to the Massachusetts

Tuberculosis and Health League, which is the official state constituent of the National Tuberculosis Association. As representative Directors, Mr. Bowen and Mrs. Fox will help to plan policy and general direction of the state association. They represent Newton Tuberculosis and Health Association, which is one of twenty-four affiliates of the State League.

Other Newton residents on the League Directorate are: Dr. Edward J. Welch, Mr. Malcolm Marshall and Dr. Leslie Macmillan. Following these announcements, Mr. Bowen and Mrs. Hilda Hope reported on the Annual Meeting of the League held earlier this month at Valle's in Chestnut Hill.

Dr. David Skinner reported on the Primary Function Program at the Newton-Wellesley Hospital, and Dr. Harry Phillips reported on the Heat Tuberculosis Test Program being conducted by the Board of Health in the kindergartens of the Newton Public Schools. Other members present were Mrs. Barbara Kimball, Mrs. Albert Wickson, Dr. Dudley Hall, Mr. Richard Knever and Mr. Paul Shakespear.

Miss Hope gave a report on the Chest X-Ray Screening Clinic held twice a month at the Newton-Wellesley Hospital. She announced that appointments are available for the June sessions. Call Bigelow 4-9111 for 1:00 o'clock appointments, June 7th and 21st.

Editorial

Let's Not Lose It!

Reprinted from The Newton Graphic, May 18, 1961

When a vast development such as that planned for Norumbega Park is first proposed, there is a tendency on the part of many persons to oppose it because it represents change.

But the time inevitably comes when Newton must ask itself how far it can or should go in resisting change when that change means progress and whether it can afford to sit still and maintain the status quo while time passes it by.

Everything isn't black or white as far as the Norumbega project is concerned. Arguments both for and against the development have been advanced by sincere, well-meaning people who believe their ideas are best for the city.

To an observer striving to reach an objective and impartial appraisal, however, it seems that the advantages which would accrue to Newton from this suggested development far outweigh any disadvantages.

There are those who would like to keep Norumbega Park as it now is. Whether that actually would be a good idea is open to question, but there is no question that it cannot be done, as every well-informed municipal official realizes. Some kind of private development will be erected at Norumbega.

It is extremely doubtful that any plan for the development of Norumbega Park will be presented which would do as much for Newton as the one now pending before the Board of Aldermen.

This contemplated \$35 million development would yield more than \$1 million a year in new taxes. Newton needs that new revenue, for its tax rate has been steadily climbing and seems certain to continue to climb.

The Norumbega project would broaden the city's tax base and lessen the amount of taxes every Newton property-owner would have to pay. That should be interesting news in a year when every property-owner in the city may receive a larger tax bill than a year ago.

It would provide employment for Newton residents, would add to the general prosperity of the entire city and would offer many conveniences, including hotel facilities where meetings and banquets could be held.

To be sure, the character of Norumbega Park will be changed, but it's going to be changed anyway. In many respects this change would be for the better. And a park area will be maintained at the expense of the developer for the use and enjoyment of Newtonites.

The suggested development will yield Newton much and cost it nothing. Even the streets within the development will be built, maintained, cleaned and plowed by the developer, not by the city.

The Planning Board has unanimously approved the zoning changes necessary to make possible the proposed project. Its decision appears to be a completely sound one and in the city's interest.

This is the kind of development which many other Massachusetts cities are clamoring to get. If the Mayor and Board of Aldermen do not sanction the zoning changes to permit its construction, you may be sure that other communities will be quickly beckoning to Peter Kanavos and his associates.

A coldly realistic question is whether Newton can afford to let this project get away. The coldly realistic answer seems to be "No."

HONOR NEWTON MAN — George Sherman, center, Newton industrialist, president and treasurer of Sherman Paper Products Company, recently was awarded the Combined Jewish Philanthropies Award of Merit for more than three decades of leadership and service to the community. Flanking him are, Nathan Schwartz, left of Monadnock Road, Newton, and George Shapiro, 1961 Appeal general chairman.

Memorial Day-

again in tribute to their fallen comrades.

While attention will be centered principally on the parades, public ceremonies and oratory of noted figures, thousands of persons will make their yearly pilgrimages to cemeteries next Tuesday to kneel in prayer at the graves of loved ones whose memories still are as green as the grass under which they sleep.

Senator Saltonstall will be chief of staff of Newton's big Memorial Day parade, as he has been for a number of years. Mayor Donald Gibbs will be the chief marshal and Mario DiCarlo the adjutant general.

Units of the Army, Navy, Air Force, Coast Guard, National Guard, veterans' organizations and their auxiliaries and the police and fire departments will be in the columns of marchers.

There will be two colorful floats, a crack drill team, a number of bands, boy and girl scouts, a civil defense contingent and a Red Cross disaster unit in the line of march.

The various parade units will assemble at the First National Store parking lot at Washington and Crafts streets, Newtonville, at 9:45 the holiday morning. The parade will start promptly at 10:30.

Starting from Washington and Crafts streets, the marchers will swing west on Washington street to Walnut street, south on Walnut street to Commonwealth avenue and the War Memorial Flagstaff. There the column will halt for the placing of wreaths and

prayers by the Rev. Martin U. McCabe of the Sacred Heart Church.

Then the parade will continue south on Walnut street to the Newton Cemetery, the scene of two ceremonies at the Grand Army of the Republic Memorial and the Veterans' Lot.

After those exercises, the parade will move out of the main gate of the cemetery, turn north on Walnut street and then west on Commonwealth avenue to City Hall, where the marchers will pass in review and the U.S. Marine Corps band will perform for the chief of staff, the chief marshal, the adjutant general and their staffs. The parade will disband at Homer street, near Commonwealth avenue.

Senator Saltonstall will deliver the main address at the rites at the GAR Memorial. Robert Leone of Our Lady's High School will recite Lincoln's Gettysburg Address. Father McCabe will give the invocation. Jayne C. Driscoll, one of the adjutants, will introduce Senator Saltonstall. Benediction will be pronounced by the Rev. Wilbur Kingwill.

Wreaths will be placed on the Memorial by the commanders of the various veteran organizations and the presidents of their auxiliaries.

Ex-Mayor Whitmore will open the ceremonies at the Veterans' Lot, and Mayor Gibbs will be the principal speaker. Congressman Curtis will place a wreath on the lot for the Newton Veterans' Council and Mrs. Etta Haverly will place one for the Gold Star Mothers. Taps will be sounded, a volley of shots fired, the national anthem sung by Newton High School

Newton Realtors Strongly Endorse Park Development

The Newton Real Estate Board, at their recent regular monthly meeting, voted to endorse the proposed \$35,000,000 development of Norumbega Park by the Newton Corporation.

Kevin Hughes, president of the board, reported that after a lengthy discussion at the meeting, which was devoted primarily to a discussion of the proposed development, a motion was made, seconded and carried favoring the Norumbega Park development as outlined by the Newton Corporation. The Real Estate Board urges support of it by local citizens.

President Hughes stated, "that the Newton realtors were extremely proud that Newton had been given an opportunity to have a magnificent \$35,000,000 development offered to it. There are a great many communities in Massachusetts that would welcome this opportunity and we feel that Newton is privileged to have an opportunity to provide this excellent type of housing for some of its long-

time residents whose families have grown up in this community and who now find themselves living in homes which are larger than they require. It would be a shame to lose these many distinguished Newton citizens to other communities because of the lack of adequate apartment facilities."

The Newton Real Estate Board also pointed out that the increased revenues which this project will produce for the City of Newton will certainly offset the projected loss in tax income which will be caused by either the extension of the present Toll Road facilities or a freeway. This project is envisioned to produce a minimum of \$1,000,000 per year in taxable income and this will insure the continued excellent services which this community presently renders its citizens.

It is also the opinion of this group of realtors that the present attractive tax rate which Newton has can be kept at a similar level and will prohibit Newton from arriving at a tax rate which will be uncompetitive to its surround-

twirlers, the Norumbega Council of Boy Scouts, Cub Scouts, the Newton Girl Scout Council, the Demolay drill team, the Rainbow Girls, Newton Little Leaguers, members of the Newton Boys' Club, the Pulsifer drum corps and baton twirlers, the Campfire Girls, civic and fraternal organizations.

Military equipment will head the fourth division. The Newton Girl Scouts and the Newton Boys' Club will have floats in the division. Other groups in the division will include the auxiliary fire department, the civil defense, the Red Cross Disaster unit and the National Lancers.

The Memorial Weekend observance will start with religious services at 11 a.m. Sunday in the Second Congregational Church on Highland avenue in West Newton. A delegation which will attend the services will meet at the West Newton Savings Bank parking lot at 10:30 Sunday morning.

ing communities which are all vying for the same prospective new citizens. One of the major factors in determining the valuation of homes in a given community is the demand of prospective citizens and buyers for the property in that given community.

If Newton were to allow its tax rate to continually rise, as the past experience has proven, Newton will some day soon find itself priced out of the competitive community home market and many of the prospective buyers will be vying for homes in other communities and also many of the present home owners may seek to locate in other communities which have lower tax rates, the board pointed out.

Mr. Hughes went on to say that "Newton is a city of beautiful residential homes, gardens, and landscaped areas. Newton is also known for its excellent school system, its fine residential services, and its high caliber of city officials and employees. To continue to provide these services, facilities and employees, Newton must find a way to provide additional revenues to continue them. This can be accomplished by either higher taxes, higher real estate valuations, or new and productive sources of revenue such as would be provided by this Norumbega development."

Mr. Hughes also stated that the present western entrance to Newton, along Commonwealth Avenue between the present gravel parking lot and the amusement park atmosphere on the other side, all tend to provide a less than acceptable entrance. The proposed development would make for a much more impressive entrance to our city and skyline view from the well-traveled Routes 128 and Massachusetts Turnpike.

As a result of the meeting and the endorsement of this project, all members of the Newton Real Estate Board strongly urge the citizens of Newton to write to their Aldermen and give their views concerning this proposed and very important development.

Chief Perkins
Heads CD Fire
District No. 13

Newton Fire Chief Frederick A. Perkins Jr., has been appointed by the Massachusetts Civil Defense Agency to be Director of Fire Mobilization District No. 13, the largest in the state.

Newton has been selected as the central dispatch center for the district which will include Boston, Arlington, Belmont, Brookline, Cambridge, Chelsea, Dedham, Everett, Lexington, Malden, Melrose, Milton, Needham, Quincy, Waltham, Watertown, Winchester, Winthrop and Wellesley.

Waban, first president of the Waban Neighborhood Club, were held Thursday (May 18) from his residence. He was 84 and a native of Brookline.

He leaves three sons, Donald, Malcolm and Calvin T., all of Newton, seven grandchildren and three great-grandchildren.

Mr. Hill was a member of the Longwood Cricket Club, the Harvard Club and the University Club. He was a partner in a Boston marine and corporation firm when he retired last year after practicing law for 60 years.

Among the great-grandchildren is Donald M. Hill IV, of California.

Since 1933 Mr. Hill was in the private practice of law with his son, Donald M., Jr., and from his boyhood years spent his summers at the family home in Royalston.

Richard S. Paige

Funeral services were held Tuesday in the First Parish Church, Brookline for Richard Samuel Paige, 57, textile manufacturer and financier who died Sunday (May 21) at his home, 161 Clyde St., Chestnut Hill.

Mr. Paige was a partner in the Frank E. Paige Co. of Needham, treasurer of the Seabright Woven Felt Co. of Needham and Camden, Me., and treasurer of the Lowell Felt Co. He also was a trustee and member of the investment committee of the Boston Penny Savings Bank.

He leaves his widow, Mrs. Margery (Gibby) Paige; two sons, Richard B. of Lincoln and Donald G. of Chestnut Hill; a daughter, Mrs. Frederick W. Jackson of Marblehead and a brother, Francis W. of Brookline.

Eliot C. Moir

A solemn requiem Mass for Eliot C. Moir, 64, of 78 Woodbine St., Auburndale, was offered Saturday (May 20) at Corpus Christi Church, Auburndale. He died at his home after a long illness. He was born in Boston but lived in Newton for more than 60 years.

He leaves two sisters, Miss Edna Moir of Auburndale, with whom he made his home, and Mrs. Marion E. Foley of Auburndale.

Don't Crowd Or
Pet In That Car
If It's Moving

Overcrowding of front seats of passenger cars and drivers romancing in moving traffic have brought forth new warnings from safety authorities in this State, including stern threats of loss of license from Registrar Clement A. Riley.

A study of accident reports indicates that the dangerous practice of crowding the drivers of passenger cars, especially those overloaded with young people, has created a new traffic accident hazard on Bay State highways.

This warning includes those emotionally irresponsible drivers who feel that a line of rapidly moving traffic offers an ideal place to romance the girl friend.

These practices drastically interfere with the safe operation of motor vehicles and, therefore, were frowned upon by the Massachusetts Highway Safety Committee at its recent monthly meeting. All law enforcement agencies in the state have been alerted to report such operators. Violators reported to Registrar Riley will lose their driving privileges.

There seems to be no other way but severe enforcement to dent the utter insensibilities of so many of today's motor car operators.

Overweight Is
Scored At "Y"
Annual Meeting

Physical Fitness was the theme of the 84th Annual Meeting of the Newton Young Men's Christian Association which was held recently at the Association building.

A large gathering of members, friends and guests of the "Y" were on hand to hear an address by Dr. Howard F. Root, medical director of the Joslin Clinic of Boston. Dr. Root pointed out that with the average life span increasing each year, we must also increase our facilities for physical fitness.

"While preventive measures go a long way towards increasing the life span, overweight is still a top health hazard", continued Dr. Root. He added that an overweight male has a 42% better chance of dying than one of average weight.

The meeting was presided over by William D. Barry and saw special awards recognizing long service to the Newton Y.M.C.A. being made to former Y.M.C.A. presidents Frank A. Day and Frederick S. Bacon and Frederic B. Eastman, treasurer of the Board of Trustees. Awards were presented by Newton G. Hinckley.

Special guests at the affair included: Donald E. Bowen, new president of the Newton Community Chest; P. Edwin Davidson, Chest Budget Committee Representative; and Dr. Raphael Camerini, a research associate at the Diabetes Foundation.

An entertaining series of tableaux was presented by members of the Newton Y.M.C.A. gym team and depicted various scenes, from athletics to religious themes. Members of the team were: Louis S. Tocel, captain; Bill McBride, Joe McDonald, Russ Martin, Bob Matherwicz, Gary Hawkins and Peter Roggeveen. Commentary was performed by Dave MacNeill of WCRB.
